Waupun Board of Public Works
DRAFT Minutes of Regular Meeting
February 10, 2015

The Waupun Board of Public Works met in regular session on Tuesday, February 10, 2015 in the City Hall Administrative Conference Room with Chairman Bastian presiding.

Chairman Bastian called the meeting to order at 4:30pm.

Members present Chairman Steve Bastian, Alderman Mike Johnson, Alderman Pete Kaczmarski, Public Works Director Dick Flynn, City Clerk Angie Hull, and Lieutenant Jeremy Rasch. No members are absent.

Staff present is Mayor Kyle Clark.

No members in the audience are present.

Motion Flynn, second Johnson to approve the minutes of the November 11, 2014 meeting of the Board of Public Works and the January 26, 2015 minutes of the joint meeting of the Board of Public Works and the Board of Recreation. Motion carried 6-0.

Discussion of a revision to the parking ordinance for South Madison Street was heard. Kaczmarski asks for additional information to verify this is warranted. Asks Police Department to watch the area and report back to the Board of Public Works. This item is tabled for next meeting.

Discussion of a revision to the stop sign ordinance at the intersection of Pleasant Avenue and South West Street was heard. Kaczmarski asks for additional information as to any past accidents in this area and to be reported back at next meeting. Kaczmarski believes the yield sign should be on West Street for north and south traffic and stop sign on Pleasant. Additional signage such as School Zone Ahead, Reduce Speed Ahead, etc. is needed. This item is tabled for next meeting.

The ADA Transition Plan was discussed. Flynn will return to the Board with a listing of what buildings are currently accessible and the cost of what is needed for each facility. To be discussed at the next meeting.

Alternate Business Routes during the construction of Main Street were provided. The construction area is from State Street to County Park Road.

City Parking Lot 12 hour parking restriction was discussed. On August 13, 2013, Resolution #08-13-13-01 for temporarily altering parking restrictions in all off-street Waupun municipal parking lots

was approved by the Common Council. As there have not been complaints, other than the Senior Center, Flynn will have an ordinance prepared for the next meeting for consideration.

Discussion of the winter parking hours was heard. Flynn is asked to contact other communities to inquire on their practices of winter parking. Kaczmarski comments that some communities provide a pass, for hardship cases, which can be purchased by a resident for on street parking with restrictions that they clean their street of snow excess due to their vehicle parked on the roadway. Fines are associated if they fail to do so.

Motion Bastian, second Kaczmarski to approve the MS4 Annual Report. Motion carried 6-0.

Motion Hull, second Rasch to approve the 2015 Equipment Rates. Motion carried 6-0.

No public comments are heard.

Motion Johnson, second Kaczmarski to duly call the meeting adjourned at 5:39pm. Motion carried 6-0.
