

## Appendix A:

# SURVEY RESULTS

To encourage public involvement in the Waupun Comprehensive Outdoor Recreation Plan, the project team created an online public opinion survey. The survey was available July 1 through August 14, 2016 and hosted on Survey Monkey.

In total, 651 individuals started the survey and approximately 540 individuals responded to questions through the end of the survey. Eighty-one percent (81%) of those who took the survey live in Waupun. The remainder are primarily from surrounding towns (Waupun, Alto, Chester and Trenton).

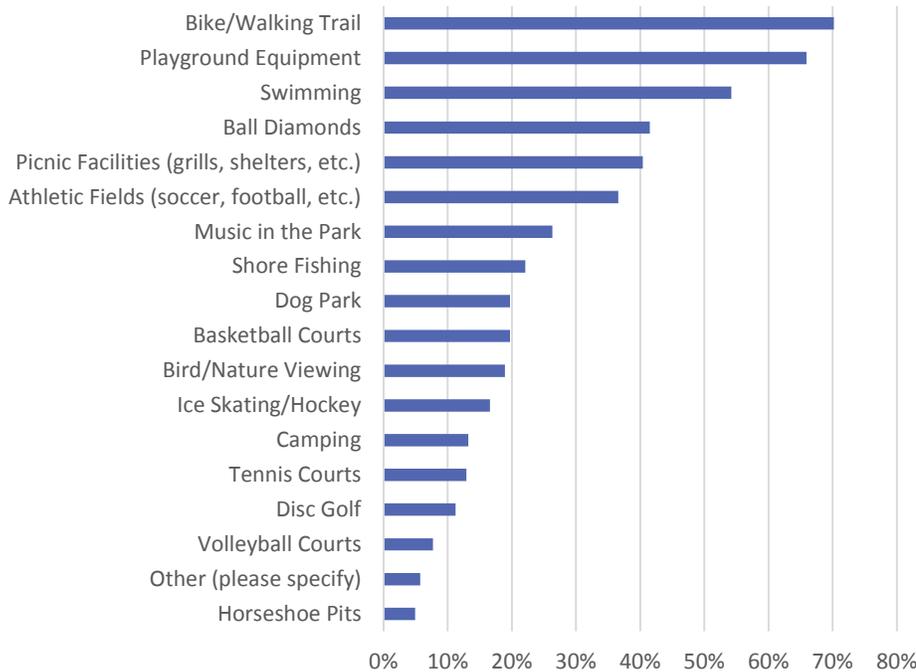

The survey represents a diverse group demographically, though certain groups were under- and over-represented. Generally older and younger members were under-represented and those categorized as middle-age were over-represented. For instance, those under 20 represented 2% of survey respondents but make up 21% of Waupun. Those age 30-39 represented 38% of survey respondents but only make up 18% of the population in Waupun. The figure depicting respondents' answers to their corresponding age group compared to 2014 ACS estimates is shown under question 24 on page A-12.

Responses were filtered by community of residence and location within the City of Waupun to identify any differences between the views of residents. Any differences considered important are reported in the following pages.

*\*A comprehensive list of open-ended questions and comments is found at the end of this appendix. Questions with additional comments/open-ended responses will be marked with an asterisk (e.g. Q2\*).*

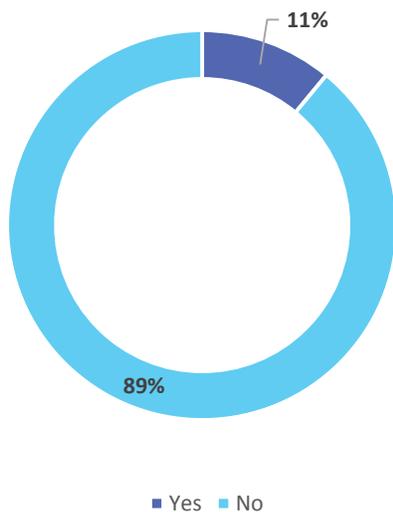

Note: the number of respondents that answered each question is given in parentheses at the end of each question.

## Q1\* WHEN VISITING CITY PARKS, WHICH ACTIVITIES OR FACILITIES DO YOU OR MEMBERS OF YOUR HOUSEHOLD MOST COMMONLY PARTICIPATE IN OR USE? CHECK ALL THAT APPLY. (651)

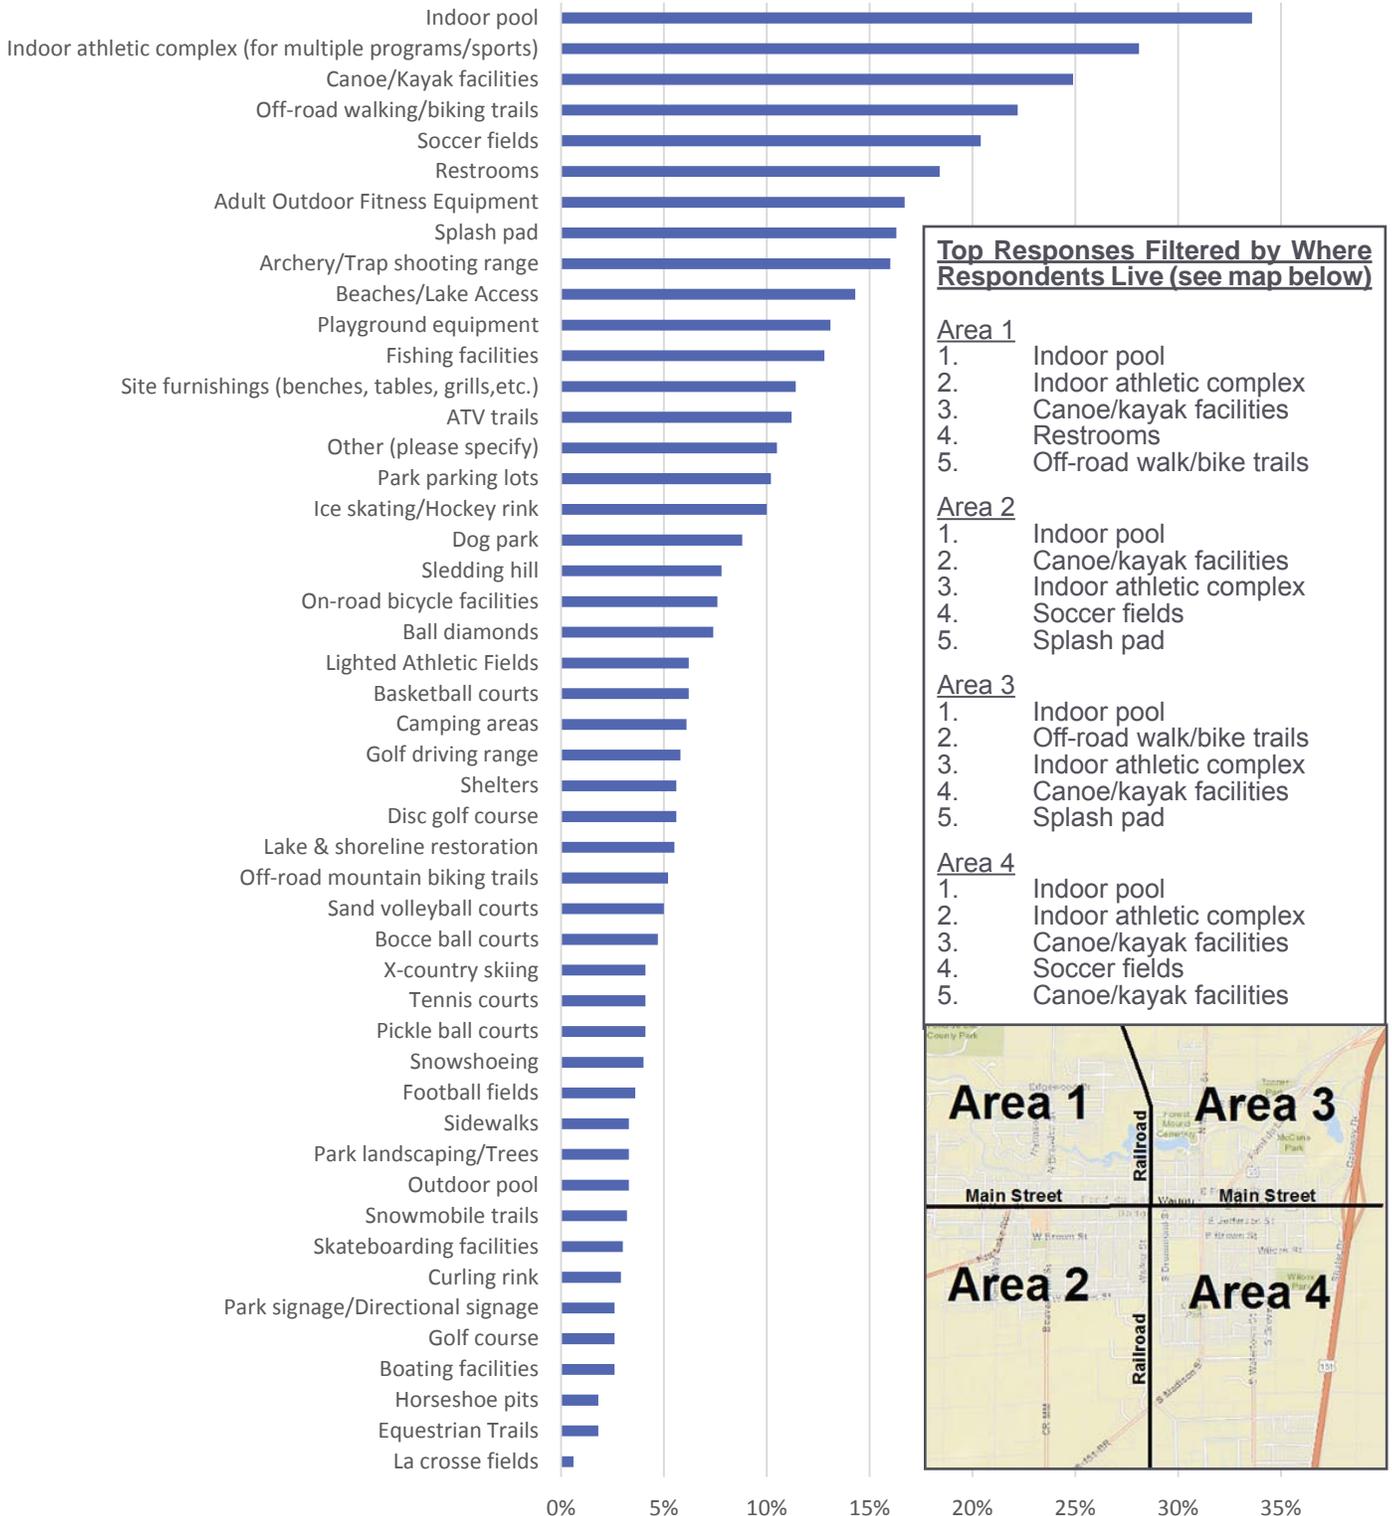

- Common "Other" Responses**
- Park programs
  - Soccer
  - Bean bag toss

## Q2\* DO YOU HAVE ANY CONCERNS ABOUT SAFETY OR ACCESSIBILITY IN ANY OF OUR PARKS? (647)

- Common Responses**
- Outdated playground equipment (McCune and County Parks)
  - Poor lighting (Wilcox and Dodge Parks, Medema Fields)
  - Proximity of park facilities to waterways (Pine Street and Harris Mill Parks; lack of fishing piers along Rock River so people fish from the rocks)
  - Bathrooms (need more, poor lighting, should be open earlier and later in the season)

**Q3\*** WHICH OF THE FOLLOWING AMENITIES WOULD YOU LIKE TO BE ADDED, IMPROVED OR EXPANDED IN WAUPUN EITHER BY PUBLIC OR PRIVATE ENTITIES? MARK UP TO 6 PREFERENCES. (658)

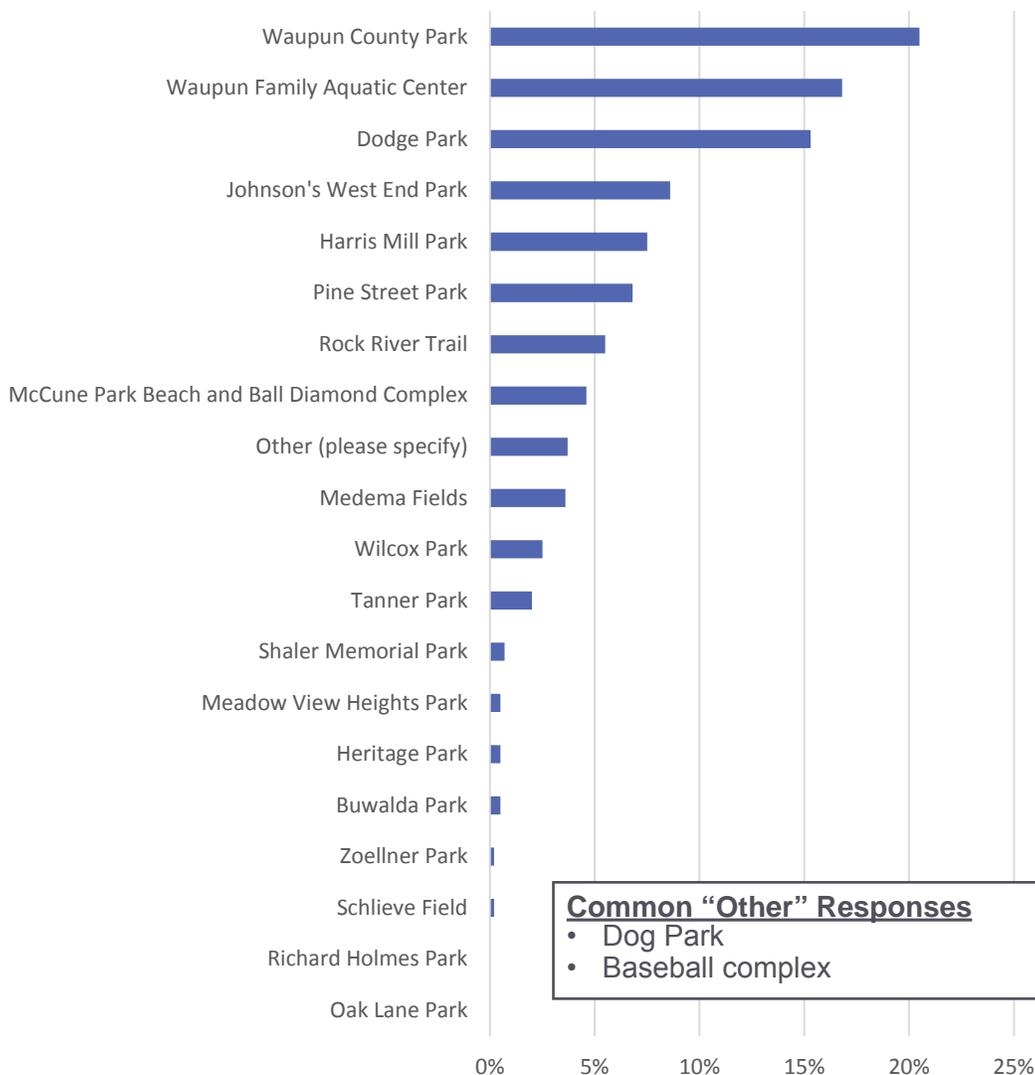

**Q4\*** REFERRING BACK TO QUESTION 3, PLEASE INDICATE YOUR NUMBER ONE DESIRED PARK AMENITY TO BE ADDED, IMPROVED OR EXPANDED IN WAUPUN EITHER BY PUBLIC OR PRIVATE ENTITIES. WHY IS THIS YOUR TOP CHOICE? (524)

**Common Responses**

- Parking lots for all City parks because many don't have them
- Soccer fields because there are not enough and they are spread out across the City
- Indoor pool
- Additional dog park because dogs aren't allowed in City Parks
- Restrooms in all parks because some don't have them
- More off-road walking and biking trails because they are safer to use than on-road trails
- Outdoor fitness equipment because it's easy to use while kids play in the park
- Indoor athletic complex so sports can be played year round and this could attract people to the community for tournaments

**Q5\*** WHAT IS YOUR FAVORITE PARK TO VISIT IN WAUPUN? (561)

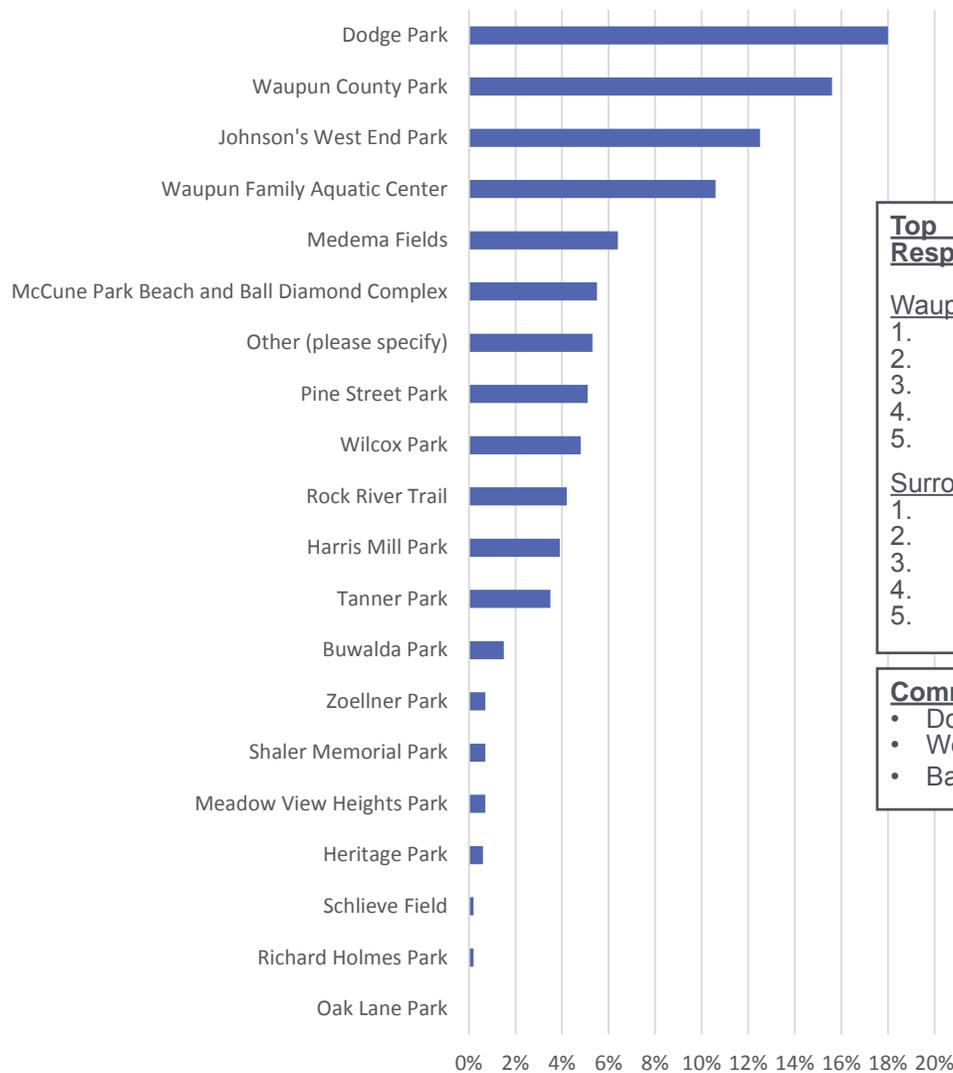

# Q6\* WHY IS THIS YOUR FAVORITE PARK TO VISIT IN WAUPUN? (504)

## Common Responses

- Walking trails
- Close to home
- Kids play sports there
- Swimming
- Beautiful views
- Softball facility

# Q7\* WHAT PARK DO YOU FREQUENT THE MOST IN WAUPUN? (545)

### Top Responses Filtered by Where Respondents Live

#### Waupun

1. Dodge Park
2. Johnson's West End Park
3. Waupun County Park
4. Waupun Family Aquatic Center
5. Medema Fields

#### Surrounding Communities

1. Waupun County Park
2. Waupun Family Aquatic Center
3. Dodge Park
4. Johnson's West End Park
5. Other (see responses below)

### Common "Other" Responses

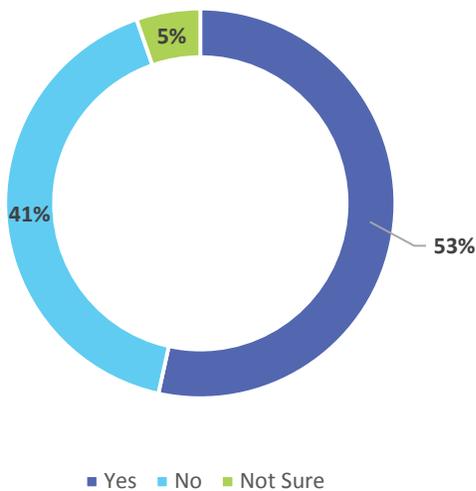

- Dog Park
- West End Park
- Baseball complex

# Q8\* WHY DO YOU FREQUENT THIS PARK THE MOST IN WAUPUN? (487)

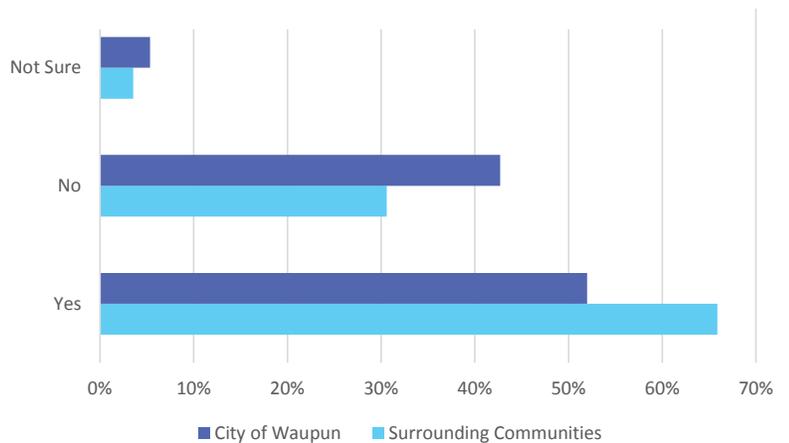

## Common Responses

- Close to home
- Nice play equipment
- Park concerts
- Walking trails
- Watch/play softball

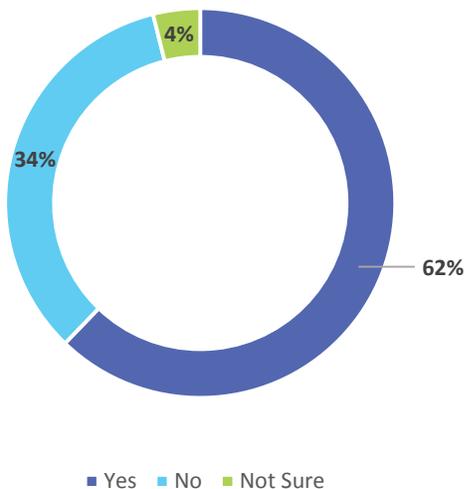

# Q9 DID ANYONE IN YOUR HOUSEHOLD PARTICIPATE IN CITY SPONSORED RECREATION PROGRAMMING IN THE PAST YEAR (E.G. YOUTH SPORTS, ADULT SPORTS, DANCE, ETC.)? (582)

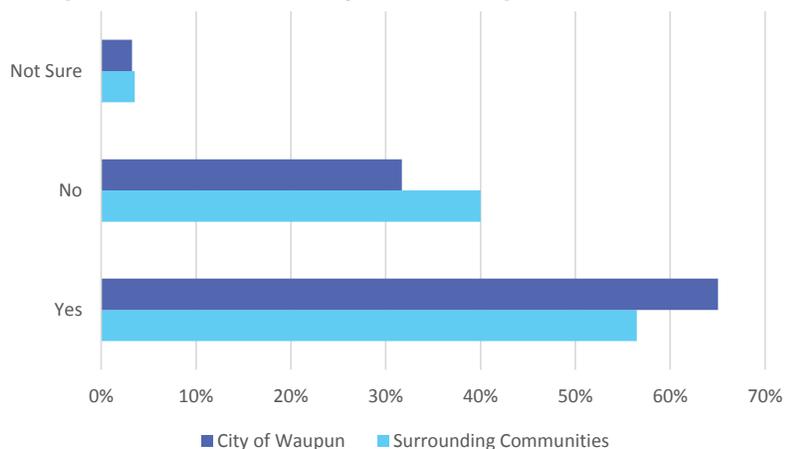

Responses Summarized by Where Respondents Live

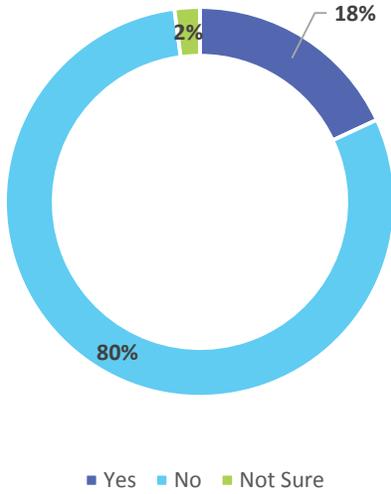

# Q10 DID ANYONE IN YOUR HOUSEHOLD VISIT/USE THE COMMUNITY CENTER (510 W. SPRING ST.) IN THE PAST YEAR? (584)

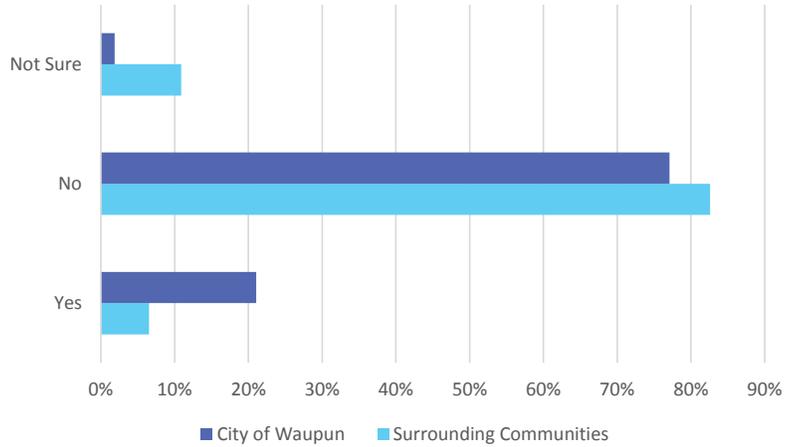

Responses Summarized by Where Respondents Live

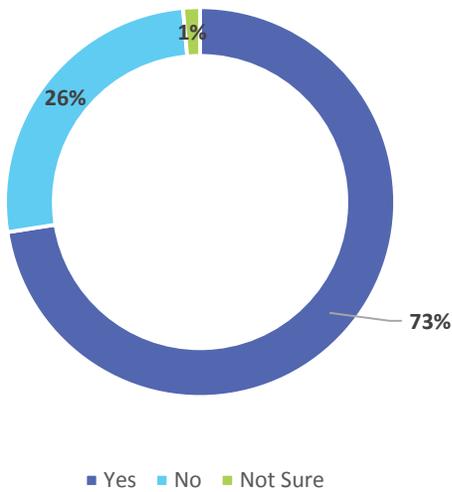

# Q11 DID ANYONE IN YOUR HOUSEHOLD VISIT/USE THE SENIOR CENTER (301 E. MAIN ST.) IN THE PAST YEAR? (581)

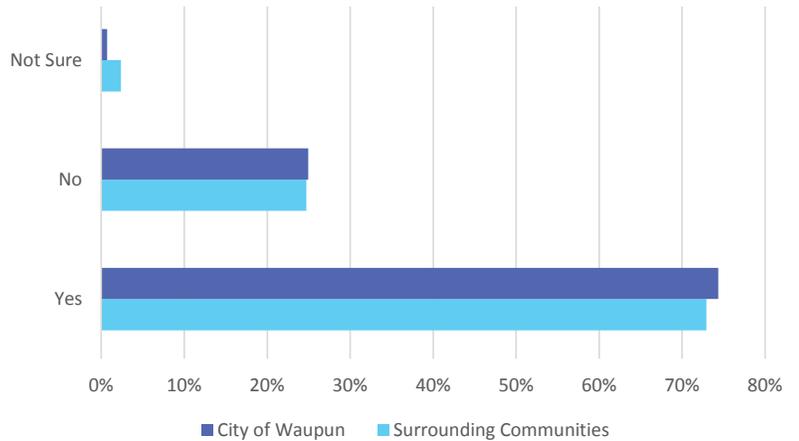

**Responses Summarized by Where Respondents Live**

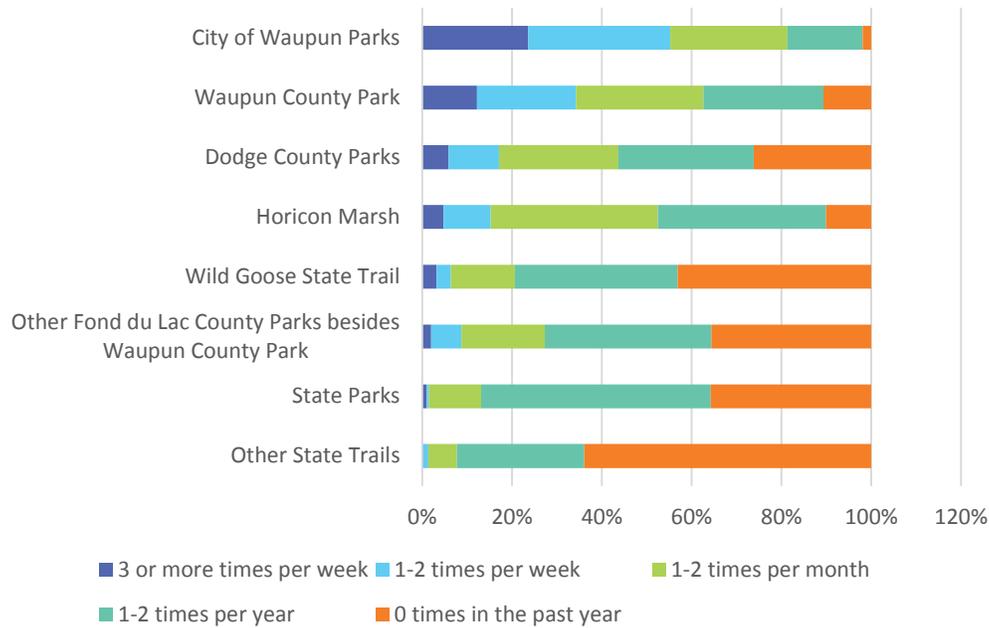

# Q12 DID ANYONE IN YOUR HOUSEHOLD VISIT/USE THE AQUATIC CENTER (701 COUNTY PARK R.D.) IN THE PAST YEAR? (583)

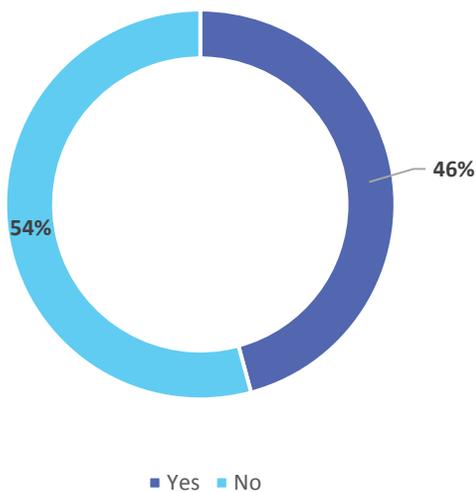

**Responses Summarized by Where Respondents Live**

# Q13 EXCLUDING WINTER MONTHS, ON AVERAGE HOW OFTEN DO YOU OR MEMBERS OF YOUR HOUSEHOLD VISIT OR USE...? (579)

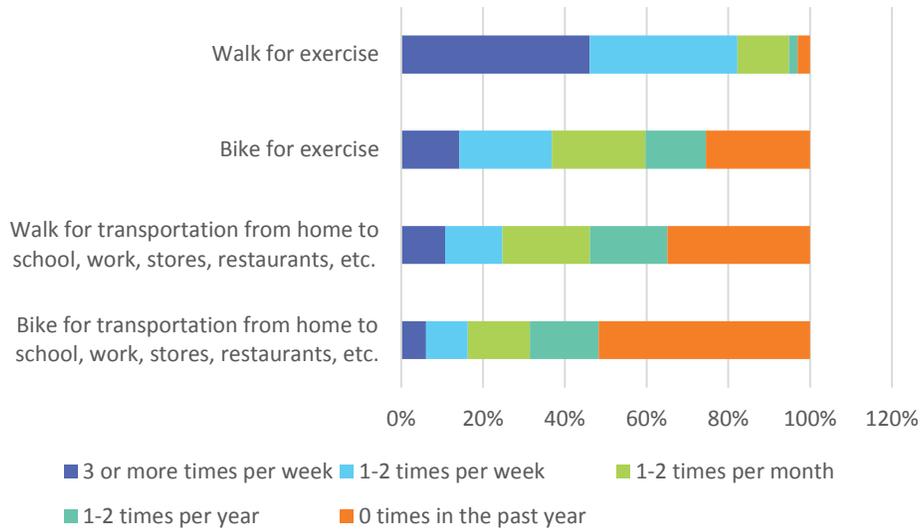

# Q14\* DO YOU OR MEMBERS OF YOUR HOUSEHOLD COMMONLY (AN AVERAGE OF AT LEAST ONCE PER MONTH) DRIVE SOMEWHERE OUTSIDE OF WAUPUN TO USE SPECIFIC RECREATIONAL FACILITIES? IF YES, PLEASE SPECIFY WHERE YOU GO AND FOR WHAT ACTIVITIES. (578)

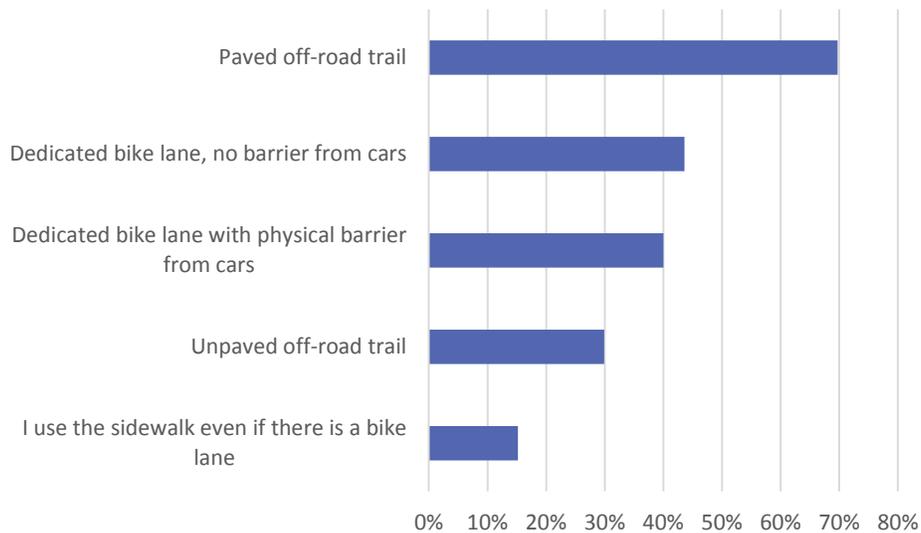

### Common Responses

- Beaver Dam (indoor pool, ice skating, camping, volleyball, Waterworks Park, frisbee golf)
- Lakes for boating and swimming (Fox Lake, Green Lake, Devil's Lake, Pike Lake, Lake Geneva)
- Fond du Lac (aquatic center, camping, train/carousel, YMCA, soccer complex, archery, skate park)

# Q15 HOW OFTEN DO YOU... (560)

# Q16 WHAT TYPE OF BIKE FACILITY DO YOU FEEL SAFE USING? CHECK ALL THAT APPLY. (512)

**Q17\*** ARE THERE ANY PARKS IN WAUPUN THAT YOU CAN'T SAFELY REACH BY BIKE OR FOOT? (PLEASE IDENTIFY NAME OF PARK AND CONCERN) (130)

**Common Responses**

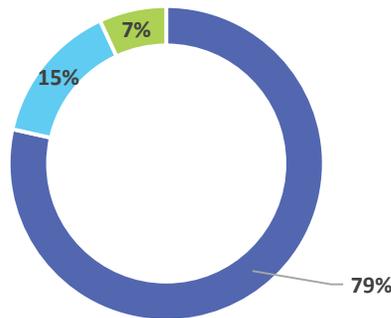

- None
- County Park - there is no sidewalk or bike lane and a lot of traffic
- Dodge Park -Madison Street is busy
- Tanner Park - Fond du Lac and Madison streets are busy

**Q18\*** NAME A SPECIFIC LOCATION IN WAUPUN THAT NEEDS TO BE IMPROVED FOR BICYCLE OR PEDESTRIAN SAFETY. (170)

**Common Responses**

- Main Street
- Fond du Lac Street
- Beaver Dam Street
- Lincoln Street
- Madison Street
- Bike trails connecting to existing parks and trails
- Savage Road
- County Park Road
- Edgewood Road
- Sidewalks to Waupun County Park

**Q19** HOW CLOSE IS THE NEAREST PARK OR TRAIL TO YOUR HOME? (549)

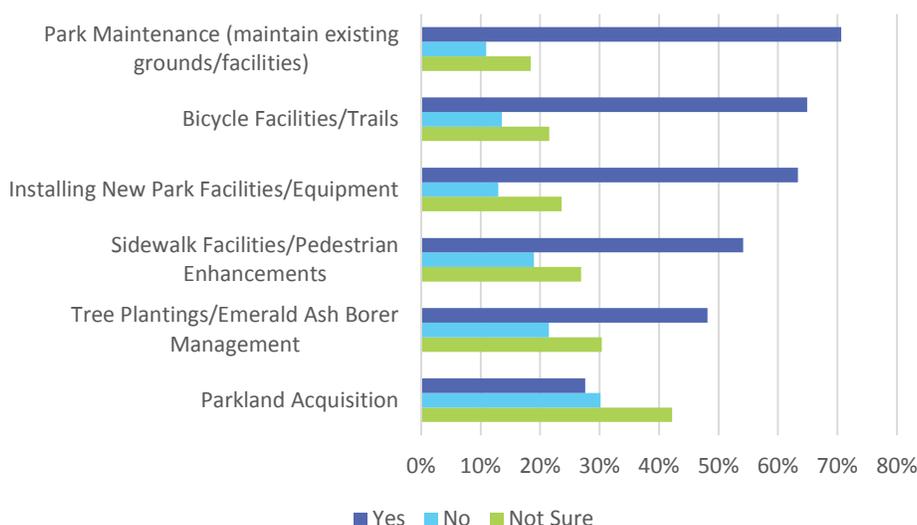

- Within reasonable walking and biking distance
- I have to drive
- Within reasonable biking distance, but not walking distance

## Q20\* WHERE WOULD YOU PRIORITIZE THE LOCATION OF NEW BIKE FACILITIES, ROUTES OR TRAILS? (212)

### Common Responses

- South side of Waupun
- East side of Waupun to Wild Goose Trail and Horicon Marsh
- Through County Park
- East side to West side of Waupun
- Near schools
- Near the Rock River

## Q21 SHOULD YOUR COMMUNITY ALLOCATE ADDITIONAL FUNDS TO BE SPENT ON...? (542)

## Q22\* PLEASE USE THE SPACE PROVIDED BELOW TO IDENTIFY A TYPE OF NEW RECREATION PROGRAM OR SERVICE THAT THE CITY SHOULD CONSIDER OFFERING. (194)

### Common Responses

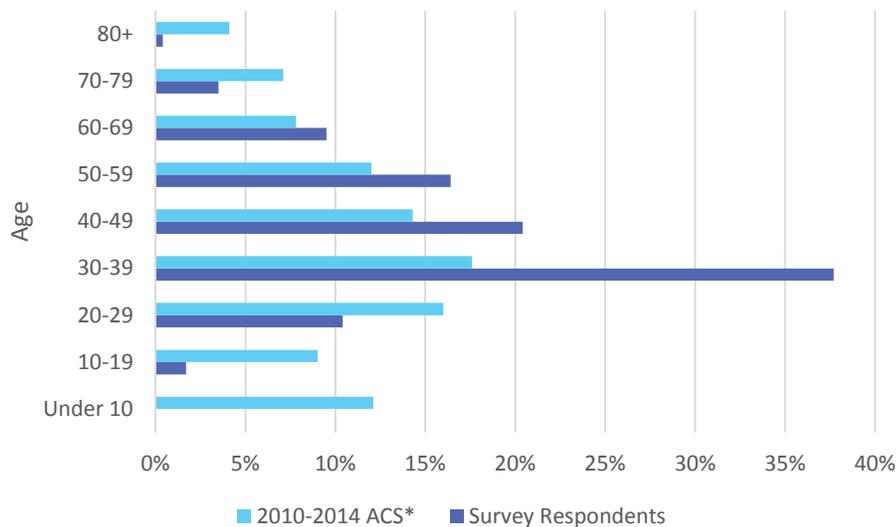

- Continued development of McCune Park
- Soccer complex or more soccer fields
- Indoor pool
- Ice rink
- More activities for kids and adults (some offered in the evenings and during winter)
- Walking/Biking trails
- ATV trails

## Q23\* PLEASE USE THIS SPACE TO PROVIDE ANY OTHER COMMENTS RELATING TO PEDESTRIAN, BICYCLE, PARK AND RECREATION SERVICES OR FACILITIES IN WAUPUN. (120)

### Common Responses

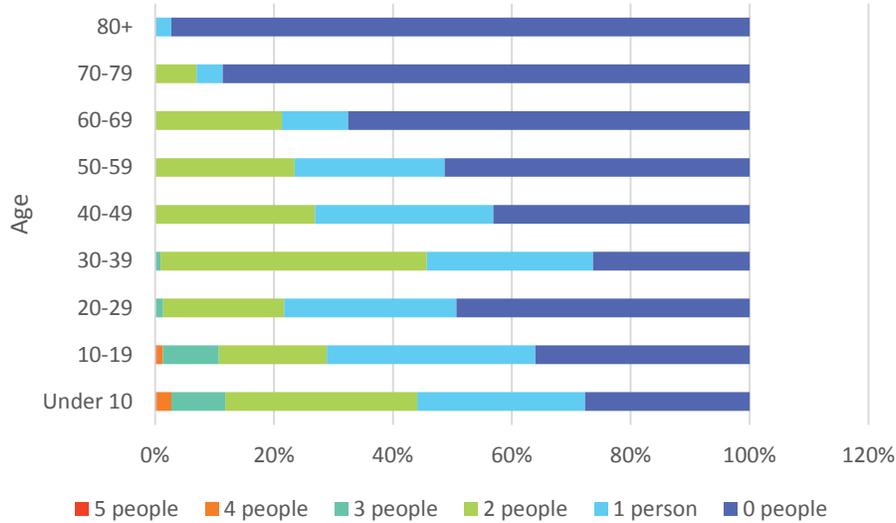

- Update facilities at County and McCune Parks
- Have designated biking and walking paths that connect downtown Waupun to its parks
- Add more bike trails
- Improve pedestrian safety around schools
- Waupun has done a great job so far with its outdoor rec facilities
- Add more parking at the aquatic center
- Add more soccer fields

## Q24 WHAT IS YOUR AGE? (538)

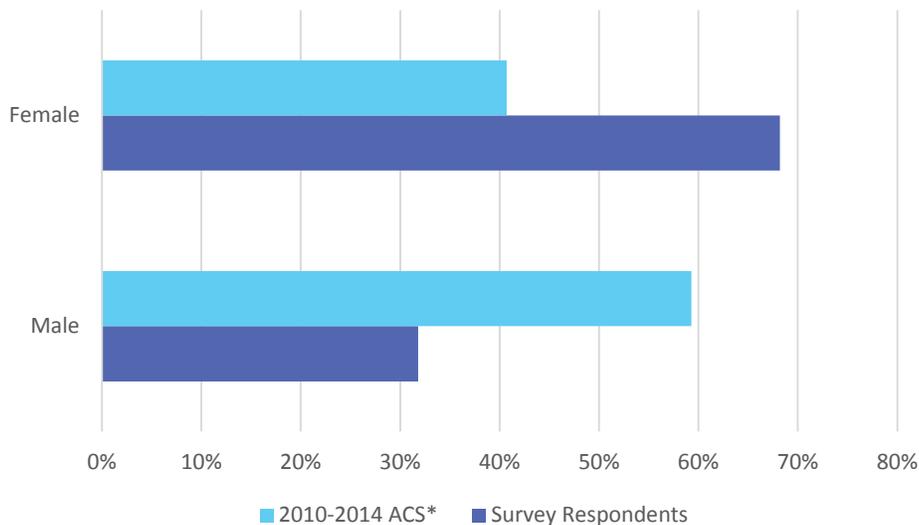

*\*note: the ACS estimate includes the population living in group quarters in Waupun, 2,433 people (primarily inmates), so the percentage of those age 18 through 64 is likely overstated. ACS estimates do not include a breakdown by age for the population living in group quarters. According to the 2010 Census, 95% of the 3,146 living in group quarters at the time, were between the ages of 18 and 64.*

## Q25 PLEASE INDICATE THE NUMBER OF PEOPLE IN YOUR HOUSEHOLD, INCLUDING YOURSELF, WHO FALL WITHIN THE FOLLOWING AGE RANGES: (534)

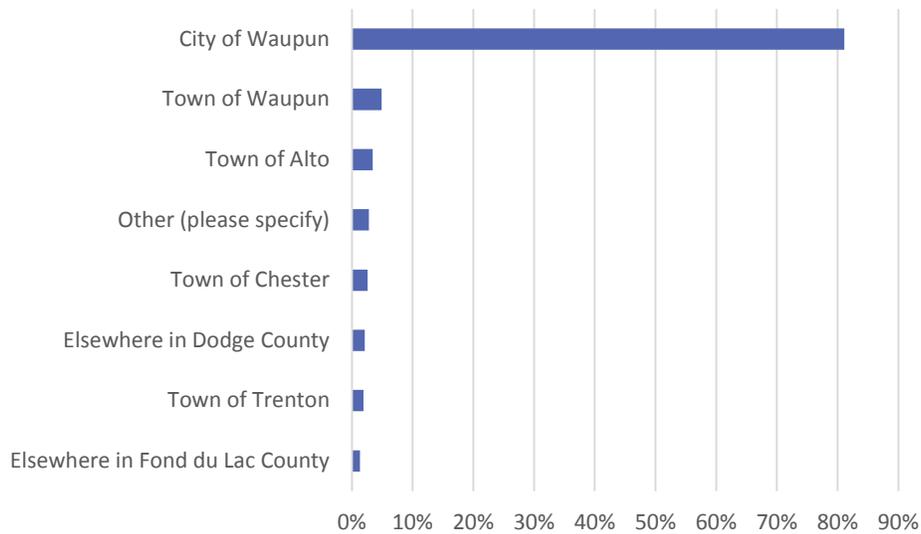

## Q26 WHAT IS YOUR GENDER? (534)

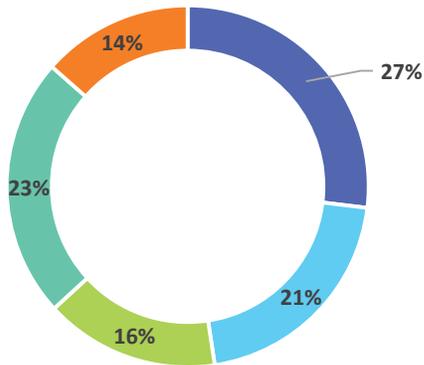

*\*note: the ACS estimate includes the population living in group quarters in Waupun, 2,433 people (primarily inmates), so the percentage of males is likely overstated. ACS estimates do not include a breakdown by gender for the population living in group quarters. According to the 2010 Census, 91% of the 3,146 living in group quarters at the time, were male.*

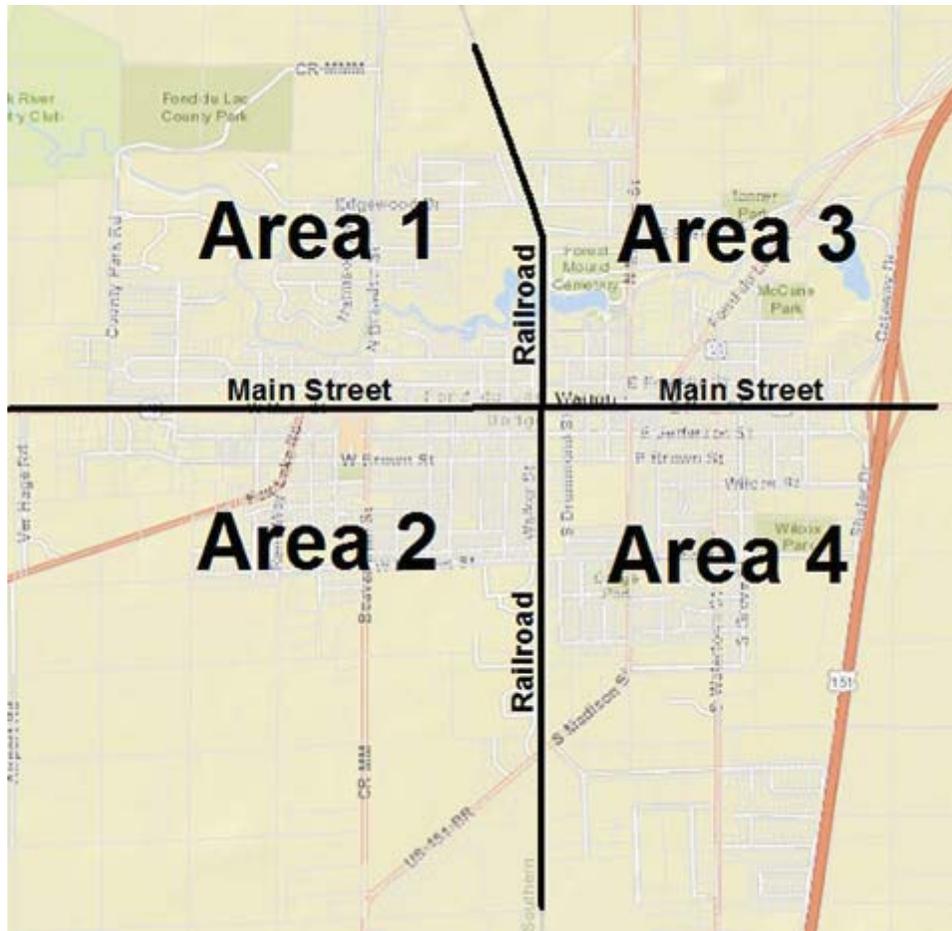

## Q27 WHERE DO YOU LIVE? (535)

## Q28 INDICATE THE GENERAL LOCATION OF YOUR PRIMARY RESIDENCE IN WAUPUN (SEE IMAGE ON THE RIGHT) (532)

- I live north of Main Street and west of the railroad tracks (Area 1)
- I live south of Main Street and west of the railroad tracks (Area 2)
- I live north of Main Street and east of the railroad tracks (Area 3)
- I live south of Main Street and east of the railroad tracks (Area 4)
- I don't live inside the Waupun City Limits

**Q1 WHEN VISITING CITY PARKS WHICH ACTIVITIES OR FACILITIES DO YOU OR MEMBERS OF YOUR HOUSEHOLD MOST COMMONLY PARTICIPATE IN OR USE? CHECK ALL THAT APPLY.**

- Football only, soccer is a waste of space
- We used to go to McCune a lot before it closed
- Especially soccer
- Soccer field
- Bathrooms
- We need more soccer fields
- Soccer
- SOCCER FIELDS !!!!!!!!!!!!!
- Farm Market, Art Show
- Festivals held in the parks
- ENJOY SCULPTURES!
- Splash pad and zoo
- Pokemon GO
- Track for High School
- grass areas for car shows and art shows
- Softball fields 4 days a week
- Softball Diamonds
- Bike riding
- hold meetings in parks in

- summer
- I am an amateur photographer so oftentimes have my camera with me to capture that special moment.
- Stroller aerobics in the parks
- Just relaxing in the shade, chatting with others.
- Kids parks
- Kayak the Rock River
- open greenspace; rivers/marsh
- Senior Center events, festivals
- Arts and crafts in summer
- Handicapped accessibility on grounds, activities and bathrooms and parking
- we usually bring bean bag toss along
- Crafts
- Park leader/crafts
- Flag football would be great
- Exercise equipment
- bag toss
- Disc golf
- Love the boardwalk off Meadow View Cir. and the river walk from Pine St park to County park!
- Parks program for kids

**Q2 DO YOU HAVE ANY CONCERNS ABOUT SAFETY OR ACCESSIBILITY IN ANY OF OUR PARKS?**

- Regarding the dog park, I wish the fence was taller, consistent all the way around the field
- Always worried about safety when the children use the bathroom in Dodge and Wilcox Parks
- I would like to be able to use the bathrooms. When they are locked they are useless!!!
- Along the fence by the beach. It leads to the quarry. I think Mr Navis should put a fence up if he does not what trespassers to go on his property. We used to frequent back there til 2 months ago when we found out it is private property. And we got accused of stealing and trespassing.
- The park by the camp grounds and pool is not little kid friendly and the metal slide burns (same as the park at McCune)
- Some parks are becoming outdated. Soccer fields are outdated.
- N/a
- Limited parking at the swimming park.
- There are some parks that need more lighting for evening activities.

- Handicap
- Safety at McCune
- McCune playground equipment. Wood.
- McCune park is going downhill would be nice to have some safer kid friendly of all ages equipment :)
- "Disc golf park gets overgrown in weeds and long grass in the summer.
- Would be nice to sign or paint the streets to connect the bike trail by school to the start of the trail by Edgewood and signs or pain to lead to the trail that goes out to county park."
- Not many handicap accessible playground equipment.
- I hate seeing kids down along dangerous rocks fishing along the river because there is no other safer way to access those fishing holes.
- Not all restrooms are unlocked, h I had taken a few elderly ladies there for a picnic and after getting all set up and eating one of them had to use restroom, only to find it locked, was an embarrassing situation for the lady.
- I think we should have a couple park with fences around them
- It would be nice to see a few handicap swings in our parks.
- Playing at meidma fields. Diamond 3 needs lights.
- County park lacks safe playground equipment and parking needs to be improved.
- "Bridge at park next to pine street is dangerous. Frequently washes out on sides of bridge with heavy rains or flooding because of the bottleneck the small bridge creates. It is better than it used to be but needs improvement. Trying to get out of river with a canoe before bridge in weeds with no good spot to get out and fast current could easily suck canoe into bridge.
- Please get a taller bridge that can be gone under with a canoe and/or wider bridge with less bottleneck with gravel areas to get out of river with a canoe."
- Woods not developed enough in campground. Safety concern for children or people possibly hiding out in those woods.
- Just in general the vandalism that's been done in the parks. Better lighting is suggested.
- Harris Mill Pond/Park: the deck area is totally open (not safe) so kids could easily fall in and there are rocks below so it wouldn't be a nice splash.
- Why was there not a bathroom constructed with the newest park shelter by the Rock River????
- I would love to see fences around the park areas.
- wish we had an all-inclusive park
- "McCune- Very out dated playground equipment
- County Park-Veeybout dated playground and swings"
- Lighting
- No
- Wilcox and Dodge parks have nice shelters that could be used in the evening but the lighting in the park is poor for letting kids run and play or be on the playground equipment.
- "The last time my daughter and her children were in the FDL campgrounds, they were scared. Kids were taking trees down and being very noisy and disrespectful. They have not camped there since this happened.
- Pine street park playground is close to

- open water. It would be nice to have the park playground enclosed with some sort of fence to prevent little kids going near the river.
- Not enough seating or bathroom's at Gus Field
- Harris Mill Park- the open deck
- Harris mill park-the open deck
- \*Note: I voted not but I usually use the parks in a group setting (family picnics/parties/etc) not sending my family members to the park individually / solo
- I think the park by the Waupun Hospital is beautiful. My concern is after about 6:00 at night, the people that hang out there really deter any younger kids from hanging out there. I won't allow my kids there after dark.
- Go to any park in town. it speaks for itself.
- There's a park just off fern st. And oak In. That isn't being used its just an open lot and I think it would be nice to put bean bag toss and a few other adult activities in this area and maybe start some tournaments for bean bag toss
- County Park's equipment is pretty rough. Should be upgraded.
- Please do something about McCune Beach
- I worry about kids walking to West End Park and the poor visibility with the parking situation of the hospital. The detour traffic this summer and their driving speed does not help.
- Some of the playground equipment seems out dated and un-safe.
- West end park, by the hospital is dangerous after 4 pm. Rough crowd
- My concern is with safety of my children when teenagers are around. Often foul language fights smoking etc. take place and we are forced to leave. Happens often at west end park.
- I don't have a safety concern of an in town park. An off road bike path out to the Horicon Marsh from Waupun would be wonderful. It would be great to feel safe riding bike next to Hwy 49. Its too busy to trust my kids & family on the busy highway.
- None
- McCune beach park needs to be cleaned up and re-made into a family friendly park. It has been part of Waupun for so long we can not let it just sit
- County park. Adults and children walking on the road and people driving to fast.
- Too much vandalism
- Only if some of equipment is getting run down or a little out of date for safety regulations. Only other issue would be for me people smoking at the kids parks leaving cigarettes and lighters behind on benches.
- West End Park
- Mc cune as well as county park have old play ground equipment that I don't feel is safe for my two and five year old
- Na
- Vandalism at Harris Mill Park
- The bathrooms in some parks
- Often find strange adults at the parks that will sit and watch kids and at times follow them around (wilcox specifically)
- Not at this time but the city is growing. So we do need more cops.
- Mostly I have no concerns, as I feel our parks are great, but I've always been concerned about the "fireman's pole" at Wilcox Park. I'm surprised no one has fallen off of there and/or gotten seriously hurt. I don't have

- a solution. I just usually watch my kids closely.
- "McCune Beach-Young children do not feel safe here. Older children bullying issues and cigarette and drug use issues seem to be a problem.
- Should be handicap accessible for children.
- McCune park needs playground upgrade. Would be nice to have old beach converted to fishing hole.
- Handicapped Parking at the baseball complex. Although there are stalls for handicapped people, they are still very far away from the little league diamonds - if no 4th diamond is going to be put in, possibly put in handicapped stalls closer to the diamonds.
- All parks with shelters that are vandalized. Some are locked because of the continual damage.
- At the softball Diamonds, you have to worry about parking and you have to worry about your car getting hit by a softball.
- Would love to see the Dutch wind mill on Brandon street in motion more often, it is a site to see! It could be used as a tourist attraction.
- More handicap accessible
- unsupervised kids that cause problems
- The bathrooms are never open in the Mill Pond Shelter area.
- The bathrooms in some parks have poor lighting and no door lock or door to stall.

### Q3 WHICH OF THE FOLLOWING AMENITIES WOULD YOU LIKE TO BE ADDED, IMPROVED OR EXPANDED IN WAUPUN EITHER BY PUBLIC OR PRIVATE ENTITIES? MARK UP TO 6 PREFERENCES.

- have had dog jump the back fence by the woods 3 times and run off so we can no longer go there
- Open McCune beach back up
- None
- better softball fields
- There are more than enough soccer fields. We need to use that space better than for just soccer.
- McCune beach missed by many
- Outdoor Track
- SOCCER FIELDS!!!!!!
- Need improved acoustic band shell in Dodge Park for annual concerts.
- What about a decent Senior Center... Community Center...a place to have classes and hold events for the community..but yes ..the Seniors would just love an indoor complex... it would be of great value as most of us have silver sneakers and the centers would be subsidized... right now we have to go to fdl or Beaver Dam for these activities.
- Paved bike trail east of school
- High dive at the pool.
- handicapped park
- Add garage cans to walking trails especially by Edgewood
- Safe bike trail to connect city with wild goose trail
- Miniature Golf
- TALL CHAIRS/STOOLS OR

- TABLES
- Handgun and rifle range
  - Rock Climbing facility
  - High School Track
  - Additional Parking for new pool
  - drone obstacle course
  - Improve the softball diamonds, Weed control should be number 1
  - Softball Diamonds, improvements
  - Would love a long bike ride path out around town not just in town. Would love adult swings like Beaver Dam has by the lake to be able to swing with the kids/grandkids.
  - Band shell for concerts in the park
  - x-country & snowshoeing can be done on current walking trails
  - I have no other, but can't progress without saying something.
  - Access to McCune again; outdoor rink for public use (West End or elsewhere)
  - none
  - better care of the sand box/weeds around playground at wilcox
  - We miss the higher diving board at the Aquatic Center
  - National Archery in the Schools Program
  - Archery in the Schools Program
  - track
  - all-inclusive park
  - Give McCune Park "new" purpose! Beach=fishing pond (no swimming allowed), Bath House=Event facility, etc. Beautiful area being wasted!
  - quarry beach
  - I think the beach should be re-opened.
  - Outdoor ice skating rink
  - shuffle board
  - I think the current park facilities are sufficient
  - dirt bike track/park
  - year round bathroom
  - Parking at the Aquatic Center! Such a beautiful facility but someone wasn't thinking when they designed the parking lot.
  - Outdoor skating rink/Pond hockey rink
  - Archery/trap facilities
  - Band Shelter
  - more adult activities and mini golf like we use to have
  - More trees in the dog park. I think the city has them and needs to plant them and fix the mud holes
  - xxxxx
  - Historical and art tours, Waupun has a very interesting history it would be great if the historical society had the resources to exploit that history.
  - Dedicated bike lanes and ENFORCED statutes for biking safety. Also Pokemon Go stations
  - Cleaner restrooms
  - Mini Golf
  - change mccune beach to softball diamond
  - Track
  - Added 4th little league field.
  - fenced wild animal park (deer, etc.)
  - Parking at Aquatic Center
  - mini golf, update BB courts at McCune Park add things to do
  - Dog swimming area. McCune would be perfect for that.
  - Miniature golf
  - Miniature golf

- More accessible for handicap children.
- Accesible equipment
- natural areas and music pavilion
- A track to hold track meets
- Add parking to softball fields, use one of the soccer fields

**Q4 REFERRING BACK TO QUESTION 3, PLEASE INDICATE YOUR NUMBER ONE DESIRED PARK AMENITY TO BE ADDED, IMPROVED OR EXPANDED IN WAUPUN EITHER BY PUBLIC OR PRIVATE ENTITIES. WHY IS THIS YOUR TOP CHOICE?**

- Either the dog park, improve the fencing, so bigger dogs that leap can have a contained space to run, or the off-road trail, to connect with gold star trail, or the wild goose trail
- Taking McCune Park and turning it into a fish pond
- Ball diamonds--I know we have those wonderful little league fields but they aren't open for the public. The neighbors at Wilcox Park do not want to have hard ball played on the diamond there and have harassed our kids for wanting to play there. The man took our sons' ball. Where else can they play nearby??
- A finished around the City bike trail instead of the hodgepodge we currently have. I thought the WARP was a group formed to do just that.
- The bike trail. Would like to see it completed into one circle around the city. It is safer to bike on a trail than on the streets
- Soccer fields. This program is expanding beyond the available resources.
- Soccer fields/facilities. Because of the number of kids currently playing soccer and the difficulty for spectators/fans to park and get to the fields to watch games.
- Bike / walk trail down County Road MM that connects to the trail on Shaler Drive.
- Ice skating / Hockey rink
- Restroom in The Pine Street Park
- ATV Trails - We have lots of snowmobile trails but no place to ATV in this part of the state. Might be a good draw for ATV enthusiasts so they don't have to drive 3 hours up north to get to the good trails.
- Indoor pool
- 1 nice one
- Soccer fields
- Beach. My kids miss McCune.
- More parking by the aquatic center
- Camping areas
- "Basketball courts
- Soccer fields
- Indoor pool
- Biking/walking trails
- McCune. We live in that area. We used to go to McCune alot. Now if we want to go swimming we have to drive or ride our bikes across town to the over crowded smaller pool
- "Bocce Ball Court Played it in Nashville. Great fun!"
- Soccer fields for youth program, improvements to our ice rink. The warming room is outdated, no stools left to sit on, looks old.
- Indoor pool
- Soccer
- Soccer facility
- Athletic complex
- Splash pad
- Soccer fields
- Dog park. To let dog run
- Indoor athletic complex, it would get more people into waupun during the year the same way that the new baseball diamonds have. It would be nice to host more basketball/volleyball tournaments
- Soccer fields
- Restroom / family picnic areas need some upkeep
- Playground equipment. We have multiple smaller children.
- Connect our present bike and walking trails.
- Indoor pool. We have none.
- Tanner park - Good location
- Tennis it's an awesome sport for all ages
- Soccer fields indoor or outdoor complex similar to what the baseball program has.
- Archery is my top pick
- golf course
- Indoor pool
- Indoor athletic complex
- Soccer Fields
- "Soccer field improvements!
- Lake and shorelines cause if these are better taken care of more people of all ages will go fishing
- More soccer fields and space for the youth soccer players in Waupun.
- Soccer Fields. The current fields are cramped and chaotic.
- beach access we used the beach daily until it closed. the diving boards were a big hit with all my kids
- Soccer field
- Soccer fields
- "Adult outdoor fitness equipment
- It would be a nice alternative to inside"
- Fitness training park. It can be used by everyone and encourages a healthy waupun.
- Soccer fields because it is a growing sport and the is not enough room for all the kids in the area we have now
- Soccer the kids love to play .
- Soccer fields
- Kayaking renting.
- soccer fields
- The ATV trails would be outstanding
- Parking
- Indoor athletic complex (for multiple programs/sports) This would allow for so many more opportunities for all ages year round.
- McCune opened back up cause the sand beach is missed by many many people
- Soccer field
- Soccer fields
- I think some of the parks need better lighting for evening activities.
- Indoor pool
- Soccer
- Soccer fields because there are so many kids that love to play and need adequate space to do it and be able to have practices.
- Update bathrooms,
- 1. Soccer fields. So many children utilize the program

- Snowmobile trails
- Soccer fields, it's a huge growing program with no space to grow basically.
- Soccer fields...is it not obvious
- Na
- soccer field complex, over 500 kids out for the sport and there is no where for these kids to have practice or play, everything is very scattered. it would be nice to have a complex just like the baseball/softball fields
- I'd say it's a tie between the soccer fields and outdoor pool. Soccer fields because they have random fields all over waupun. And they aren't even real fields. We need a designated spot for all the kids in all the levels to play soccer on regulation fields. Soccer seems to be a growing sport in town and we should embrace it and help these kids out and give them the fields they deserve. I also choose outdoor pool because the one we have is nice but now that it's the only one in town it's always crowded. I know so many people that live in town that go to other towns to swim because they have more parking and a bigger pool. We need to keep business in our town. I think they needed to plan better with the pool we have. We need more parking for one. And we need more pool space so we can accommodate more people and keep everyone coming to ours and not giving business to other towns. So we as a town need to rethink our athletic fields for soccer and our outdoor pool situation.
- It's hard to enjoy a park if there is either no restroom or the restrooms are locked.
- Soccer field
- Soccer
- "Soccer Fields.
- Lots of kids are getting involved
- 1. Sledding Hill
- Soccer field
- Soccer fields
- Soccer fields because there is a lack of space for the youth to play games on and to practice on.
- Indoor facility with pool, it gets cold here and having things do to in the colder months would be nice
- Soccer field
- Soccer fields
- Soccer fields- because they are needed
- Soccer fields
- Archery
- Added: indoor sports complex-we shouldn't have to drive to Oshkosh for my daughter to play indoor soccer
- Indoor pool....so it can be used year round!
- More soccer fields or a soccer complex.
- Soccer fields . when we wanna play soccer its not alot of space
- Trapshooting, it's a growing high school sport in Wisconsin. Introducing a trap shooting facilities can help bring awareness to the sport giving them access to college scholarships. Not only does it give kids a scholarship opportunity it gives them a chance to connect with people of different ages and different generations. When done right trapshooting teaches kids responsibility, respect and gun safety. I think building a trapshooting facility can offer entertainment and enjoyment to all ages about 9 and up kids and adults. Teaching the kids these things and giving them these chances is important because after all they are our future and this sport teaches them great life lessons, and memories that they'll carry forever.
- A public indoor athletic complex because this will allow many youth programs in Waupun to have a place where they can practice and play games other than the high schools and RRI. This will also give more room for multiple sports on any level to practice without splitting the Sr high gym.
- splash pad
- Indoor athletic complex with pool
- Hmm tough choice! I'd have to say the indoor pool- I love to swim for exercise, and my kids love it as well. It would be awesome to be able to use one year round. (Locally; the Y is so expensive, and although it isn't too far away it's far enough we don't use it.) It's so important for everyone to be a proficient swimmer, and it could also give our high school the opportunity to add another sport to its roster. Possibly 2 if they add diving boards.
- Soccer fields for recording league!!!! There has been over 500 kids the last several years!!!!!! We have to make the fields smaller than they are supposed to be just to fit in the amount of fields that we need ! This year we have 62 teams . Our numbers have went up every year parents complain with multiple kids playing they cannot be at the same place to watch both of them at one time and our fields are not quite up to par as far as level fields and the required field size there are a lot of ball diamonds around and I think with softball and baseball we outnumber them together we have been making do with what we had but it's just getting to the point where we just can't make do anymore there have been several sites that would work for us we would also like to have a concession stand which would help us raise money that is needed to purchase land or better equipment for the kids I strongly urge this city to help us find land so that we can have the correct field sizes for our kids to play on and Fields that don't have a bunch of divots to wear it is possible they get injured we have kids that come from Fondulac Brandon Beaver Dam and Markesan just to join our rec league!!! Please please please please please help us find a place for our kids !!!!!
- It would be nice to have all of the soccer games in one location. Expand the # of fields so more games could be played in one evening.
- We need a soccer facility
- Canoe/kayak I feel the river in a canoe or kayak is a great asset and it would be nice to make it easier to canoe or kayak
- Canoe/Kayak. A different type of outdoor fitness activity families or individuals may enjoy.
- The soccer facilities need expanding and equivalent amenities as the softball and baseball fields. The league has over 525 players this year.
- Indoor pool
- More grilling/picnic areas. We have a large family and enjoy all getting together for a grill out.
- "Walking/biking trails
- Our house is in dodge near dodge correctional and the walking trails aren't near us."
- indoor pool
- Indoor pool
- Indoor pool
- Walking/biking trails
- Walking trails
- Indoor pool with early morning workout hours
- indoor athletic complex
- Soccer
- Band shell upgrade
- Indoor pool
- Sidewalks on all sides of parks and ball diamonds
- Archery/Trap shooting range
- adult fitness would be something all could use thank you
- ATV trails, would be a fun and different.
- Playground Equipment, I believe that we should get an out door obstacle Play60 obstacle course from gametime. I believe that this would get everyone out more and be a lot of fun for everybody!
- Camping Areas
- Canoes
- Shoreline restoration. Lots of fishing by kids.
- canoe/kayak
- Park parking lots-most people need to park on the street and parking is minimal on the street
- "INDOOR Athletic complex
- On road bicycle- safety concerns is main reason.
- ATV Trail. I have one and would like to use it close to home.
- It will make the trail more useable by the public if it is paved.
- Off road walking biking trails
- Snowshoeing
- Indoor pool.splash pad.
- snowshoeing
- Indoor pool waupun is so limited especially in the colder months especially for children we need more options for our kids to stay out of trouble and be safe without having to drive distances to options!
- indoor pool
- indoor swimming, provide opportunity to swim year round
- High dive. The pool is not as fun without it. All other community pools have one.
- Bike trails
- To make swimming an all year activity.
- More parking at the pool
- ATV
- Archery
- Fourwheeler trails other than the goose trail, trails that allow both quads and snowmobiles and trails that allow quads/fourwheelers in the summer. Many people in town I know have quads and have to drive multiple hours to access good quality atv trails and ones in town would both bring riders in from out of town, and let people in town explore how beautiful our town actually is.
- My kids fish a lot along the shore or the mill pond. Cleaner shore would be a plus instead of having to find a spot that's not so weedy
- both equally important
- Older people go to either Beaver Dam or FDL YMCAs. Biking trails are used by a great deal of people. Expand on the nice trails we already have.
- Canoe/Kayak facilities. I chose because we have the river which is a wonderful opportunity for kids, families, individuals to get out and exercise while enjoying nature
- Archery/Trap range. It would be nice to gave a rifle range open year round.
- Disc golf back in city so we have a choice of easy course with less weeds and harder course.

- Tennis courts- the state of the tennis courts, even since I played in high school 10 years ago, has gone drastically downhill. The court conditions and the lack of windscreens especially are noticeable by recreational players, which is what I think would be the main draw aside from High School team events.
- Soccer fields
- Miniature golf as it could involve all ages and physical abilities.
- ATV TRAILS
- I believe a bike/walk trail should be built towards Fond du lac county park along north Brandon street to the park. It is a high traffic area with many people walking and riding their bikes on that skinny road. Fearful of an accident happening.
- Adult outdoor fitness because not everyone has money for a gym and play equipment will help get adults healthy
- Bigger outdoor shelter for bands plays etc at an in town park like Dodge Park
- Off road walking trails
- Bike lanes trails
- Beach access. i really miss McCune beach and being able to lay out in the sand. There is just something about a beach compared to a cement pool that makes it feel more like summer.
- Pickle ball courts
- Restrooms ~ some parks have them & some do not ~ the ones they do have need to be larger (i.e.: Dodge Park).
- Youth soccer fields; not enough room at MVP
- Ice Skating
- Beaches
- Canoe and kayak area. You can only go so far and then trees block the river.
- Indoor pool with a lazy river so that more families can afford this versus having to go to the Dells.
- a splash pad in one of the major parks because it gives underprivileged kids and families who cant afford the pool, a place to go cool off and stay safe in the summer heat and being in a major park would make it more centralized than the aquatic center which is pretty far out for a lot of people. I see a lot of kids wander the streets all summer who cant use the pool cause of money and my heart goes out to them. i know quite a few personally
- More closed shelters for holding events
- Connect all of the trails for walking/ biking.
- Indoor pool - it can benefit people of all ages and abilities and be open year round. High school swimming could be added as a sport. Swimming and water safety are important life skills to be learned and swimming is a great life-long activity that is gentle on joints and can be enjoyed by people with many different disabilities. The temperature of the air and water of an indoor pool is much better for teaching children and for most people to enjoy that the current outdoor pool and there would be many more opportunities to offer swim lessons and exercises classes that would better fit people's schedules. This is the only activity on this list that I absolutely would drive to the next town over to get and many Waupun residents do and we would love to not have to drive to Beaver Dam or Fond du lac to do it, especially in the winter.
- Leashed dogs allowed in all parks. Recycling facilities in parks. (If not already available.
- Expand the Disc golf course. It's an activity our whole family's enjoys.
- Sledding hill
- anything with water (natural water) No more money into the pool
- Indoor athletic complex because it is important for our youth sports programs in the community
- Indoor athletic complex. I feel that Waupun is know for its sports teams, and there are some teams that don't have such great fields or equipment as others. I think it'd be great to see an indoor track and football or soccer field for year round use by both high school and summer rec teams. It'd be nice to open this to both Waupun public school and CWC to utilize by all students.
- Better playground grounds like the Lakeside Park in Beaver Dam with its rubber mat flooring
- Indoor pool. It would be nice to have somewhere to swim and do aquatic exercises in the winter months in town.
- The camping area could use a few more amenities, to draw visitors in.
- Lights at meidma
- Waupun needs to work with local players and fine access to enough land for a championship caliber disc golf course.
- See my input to question #2, and more designated easily accessible canoe launching areas with sand or gravel and parking very close to launch area. Atv trails would be nice but probably not feasible unless willing to allow on snowmobile trails in winter.
- I think we need to improve the Ice Hockey/ skating rink. Though my family and I are not involved in either, I feel that the facility looks and feels old. This is not meant to disrespect or belittle the volunteers who have worked so hard to make the rink run smoothly. I just feel that because of the number of participants in the programs that Waupun has, we could have more funding to make the building more attractive. I think the building makes a huge impression on visitors--even driving by. We should make it bigger and better. New paint on the outside? Cleaner concrete and bathrooms? This will probably take a major private donation in addition to public funding, and grant writing. Again, no disrespect to the past and present leaders of the Waupun Community Center...Just speaking my mind
- Dog park. Lots of room, but the areas get muddy and dogs get dirty. Not much to do other than walk/play fetch. I also believe there is only one shade/sitting area.
- It would be nice to have the Mill Pond Park bathroom open after the Memorial Day Parade. Many people park there and want to use it.
- Indoor pool. This allows fitness to happen without putting extra stress on joints. I would also like to see swimming lessons happen in the winter.
- Biking
- sidewalks to all our streets, there are several areas where people HAVE to walk on street because there is no sidewalk
- Site furnishings, not all parks have nice benches and tables
- Site furnishings.....sometimes it is. Nice to be able to sit and just enjoy the park or area.
- Bathrooms. The ones we do have are outdated and there aren't enough of them. They are also closed during parts of the spring/fall or even winter when people may still be out using the parks for various activities/events. This is especially important/helpful with children.
- Indoor sports complex for variety of sport programs.
- Indoor pool
- Indoor athletic complex There seems to be a struggle when it comes to available practice space for teams. Not to mention if you add additional courts we could potentially host more tournaments here in the city
- Get some real estate so that these bigger items could have a future somewhere.
- More swimming. Re open McCune or something. That waterpark sucks. There is no parking and it's so packed it's not even fun. I live in waupun and have for 10 years. We used to go to McCune once a week. I went to that waterpark twice and never will again. I couldn't even get a chair. I drive to Fond du lac or Beaver Dam to utilize their facilities.
- "High School Track
- We don't have one"
- Parking for pool
- Site Furnishings/Playground equipment - Fond du Lac County Park needs some updated playground equipment and grill area for picnics. Would also be beneficial to the pool and campground.
- Archery range
- Splash pad
- Archery, trap shooting. Because it would give the kids a place to shot Archery since you can't shoot in your own yard
- Adding to the softball complex would be great for the city. It brings other towns to Waupun which then helps our city. If there was two fields added and a bigger concession stand in the middle of the complex I truly believe it would expand the program and benefit the city.
- Splash pads--something different to offer
- park signage directional
- Better playground equipment. Kids love playing at the parks with more options
- Weed control and over seeding the grass at the softball diamonds
- Indoor Complex. Nothing like that in or around Waupun. Be great to have an off season training facility
- Soccer fields I hate having to run all over town to watch my kids play soccer. I wish all fields were in one spot. As it is now I have to choose between my two daughters to go watch. They play same time one at the high school on at meadow view. We really need a soccer complex.
- Soccer fields because the ones we have are bad.
- We could use better softball diamonds like the baseball diamonds due to we can bring in more revenue with more tournaments!
- Soccer fields
- TANNER PARK,!! They have a lot of activities by the hockey rink/ball field and Juniper hill it would be nice to have some things for the kids to do. It is a nice stop after or before a walk on the trail.
- Bike trails
- There needs to be better parking at the pool.
- Fishing facilities - it's very relaxing for people that can't own a boat.
- "The campground needs expansion, clean up tree area, more activities for dampers in the park, Friday evening some type of activity,

- Saturday some type of activity
- Open the park earlier in season latter April, close later October ish
- Your pool needs longer hours open in the morning til evening open early May til October ish “
- More Stuff in the Dog Park. Such as another garbage can along the back and one more in the middle along with maybe some dog obstacle stuff or even a small pond for the dogs to play in especially during the summer when its hot out
- indoor pool
- A splash pad
- More parking at the pool!!!!!! Because I have no where to park ever and I would rather park on a parking lot then grass.
- INDOOR POOL
- Indoor red/fitness center. There is not a good place in town to run around a track, walk safely indoors (high school is not a great open with kids roaming the halls), and to play indoor basketball, etc.
- Bike trails out around Waupun for a long continuous, enjoyable bike ride. Right now only out at the marsh can you enjoy that
- Band shell. Concerts have been well attended and the current facility is inadequate and makes it difficult to host.
- Beach
- More variety of playground equipment.
- Indoor pool
- Waupun needs indoor activities other than HOCKEY to draw people to use facilities in our city.
- Beaches A smaller Mc Cune beach would be nice. in stead of the current eye sore. Less then half the size would control cost and give the sand lovers a place to go.
- Adult fitness equipment. I know that Lakeside Park in Fond du Lac has done this and I hear a lot of great things about it. I think it's great to have things for both adults and kids to use in places.
- parking lots. most city parks don't have them. creates traffic congestion
- Lake and shoreline restoration. It is important to maintain/enhance the shorelines for today and for future generations.
- Indoor pool so we can swim year round and get more use out of the pool. Also restrooms is up there because sometimes the restaurants are locked in the parks when you have children and need to go it would be nice to have them available.
- Archery shooting range. It would give the residents that live in the city, a safe place to shoot. It would bring in people from surrounding areas, which would help local businesses. It would be a fairly inexpensive addition to the city of Waupun.
- because I have a dog
- Canoe/Kayak facilities may be a draw for future revenue and great for all ages
- fitness equipment
- Beach access.. take the fence down at McCune and treat as pond with sand beach.. when frozen can use for ice skating as the community center is over run with HOCKEY
- snowshoeing
- Outdoor ice skating rink - It is extremely difficult for non-hockey people to have decent time at the community center rink. Many people don't want to skate with the hockey/figure skaters due to ability in skating and falling, etc.
- n/a
- I would love to see our pavilion at Dodge built to be more acoustic for music concerts if possible.
- splash pad
- off-road walking/biking trails - to be able to bike long distances without riding on streets or highways is important to me
- Adult Outdoor Fitness Equipment I already walk and bike and I think this would be a good addition for another physical activity.
- Archery
- High Dive at the Aquatic Center. A lot of money was invested into the Center, looks like an “eye sore” without the it.
- Lights on all of the little league fields would help that league schedule games
- ice rink
- If this is going to be a park for public use, why not a public toilet with the shelter like the other parks in city of Waupun?
- We do nothing for the Kids that are less able to participate in physical sports, I have Taught Archery for over 30 years, and have great success with special needs kids, and every year have a number of 3 year olds, ...Teach with DNR, Horicon Marsh Bow, Mayville High School, 4H...Dave Kottwitz 920-948-4085
- National Archery in the Schools Program, Great Confidence builder for kids who are not as good in highly physical sports. I have been Teaching Youth Archery for over 30 years, I teach classes at Horicon Marsh Bowmen, We also work with Mayville High School Classes, 4H, DNR in Horicon, and Taught at Wisconsin Deer Expo, and Cabellas. We have never had an age Restriction, and every Year we have tremendous success with 3 year Olds..
- Indoor pool because I go out of town to swim. A YMCA with exercise programs.
- Lake and shoreline restoration - because trees fall down into the river and lay there for a long time before being removed, the weeds along the river are out of control, and the river/shoreline should be preserved rather than be allowed to erode
- Indoor pool for year round use
- Splash pad
- Skatepark!! Give the kids a spot to bike and skate
- splash pad
- soccer fields
- “A 4th little league field. We have one of the best complexes in the state and adding to that can only help our city. We currently have two other communities that play in our league regularly and could add more teams during the week and for weekend tournaments that will benefit the hotels and restaurants.
- The next would be to add new locker rooms to the community center and try to have a Junior Hockey team play out of the community center during the winter. This would add quite a bit of activity in the non-summer months.”
- I would love more convenient places and spaces to fish in Waupun (though I'm not sure how possible that is).
- I would like to see our trails connect us to the Marsh. WARP has done a super job so far, it would be nice if we could follow the river under 151 out to the marsh.
- Ball diamonds...keep improving the softball diamonds.
- “Park / direction signage is important. We have fantastic walking trails but the signage is confusing. Visitors could get lost easily.
- Indoor athletic complex - Gives opportunities for doing more things for inclement weather days.
- Playground equipment
- Walking and biking trails - safety for residents
- Indoor complex-most sports are year round and we're having trouble finding places to practice if other sports are scheduled.
- Off road biking walking trail. Safer than on the streets and more interesting
- Bmx park. Nothing for kids to ride their bikes or scooters
- Indoor athletic complex
- Indoor pool. A place to go in the winter for activity/exercise would be wonderful.
- Camping would be a great asset to the city.
- Indoor athletic complex. Would benefit many people/ sports and be used year round
- Bathrooms and site furnishings need to be kept up and cleaned!
- golf driving range
- Beach and I skating rink. And I skating rink could bring more competitions are tournaments to the area
- Indoor pool. If is a great way to rehab don't want yo drive to beaver dam
- Adding Restrooms at Pine View
- Restrooms!!! I feel that most of the city's restrooms are dark and dingy. It makes it scary for kids, a lot of spiders, and it makes me feel dirty when leaving.
- Playground equipment
- “Atving
- Bring more revenue to the city”
- Adult outdoor fitness equipment
- Ball diamond softball
- Soccer fields
- soccer fields
- A indoor facility for winter, for children to play and be active
- Indoor complex to keep kids active in their sport year round
- Snowmobile trails. need more open in winter!
- I believe an appropriate soccer complex is needed
- Love to play pickle ball
- Canoe/Kayak facilities - We need more.
- County Park. Because its the biggest.
- Athletic complex
- “Adult outdoor fitness equipment.
- I know of no park with these items”
- Indoor swimming pool. It's my top choice for a number of reasons. It's Wisconsin. We would use an indoor pool year round (rather than 2 months a year like the one in county park). This form of exercise is helpful for ppl of ALL ages. We can derive revenue toward its maintenance through lessons, host swim meets, memberships, etc. It would be an amenity not available in many/most nearby townships.
- Indoor pool, park bathrooms, ice/hockey rink
- all-inclusive park
- “Indoor athletic complex.
- Currently not enough space for existing programs. No room for growth / expansion. This would allow for more involvement at all levels. (Youth - Senior Citizen)”
- Softball and Baseball fields. This is my top choice because I feel youth sports are

the most important for our community and these 2 sports have well over 500 kids playing

- Playground equipment
- Indoor pool
- Indoor pool
- Indoor complex for walking during the winter / Indoor pool. Winters are long in Wisconsin. We need to have access for all ages so we all stay healthy & active.
- Restrooms
- Splash Pad...fun for all!
- "I would like to see more biking and walking trails!
- This seems to be a priority in many other communities! It sure adds to the quality of life!"
- Splash pad
- A splash pad would be a great addition for affordable ways kids can keep cool in summer. There isn't anything like it in the surrounding towns.
- More softball diamonds and parking. We have a need for more space for the growing program, I would like to see McCune park be reopened with a pool and beach
- Off road biking/walking trails. Would love to have more options as we use this very frequently
- Soccer fields/track facility for high school...it is needed so badly and these sports are up and coming!
- Walking/running trails. I get sick of running in the roads
- I do a lot of biking and walking.
- Indoor pool. Usable year round.
- Soccer fields. Waupun has a huge youth soccer program that has been developed by many adults through the years including myself but the city has never made a serious effort to establish permanent fields for them. They lost their space for fields at Washington School and are always begging for space. This program is a strong feeder program for both WHS and CWC high school teams, who have both experienced great success with their teams due to the youth soccer program.
- "Adult Outdoor Fitness Equipment
- Not everyone can afford a gym membership, and want to get outside to workout. This would give them something other than walking/running/biking. Also, it would be nice to have something while the kids play at the park."
- Indoor pool
- More walking paths would be fabulous! Love the ones we have so far.
- Canoe facilities
- Indoor pool or sports, not a lot to do in town in the winter.
- ATV trails. We have driven numerous miles north to get to counties with fun trails to explore. This would really be much bigger than just Waupun. Would need to be a county or even multiple county commitment but I feel it could bring in revenue and visitors as people from the south would not have to drive so far.
- Soccer fields
- Adult outdoor fitness equipment (there are some great examples in lakeside park , fond du lac)
- Canoe/kayak facilities. All my grand children and daughter are really into this sport. No place really to do it in Waupun.
- Off-road walking/biking trails because we enjoy doing this but it can be dangerous on

the city streets.

- Off-road bicycle facilities through County Park. It is my favorite place to bike but it is very tight on the road. Running with a stroller through that stretch is not a safe option either because there is no way to get off the road when cars come through.
- Baseball complex 4th field and or lights for all fields. Spend all summer there.
- Soccer fields. The kids have no soccer fields! Buy the land, put them north of Claggett St.
- Golf complex. Great sport those teaches people of all ages respect and appreciation for others and the outdoors.
- Bring back ice rinks to all the city parks.
- Equestrian Trails
- Indoor Athletic Complex because I feel this will not only improve and encourage my youth to get active and participate in sports, but bring business and attention from area communities.
- off road walking / biking
- Indoor pool
- More marked walking trails
- Walking trails
- Indoor pool!!!!!!!
- Lighted athletic fields
- pickle ball courts - something for order adults to participate in
- Park Parking Lots - Aquatic Center needs more parking.
- Off road walking / trails
- Flower beds in the Parks. Low maintenance native plants would be great.
- "Canoe/Kayak facilities
- This is one of my interests"
- year round bathroom no bath room when walking or biking
- I don't have a number 1
- Indoor swimming pool
- Archery range, there is no where to practice your crossbow
- Walking trails
- We have ample parks; there is always room for improvement but I believe the restrooms at each park could be updated / cleaner to help with overall satisfaction of the park experience.
- Outdoor skating rink/Pond hockey rink
- adult outdoor exercise equipment
- Indoor pool
- utilizing the rock river better
- Basketball courts - it's something that is for people of all ages and any gender. Having some hoops that are for younger kids would be great. We only have 1 outdoor court in the whole town
- Fishing facilities
- kayaking
- Adult workout equipment
- A beach. Not necessarily re-opening mcccune beach but a nicer beach area.
- Indoor athletic complex
- It would be great to have a public pool to use in the winter.
- on-road bicycle facilities; with small kids, we need safe options for biking around the city as a family.
- Being in a wheelchair and having to wear diapers, bathrooms with large handicapped stalls is essential and also for those of us that have to wear diapers toilet covers for something to sit on to put the diaper on. Also handicapped parking for those of us that have ramps to put down to get out.

Most spots are not accessible for that and we need enough room to get out without a vehicle parked right next to us.

- Band Shelter. The way the park concerts are done now is kind of hokey with limited band area and poor visibility.
- By old high school close to home
- More playground equipment because that is what my daughter uses most.
- Biking
- Expand walking and biking trails to connect to the Wild Goose Trail. It provides for better biking, running, and walking opportunities in the community.
- indoor pool. a place to swim in the winter
- Canoe / Kayak facilities - - we kayak on vacation but not around home
- More adult activities so the young at heart can still have fun
- indoor athletic complex
- The mud holes are terribly enticing for some pets
- Off-road walking/biking trails. It would be nice to connect the trails to the one by the Marsh.
- Indoor pool, because we live in Wisconsin it makes the most sense from facilities stand point. It would allow additional exercise for winter and would keep business in Waupun vs people driving to Beaver Dam to use the YMCA.
- I've never found any restrooms in the parks.
- A gravel or wood chip loop path inside the dog park, so it can be utilized better in poor weather, its hard to walk there in the spring or after a rain.
- Connecting bike trail to marsh trail
- xxxx
- Indoor pool. Year round access. Don't have to go to another community in the winter.
- Historical sights and tours
- Biking around the city is difficult at times. The disc golf course is great and is a huge draw for area disc golfers from Madison up to the Fox Valley.
- Improve the rest rooms - self explanatory. Women need more toilets than men.
- Splash pad for the kids
- Mini Golf ~ Hopefully great family participation
- Trails
- Changing McCune beach pool to a softball diamond, because it is currently a waste of space and Waupun could host tournaments and possible move Women's league on Thursdays next to the Men's league.
- An indoor pool and/or sports complex. Kids and families need something to do in winter, and adding indoor soccer leagues, as an example, would improve our soccer program by giving kids longer seasons etc. our family travels outside of Waupun to go to other cities with these amenities don't ring winter months.
- Soccer is a growing sport and we have over 500 youth involved in the Waupun soccer youth leagues. It would be beneficial for them to have more fields/goals to play and practice on. It's a great way to keep youth active and involved.
- Bike trails connecting from current trail in Waupun to Wild Goose trail
- Playground equipment for

- toddlers
- Playground equipment for smaller kids that's safe.
- McCune Beach!!!!
- Soccer complex
- "Outdoor fitness/gym."
- I feel this added amenity would encourage more groups to bring their children to play on the playground while being able to enjoy a workout. For Waupun Strollerobics this would be ideal. "
- Zoellner as it is closest in proximity.
- "Beach
- The hockey rink could use a few more locker rooms and is in need of some upgrades. Also, an outdoor rink during the winter would be awesome. I guarantee it would be used a lot!
- Restrooms, because when I am at the park with my family and friends and I have to use the ladies room, I would like to 1 be able to go to the bathroom in a clean bathroom and 2 be able to see there are a lot of bathrooms where the lights don't work or there isn't enough light in the bathroom.
- Bocce ball courts
- Bathrooms
- Dog parks
- More stuff to do for kids in general
- Canoe facilities
- Indoor pool....it could be utilized all year round and by all age groups.
- Indoor pool
- Ice in the winter. When I was a kid the city had ice rinks in multiple parks. Don't know why they quit that.
- Park parking lots (specifically the WFAC/county park)
- Splash pad . I think parents of small children would use this alot
- Bike trail to avoid vehicle traffic
- Curling rink. Would give us something more to do in winter.
- An indoor athletic facility for multiple activities would be great because there isn't as much to do during the winter. Especially for teenagers in our town.
- Soccer fields. Whether it be part of an indoor/outdoor complex or just outdoor.
- Canoe/Kayak Facilities
- Girls bathroom at McCune softball diamonds.. No door on one toilet and no lock on the other one..have not been in them this year yet soooo if this issue is fixed....I thank you..
- Off road biking
- Indoor athletic building
- Hot tub
- Soccer fields
- Ice skating/hockey rink update to facility as it is getting older and repairs are needed. Also the sound system in the rink as this would be helpful during ice shows and games as well as public skate. Also, the concessions does not have a good ventilation system for the deep fryer. The skates used for public skating are also in need of repair as many are breaking due to the age of skates.
- Indoor complex
- Splash pad. It would be a wonderful addition to waupun. A great place for younger kids to play during the summer.
- Wild animal Park I would like to see McCune used more. It could be similar to what they have at Lakeside Park in Fond du Lac.
- Splash pad because I have a young child that would love it.
- Indoor Athletic Complex. I think this will bring many people to our city as well as enhance our own athletic programs here in Waupun
- Sports complex...Shortage of courts for practicing sports. Would be a great addition to our community and would bring great revenue to city businesses.
- Adult outdoor fitness equipment
- outdoor fitness equipment
- canoe/kayak facilities
- More options for swimming lessons. This it was very hard to get in and when I went to register in June before the pool even opened the spots were all gone for my kids age group. I got one child signed up and then they said the class was closed 2 weeks later.
- Ice skating rink. It would be nice to have an outdoor rink for kids to go to. Currently they can only go Sundays for a few hours
- McCune was unique and special. I truly wish something could be done with that park. If not a pool then maybe a splash pad or something beautiful to look at with some equipment and activities.
- Soccer Fields, this is a growing program with few resources today. Soccer fields would serve the needs of the community.
- Walking/biking trails
- Parking Lot addition at Aquatic Center
- Splash pad- I will travel to Oshkosh to use the splash pad there. It is great fun for little one and older kids. And kids who don't like pools this would be a great option
- Bike park for the kids
- Indoor athletic complex
- DoG area for swimming
- Kayak facilities, clean up river and trees that block it.
- I would love to see the disc golf course expand if the land is there to do it.
- Indoor pool. Year round activity
- ice rink, years ago many people enjoyed skating and I think it would be great to bring back. we spent many hours in the winter at the park skating.
- Flag Football fields. A town can be brought together by this sport. It is sad to see all that the city is doing or talking about doing for soccer while football then continues to be less attractive.
- I enjoy biking and I wish that biking were safer for children in the community, especially in the area of biking to schools.
- Safe in town biking/walking trails so more children can walk to schools and families and elderly can more easily stroll safely.
- Bike trails
- A splash pan because I have young children and they don't always like to swim but just sit and splash in the water
- Paved bike trails
- Indoor pool for winter exercise and therapy
- Sidewalks. I think many of our sidewalks are in poor condition.
- All are important
- Soccer fields because of the growing program needs the space
- We have great parks however they are not easily found by people visiting the city.
- Sand volleyball courts and more teams would keep teams from traveling out of town
- Canoe - should be able to enjoy your natural
- water feature - the Rock River
- Indoor complex.....to have more community events and a place to go on raining days.
- Indoor pool--I believe my family would use this the most.
- Indoor sports
- Biking/hiking trails..would be used by many
- Good basketball courts. The current ones are so bad nobody uses them anymore
- indoor sports - gives an opportunity for kids and adults to stay active in sports.
- Off road walking/biking trails because I like to walk
- Archery Range. Because there is not an outdoor archery range available for use, public or private. I think there would be much opportunity for residents to take advantage of a nice range. I would even be willing to help build/ maintain.
- "1. Indoor facility/pool
- 2. Water dog park"
- Canoe. Something for people to do.
- Biking! It's efficient, better for the environment and healthy. We need to make Waupun a biking community. Expanding services for biking is good for everyone even if you don't use it. Thanks for your time!
- Indoor athletic complex as we are limited in gym space come winter & could also benefit year round by holding tournaments & having the city benefit from these visitors in our town.
- Permanent soccer fields/complex--there are a lot of kids involved in soccer in Waupun.
- Canoe/kayak facilities. Would like to see a facility that checks the waterways to keep them safe and offers rental equipment to the public and provides drop off at entry points and pick up at exit points.
- Soccer fields - this is a growing program and the city should support it.
- Bike/walking trails
- Indoor pool - for ease of utilization rather than having to go out of town to access one.
- New disc golf course, or expand the existing. I am originally from Waupun, but now live in Plymouth. I still visit Waupun solely to play the course there now. I would definitely visit more often with more facilities, as would several people I know. The topography of the county park is ideal for disc golf, especially if there are unused sections.
- Splash pad! Because it is accessible to everyone, free for those that can't afford pool pass and great family fun!
- Canoes is my top choice because I think a lot of people would love to be out on the river or pond
- I would like to see updated playground equipment put in the FDL County Park for children to enjoy. It would make the area more attractive for campers and for those with young children to enjoy the park.
- Upgrades to restrooms so they can be open year round
- Indoor pool to take water aerobics classes like what is offered in Fondulac all year round
- Canoe/kayak facilities. We tried kayaking from County Park to Tanner Park once and it was incredibly difficult with all the downed trees in the water. We spent more time out of the water carrying the kayaks around trees

- and getting poison ivy than we spent in the water. That stretch of river would be perfect for a short trip and could be done alone or as a group. It would be easy to lock up a bike at Tanner Park, drive to County Park to get into the water, and then lock up the kayak at Tanner Park while you ride back to pick up the vehicle at the end. Myself and a couple other wives/girlfriends would be interested in doing this while our significant others are at disc golf league on Sunday's. Please keep improving/expanding the disc golf course to keep our boys happy :)
- Canoe / kayak launch
  - Indoor athletic complex.
  - Canoe / kayak facility
  - Adult Outdoor fitness equipment. It would be fun to be able to work out in the parks. I have seen them in other cities and it looks interesting
  - Accessible equipment
  - More playground equipment for kids of young age (1-3)
  - More enclosed shelters to be used for celebrations.
  - Parking Lots - it would be nice to have designated areas to park instead of on the side of the road, especially when unloading small children and picnic items. Drivers do not slow down on the main roads and it is very dangerous.
  - X-country skiing
  - Natural areas like converting McCune into a place to enjoy in peace
  - Disc golf
  - Indoor athletic complex
  - My number one would be getting a track. A track would have to be added, but it would help your town with hosting track meets. By hosting track meets it will bring more money in our schools, ( which need more money) and to our city. It would bring more money to our restaurants, and it would benefit our small town.
  - The beach... I know we have the beautiful pool and we are season pass holders and use it a LOT, but sometimes my kids just want to play in the sand or float on a floating toy/noodle which aren't allowed at the pool. We miss the beach.
  - Disc golf course
  - Adult fitness would compliment the walking trails.
  - Disc golf course. I play at least once a week. It has brought my friends and family together and introduced us to great people.
  - Site furnishings
  - Tennis courts. The only thing my kids use.
  - Canoe/Kayak facilities
  - Canoe/kayak facilities
  - Bathroom at McCune park was in very bad shape for the girls side.. Would be fun to be able to rent canoes
  - Fencing
  - Indoor Pool! There needs to be something to do in the winter. Swimming is great exercise. Helps get people out of winter blues with a summer like activity.
  - Like to use the parks for walking
  - Expanding the Disc Golf course. It's already a great course thanks to the work being done by the local club but it would be even better with some more holes added.
  - Adult outdoor fitness
  - The off road mountain biking trail. This would not cost the city much to create. And there are some good areas around waupun that could be perfect for a small singletrack.

- indoor pool parking lots park signage
- Fishing facilities it would be nice to have an area where kids could easily catch fish
- More walking/biking trails because I love the ease of my kids able to move around town on their bikes or rollerblades without coming into contact with traffic.
- I have to say, because I travel a lot Waupun parks are by far the best parks around very very well maintained.
- Outdoor mountain biking park along the east end of McCune.
- Canoe/Kayak facilities-the Rock river is enjoyable to canoe up or down...its is/can be a great family activity rain or shine any day of the week and is multipurpose use (fishing/sight seeing/exercise,etc)
- Would love to see a bike path on the side of road through county park.
- Spots facilities because there are many great sports teams in this town that have either no where to practice or an unsafe area to practice
- Dog Park as we are not allowed to bring our pets to any city park.
- Indoor pool. There needs to be more available for children and adults in the winter. Swimming is great exercise.
- Trap shooting range improvements
- Restrooms remodeled/ updated

### Q5 WHAT IS YOUR FAVORITE PARK TO VISIT IN WAUPUN?

- We enjoy many, no favorite
- Soccer fields
- We visit more than one.
- West End
- west end
- Lakeside Oak in Beaver Dam
- West End Park
- Waupun Baseball Complex
- dog Park
- Fond du Lac Cty Park
- Baseball Fields
- Behind Edgewood church
- Baseball complex
- Fern Street open green space
- The Gus and Lynn Siedschlag
- none of the above
- Ice Rink
- Dog park
- Park at the end of the county park trail by the bridge and the river
- Dog park
- West end

### Q6 WHY IS THIS PARK YOUR FAVORITE PARK TO VISIT IN WAUPUN?

- We enjoy the different playground equipment at each park, we appreciate the YMCA play directors, we appreciate the picnic tables, each park has something unique to it
- Better playground equipment and friendlier atmosphere.
- I like the around the park parking, basketball courts, pickleball courts, the trees for shade
- The availability, parking around the park, shade trees, basketball courts, tennis courts (pickleball)
- Closest to my home

- It has something for each of my family members and is close to home.
- Close to our house and has stuff for every member of our family.
- Clean and great park for my 2 yr old
- Proximity/Environment is nice.
- They hold music concerts and craft fairs there
- For the woods ,fishing and play ground equipment
- Pool
- close to home
- Lighted tennis courts
- I use it the most. Great place for kids of all ages to play, visit and exercise
- location
- All kinds of activities to do in one area
- Swimming pool during the summer
- Location
- Well I guess it's not my favorite anymore since the rich people closed down the beach
- "Concerts
- Close to home
- Grandkids like it"
- New facility
- My kids love swimming and it is clean and great entertainment.
- Pool
- Walking
- The scenic view and playground equipment
- Beauty
- Swimming
- Swimming
- Nice playground
- Basketball courts
- playground, shade
- so much you do nice trail
- It is close to our home.
- near our house so we can walk to it with our grandchildren.
- Biggest, nice trees and walking trails.
- Quiet and big area
- Its very pretty
- Swimming
- Events
- Because it has a lot of nature
- Summer Swimming
- Nice big area for actives
- Cause it quiet and u can fish and relax
- Nice park take a walk.
- Swim area.
- the river and disc golf
- My kids love to play soccer
- Great way to get out doors... most outdoor feel since out of town
- Location
- Pool, shelters, shade, fishing, camping all in one place.
- New play ground and like the river and woods
- Cause it had the walking trail along the river. It is beautiful. Also very handy for the kids to ride their bikes to the water park. Park is always clean.
- Basketball courts
- It is great, it has a walking trail and decent basketball and tennis courts the equipment is okay too
- I like all the parks
- Closest to our home
- Location and a very nice shelter.
- Swimming pool for kids
- The playground equipment is favorable to all ages. There is big shade trees to sit in the

- shade while the kids play.
- Pool
- close to home
- My kids love to swim.
- Close to home
- Swimming
- Nice atmosphere, near walking trails.
- Near River and walking trails.
- Walking
- close to our house
- It's close to home and the kids just like going to this one.
- We have little kids.
- Just down the block
- Kids love swimming
- Swimming
- Just like it.
- Can fish and it's nice looking
- It is the newest and very thought out.
- Location
- The pool
- Love the woods
- Closest
- Pretty
- Nature
- Walking trail, bathroom, and quiet feel
- Close to home
- Close to home, clean, safe, and always friendly people.
- Peaceful at times
- I just feel it has the most amount of things to do.
- the bridge
- Camping
- Because my It's all there- playground, the river, nice walking path.
- Because that is the only one I know the name of
- There is a lot to do there !
- My family is there a lot during the summer. The pool is an amazing facility for Waupun.
- Nice setting. The river and forest are nice for hiking and canoeing
- Because it is the closet
- Dodge has the playground, soccer fields and tennis courts that allow for multiple activities with the family.
- Enjoy swimming with the kids
- The water feature- very beautiful, nice bathrooms
- As a mom of a four-year old, it's an inexpensive fun place to be in the summer.
- It's clean and has playground equipment. Like the bathrooms.
- It's actually clean and has decent playground equipment. Tennis nets are in good shape.
- The bumpy slide
- The pool
- It is great for kids
- Concerts and art fair held there
- Wooded
- Clean nice equipment
- History and best ball in area
- The board walk
- Tennis courts and shelter for picnics
- The disc golf course, the pool and the summer campers.
- Because How open it is there
- Beautiful trees, nicely updated shelter, paths. Plus the city guys take very good care of it along with all the other parks.
- Playground equipment
- close
- spacious, on river, close to aquatic center
- I like to swim. Also, it is close to the golf course where I can golf too.
- It's lovely to walk in the trails in the woods.
- "I love the woods..the tress... the peace and quiet.
- Nature
- Closest to home
- CHILDREN LOVE THE WATER
- Tennis and fun park for kids.
- The disc golf course is fantastic and the walking trails through the woods are wonderful. Its a nice shaded, large and pretty place to be. I love all the trees.
- Small playground equipment for young children
- Clean and kid friendly
- "fountain
- Closest to home
- It's the only place to swim in Waupun
- location and trees
- My kids like the bumpy slide and it has good shade.
- Wooded
- Grew up enjoying it.
- Great summer activity
- Very pretty and lots of room to run, restrooms
- Very fun
- It has nature and recreation.
- Beautiful park
- pool, golf
- A great deal of things to do.
- "Location, river
- Like to walk when it's nice out, and it's a quiet area
- Fishing
- nice trail
- Nice for all ages
- NICE SHADE
- varied play equipment, easy accessibility to the hospital's bathrooms - (the park's restrooms need work)
- Wooded, quiet, serene
- A lot of space to do stuff
- Disc Golf Course
- Closest to our house
- Great view with the mill pond , bridge, statue and flowers
- Best tennis courts
- Location
- The space & openness ~ also, not far from golf & swimming.
- enjoy walking off-road trails
- Neighborhood
- People in that area are nicer
- Because it is in my backyard:) We live on Madison Street. It is so awesome to sit on my deck and have such an awesome view.
- cause its close to home. kids love the play area and nice grounds. also love the aquatic center
- Close to where I live
- only because it is the closest and therefore the easiest to get to - favorite park depends on what event is going on, what we want to do that day and what time of the year it is
- Lots of space, River, trails, disc golf, lots of shade.
- trees
- We use it often...my kids love it. I do wish they could improve the playgrounds in the county park by the aquatic center..that would be great
- I enjoy the availability of the pool and wonderful staff.
- I have no favorite parks. Nothing compares to the one in Beaver Dam
- Because it's where we go swimming.
- It has a nice country feel to be able to enjoy God's amazing beauty.
- Its scenic and nice, can do fishing and kayaking and canoeing
- Daughter and friends play softball.
- It's the only one with a disc golf course, but I don't bring my kids here because the playground equipment is sorely sub par, and its a beautiful park. Deserves better.
- Nice shaded paths between the two parks, bathrooms, tables and shelters for picnic. Good location with frogs and crayfish for kids to catch.
- The whole family uses it, and it is new, clean and well maintained thus far.
- Love how quiet and secluded it is.
- It is very peaceful.
- (This is the park across from the hospital). There is a lot of playground equipment options.
- The water
- beautiful walk
- Like the trail for walking
- Close to home, fairly quiet area (well... maybe not this year with the extra traffic due to Main Street □), nice place for the kids to play.
- The play equipment, large area, and shelter/ bathrooms
- Open, spacious
- The play ground equipment is age appropriate for our children.
- "It's very large and beautiful
- Beautiful sight of the river and water fountain
- Closest to my house has a lot of amenities
- Everything is set out nicely, quick access from car, good organization to utilize the diamonds.
- It's close to my house
- Provides a nice place to cool down and updated facilities are very nice.
- Nice family meeting areas
- The square footage and amenities
- It has a little bit of everything
- The play ground is nice and their is plenty of room for my children to run around and there is a picnic area.
- setting; variety of activities for skill levels
- mature trees with bathrooms and water to drink
- Kids have the most fun here
- We spend are whole summer there along with hundreds of other parents from town and hundreds of parents and team members from out of town
- Not as many teenagers running around using bad language or hearing their music for my younger kids
- Close to home.
- Brings a lot of community people together
- Swimming passes for the entire summer make for affordable family fun
- I walk on it daily in the summer.
- Good for the younger kids and right by the trail
- The beautiful mill pond and fountain, the walkways, and so many trees. I miss the weeping willows. Maybe some could be planted again?
- shore fishing
- It's big with a beautiful setting and close

- access to the boardwalk trail.
- It is the only park in town that we can have our dogs in.
- Peaceful, lots of trees, not crowded, nice play equipment for grandchild
- Swimming
- Because it's a ton of fun for the family!
- horseshoes
- QUIET, LOTS OF GREEN SPACE TO RUN AND PLAY, GREAT PLAYGROUND EQUIPMENT
- The open area in the back for frisbee, softball practice, rooms for kids to run. Has a shelter and decent basketball hoops, quiet and on the edge of town. Could use more playground equipment. We loved the beach with the option of sand.
- Kids like it the best. Biggest variety. Newest.
- Trees along the river
- Wide open space for kids to run and do various activities and ride their toys
- Close to home.
- New and only place to swim.
- It's the closest to home. I like that there is a variety of equipment and running space.
- variety of activities possible. pretty to drive through
- It's a great place to cool off in the summer and live the water aerobics.
- We live nearby and enjoy taking the paved walking trail to the park.
- Because of the playground and the path that leads and connects to county park. It is a really nice trail! The park is pretty too.
- Hiking trail, picnics, and a lot of trees
- the pool is awesome
- space, trails, the SQUIRRELS. (my dog wanted that added)
- The setting is big and beautiful
- The drive in the woods. quietness
- concerts
- Because it is right by my home, has horseshoe pits, good parking and lighting.
- Pool
- I don't live in Waupun, but love it's green space for Concerts in the Park and WFA's Art show.
- swimming
- beautiful view of the water/nature and cemetery
- Nice shelters for family/friends get together, nice to go to if you would like to read a book, big enough for many people to be at and not get in each others way.
- Walking, swimming, camping, biking and disc and regular golf their.
- in my backyard
- Basketball courts
- Our family enjoys walks together on the board walk
- close by
- watch ball games
- Most beautiful view
- Close to home
- low car traffic, nice playground
- Because it is a beautiful park. Camping swimming facilities for parties and a golf course near by.
- There are lots of shelters and lots of space for kids and adults to play in
- Close to home
- We have a small child that likes to run so the wide open space is nice for that and we feel it has the best play ground.
- It's a pook
- Close
- It's been part of my life for so many years
- Bike trail is there
- great place to walk through
- With my kids playing, we are there almost every night. However, the walking trail/boardwalk is a close second.
- My family loves to walk the boardwalk
- It is what I use the most, now that my kids are grown.
- Softball
- Its large, beautiful trees, ample parking & close to the water park.
- It is so beautiful and restful
- Softball
- Beauty, privacy, wildlife
- shaded and updated playground
- Close to home. My children love going to the daily supervised activities!!
- The walking trail to get There
- Walking/biking trails and location
- Love softball
- Softball
- The scenery
- Love what they did and love swimming
- I like the water scenery and fountain, plus its newer.
- Close to trail
- State of the art
- Swimming
- Close to home
- Close to home
- Close to our house
- I have two daughters that play softball and we spend a lot of time there
- Playground
- Close to home
- Pool
- Trail access/nature
- To watch softball
- closest to my house
- Equipment
- Nice to walk through
- Big
- Nice park
- Water
- Beautiful, quiet, walking trails, waterfall, flower garden, fountain & statues
- its has nice facilities and nice play area for kids
- the one by the river with the bridge - not sure name!
- Pool is fun in the summer. Would be nice to have an indoor pool in the winter
- Variety of activity options.
- softball fields where my children play
- Space, river and pool
- Water & peacefulness of the park
- Playing softball and volleyball
- Softball
- Love the pool and making memories with my family.
- West end because it offers the most
- Best playground equipment for toddlers
- The playground entertains our children while my husband and I play tennis.
- It used to be until it was shut down. I believe it has the most room and additional things to do for all ages, the beach area, and ample swimming areas were better than the aquatic center
- closest to our house
- I have to ability to walk the dog through the trails as well as run it and see nature.
- Music programs.
- Nicest shelter area combined with numerous activities for all ages. The blacktop paths are great for strollers.
- Great for children
- Water!! Fun, Summer activity
- Love the equipment and area.
- Quiet
- Close to home, nice playgrounds
- Nice playground, scenic views. That new pavilion seems like a huge waste of money there.
- Kids just enjoy swimming on a hot day. It is great to have this facility. Kids also like biking the various bike trails in town.
- Child in sport
- Equipment is up to date and perfect size for my toddler, next to our daily walking trail
- My kids love the equipment and it is close to home.
- Softball
- Play ground equipment and Music in the park
- You have shelters if weather is bad. Be outside with the children in playground area. Go for walks. Lots of things to do.
- Kids like the playground and tennis courts.
- ?
- Things for all ages to do during the summer
- Large, clean and close to my house
- Close to our home
- Most activities to do.
- Baseball
- beautiful ball diamonds
- large park
- Great equipment, and our Strollerobics groups loves it
- Excellent equipment and close walking trail
- Involved with WLL
- Close to my grandkids home
- FUN, FUN, FUN!
- I always enjoy the walk along the river. The birds, occasional deer sighting and always changing plants.
- Because of the veterans memorial and the End of the Trail statue. It's a beautiful and peaceful park. The big detraction from the park is the high power lines running right above it. That could be improved. The view toward the power substation to the southwest could also be improved.
- n/a
- Thursday night concerts in July
- Parties in the park shelter, walking for exercise.
- Large open green space -- you can do so much: set up chairs/blankets and hang out, get a pick up game started. Lots of room to run around.
- Like walking the trails
- Near walking trails
- Kids like to swim
- Walking trails
- Close to home. Easy to take my grandchildren to.
- Just a nice comfortable modern facility with a great view. Clean, maintained.
- like to walk
- good running course
- location to our house and the options for the

- kids to play soccer or play softball or play on the playground equipment. Plus we use the fields to let our dog run around.
- Very pretty
- Close and nice playground equipment
- large, woods for hiking, pool
- It's got a nice playground and swings that keep all my kids busy. We also like the option of hitting tennis balls around and practicing baseball.
- The pool
- The shaded walking paths
- Lots of shade and it the one I grew going to.
- Why not. Wonderfully done.
- Close to home
- Walking distance from house.
- Use the trails for walking and biking
- it's close to home
- Disc golf
- nice skating facility - - children skated and now grandchild skates.
- I can let my pet frequent the park
- It is close to home and the facilities are nice. They have made several improvements over the last several years that have added to this. One of which is the bathroom upgrades.
- It's a great place to be on hot summer days
- We have small children and this park has the best playground equipment in the area for the kids to enjoy.
- It's nearby and my grandchildren like to play there.
- the river
- Location
- Proximity to Harry's mill park, art and history
- Disc golf
- The expanse, the quiet, the water.
- Equipment for young kids
- Equipment for kids
- Volleyball and softball are there
- Within walking distance of where we live, and the large trees provide shade on a hot day.
- My kids like the playground equipment at this park the best.
- It's close by and there's a bike trail
- It's a nice quiet park. Most equipment our 2 kids can do.
- Close to home
- It is a few blocks from our home. We like the playground.
- Beautiful with the water nearby
- I grew up at that park.
- Because its out by the golf course and by the swimming area. There are a lot of memories there
- My daughter told me it was her favorite
- Close to home
- Pool facilities
- Closer to home
- Very little teenage craziness and adult watchers
- Relaxing
- My kids LOVE it! It's easily accessible and connects well to the trail to county park.
- Fishing and view
- Sand volleyball
- "Because I take my dog and my Foster dogs there to play an meet other dogs. Work hard for this to become a reality in

- Waupun.
- "Scenery
- Close to my home
- I play ball there.
- My kids like to swim and this is the only pool. We enjoy many of the parks in Waupun. Usually well kept.
- It's beautiful! Boys love to fish there.
- Basketball, horseshoe, pickle ball, horseshoe, etc
- Landscape. Relaxation. Trails through this would be amazing
- Fun, clean, family oriented, exercise
- Love softball and great facility
- The playground is great.
- Beautiful
- It's a state of the art little league facility
- Close to home, and has the most equipment.
- peaceful
- love the nature trail.
- Like the walking trails and just great to go out and sit.
- Love how we have added walking/biking paths around Waupun to make it safe and promote a lifetime fitness activity that EVERYONE can use.
- love being by the river
- swimming
- Scenery/ biking options
- The kids can swim and so can we.
- Nice part of time. Nice equipment. Links to the walking path
- Open, beautiful, feels safe. Trails. Plants. Close to home ;)
- Discgolf course
- It has the greatest variety of outdoor recreation opportunities
- It's pretty and there are generally not a lot of people there. Love the walking path
- We love swimming in the beautiful pool
- Basketball courts
- "by the water...nice place to ride a bike.... nice flower area
- Fishing
- Swimming
- Cleanest and most to do. Good location and access.
- Disc golf course.
- my daughters play softball and with the many improvements they have made we can compare to anyone else
- Beautiful
- The size, solitude, trees, peacefulness and bike trails to the park.
- Nice trails to get to park with out traffic, the solitude because of the size and the trees.
- Because I grew up at this park and it's very open and love the new play ground equipment
- Girls softball
- Prettiest
- It's so beautiful.
- Feels like being in the country
- Very clean; nice neighborhood; kids enjoy the playground equipment
- Big and peaceful
- We always loved the shelters and lovely pool along the Rock River. We could make a day out of our visit
- Na
- The pool!!!!
- Camping, the woods, the pool

- The beauty, the hidden seclusion, the drive through it, the pool
- Softball, basketball, volleyball, and when we used to swim there
- county park
- Kids love the new pool!
- Scenery. By the water. History.
- The wooded feeling and trail connection to the park on pine st.
- The size
- My daughters play & these fields are the best in the state! Very proud how they look.
- The pool is awesome, we love it.
- kids love it there
- My kids love the pool!
- Facilities are the newest and in the best shape. Also it's beautiful and peaceful there on the Mill Pond/Rock River.
- Disc golf.
- Summer time it is our go to when it's too hot to play at the regular parks. Wish there was playground equipment though so kids can do both!
- Playground equipment is nicer, nearby families who visit seem more friendly
- Best playground, plenty of shade, easy parking
- The camping Golf and swimming
- Disc golf course, walking trails, dog friendly
- Fishing if that's the one by the cemetery
- Fun - inexpensive
- First one I ever went to.
- Close to our house
- Location
- Nice set up
- Trails and picnic areas
- Within walking distance
- Playground equipment, covered shelter with seating, and access to restrooms.
- Scenic trail along the river connecting parks.
- The wonderful disc golf course
- Pool
- I played softball there, and had many good times.
- Close to river, so very pretty. Usually not very crowded. Now with the addition of the nice shelter it has some shade. We like the walking trail, and the equipment is good for all ages.
- It is soooo beautiful! And to think it was an 'eyesore' in years past. Compliments to the city on the bridge, shelter and to the garden club for the gardens.
- Disc golf course
- The pool
- While bad, they have the best tennis courts.
- proximity
- Close to home
- Closest to where our family gathers most
- Most updated
- Country feel. I love taking pictures but the park needs an update.
- Close to my house
- Like the walking trails
- Disc golf
- Close to my house
- Because i like having a place to ride my bike other than on the road
- We love the trails next to it and the playground
- clean and shady with trees
- Love the pool!
- Swimming

- Excess
- peaceful/excellent parking/easy river excess/ has multi uses
- Disc Golf
- Swimming
- It's the closest to myself
- Dog park
- I love taking photos. However with the aquatic center being built near by, it often busy in the summer.
- Has more to do just needs to be updated needs a grill there and new equipment
- Has the most events

## Q7 WHAT PARK DO YOU FREQUENT THE MOST IN WAUPUN?

- little league fields/park
- Dodge park for the playground, Aquatic Center for the swimming
- Soccer fields
- By hospital
- West End
- Dog park
- Baseball
- Dog park
- West end park by hospital
- Dog park
- West End park
- Meadow View Primary school
- Dog Park
- Little League Fields
- West End
- Baseball Fields and Hockey Rink
- West End Park by the hospital
- Same
- Baseball complex
- The dog park.
- Fern Street open green space
- Baseball complex
- Gus
- n/a
- Ice Rink
- Dog park
- Dog park
- Dog park
- West end

## Q8 WHY DO YOU FREQUENT THIS PARK THE MOST IN WAUPUN?

- It is near RRIS, so a nice spot for picnic between summer school and library programs
- Closest to where we live
- Because it's close to home. And it's the old cemetery
- Pickleball courts
- Pickleball courts
- Visit this park at least 4 times per week to watch games.
- It has something for each of my family members and is close to home.
- Close to our house
- On the walking trail and it is large. Wish it had better play equipment though.
- close to home and has play ground ,tennis and basketball
- My kids swim
- bike/hike trail
- Tennis
- Most options - disc golf, walking trail, pool, RRCC

- location
- Most space
- Near to residence
- It's a pretty park
- "Concerts
- Close to home
- Grandkids like it"
- Kids love the updated equipment/ playground
- My kids love swimming. My favorite is the boardwalk near Edgewood st.
- Walking
- My kids favorite
- Great swimming
- Dodge park (on Madison St) for the playground, Aquatic Center for the swimming
- Swimming
- Playground
- Basketball courts
- Swim
- Enjoy the walking trail, the wild flowers and the drive through the park.
- As above
- Nice size for get togethers.
- We like to swim
- Swimming
- Events held there.
- I love it
- Farmers market/Festivals
- My son loves the diamonds.
- Quiet
- It is a nice park.
- Closest, nicest.
- disc gulf and the river
- My kids love playing soccer
- Great way to get out doors... most outdoor feel since out of town
- It doesn't have a soccer field which is great to see.
- Large area.
- New play ground. Tennis courts
- Cause it is right by our house
- Soccer nets
- It's a good park to visit
- right now for soccer practice
- Closest to our home
- Across the road from us, nice walking area and nice play ground equipment
- Cookouts
- My kids use the soccer field
- Pool
- close to home
- Live near by.
- Within walking
- Soccer practice.
- Like the playground equipment
- Live closest to it.
- Walking
- could update the playground equipment and do something with the beach
- It's close to home
- Fairly close to home and we have little kids
- Location
- Kids like it
- Men's Softball
- West end is close to my house. Also nice to grab A&W and have a picnic.
- Can swim there
- Family Picnic
- Location
- Safe space for the dog to run
- Dodge
- Closest
- I like it
- Enjoy water
- Great for pictures and enjoying nature
- We just like the feel and having family

- time there (also love the new area built)
- Close to home
- Bigger playground for children, pretty statue, and in the middle of town.
- Scenery
- I can do a lot of activities here and there's something for everyone.
- location
- Because it's 1/2 a block from our house. We also love "the blue park" as my kids call it- (west end)
- Don't know. The one by the hospital. Easy access.
- There is a lot to do there!
- It is a great place to cool off on a hot day and meet lots of friends there. The season pass is a good deal, in our opinion.
- See above
- It is a lot of fun
- Same reasons as above.
- My daughter likes the superman on the wall so that's her favorite park.
- Clean, beautiful, water
- My son likes the playground equipment the most over the other parks.
- Bike trails
- Bike Trail
- The kids like it
- My kids love swimming
- Events held there
- Kids swim
- Clean
- Closeness
- Live across the street
- family gatherings, tennis
- Disc golf and the natural beauty of the park.
- Closest to me.
- Nice park.
- By our house
- close
- attend gatherings, in buildings in park
- To golf at Rock River Country Club
- "I sometimes have lunch here or just stop and take a walk..."
- "Sand volleyball
- Closest to home
- IT'S NEAREST TO OUR HOME-BEST PLAY EQUIPMENT FOR CHILDREN.
- Same
- To walk the dog on the trails and visit the aquatic center.
- Close to home
- Its kid friendly clean and close to the hospital :)
- "scenic
- Closest to home

- Same reasons as above
- It's across the street.
- Same as above
- "Same as above
- Love riding bike on these trails!
- For softball and soccer and school
- Close to home
- Like to enjoy walking trail and board walk trail.
- Our daughters are in Softball
- Na
- Square footage and amenities I
- "Softball and soccer
- "
- My daughters are on 4 softball teams so we are down at the diamonds a lot and these parks are used a lot.
- Walking distance
- close proximity
- My daughter plays softball. We love to come practice and play our games here
- My daughter plays softball
- Family is very involved in baseball and softball. Medema Field were very frequent also
- Close to my home
- Close to home
- Daughter plays softball and like to help out down at the diamonds.
- It is close and affordable
- Kids play ball.
- Close to where I live
- See #6
- same
- Location & Activities offered - Basketball & tennis courts
- We take our dogs most every day to socialize and play in a larger area.
- Close to home
- Because the employees are always so happy
- and nice. I'm a single mom and it's a great place to find single dads!
- closest
- QUIET, LOTS OF GREEN SPACE TO RUN AND PLAY, GREAT PLAYGROUND EQUIPMENT, CLOSE TO WALK OR DRIVE TO
- Summer heat - a place to cool off and let the kids get exercise.
- Closeness
- Concerts
- Close proximity to residence
- Close to home.
- Closest to house
- Close
- I am part of a fitness group that meets often here to utilize the trail.
- summer concerts
- It's close to my house.
- "It is a nice walk from our home.
- I'm assuming this is the boardwalk behind Edgewater church! I walk this one the most and really enjoy the nature.
- Hiking trail, picnics, and a lot of trees
- it is the closest to our home
- quiet, nature.
- The water is calming even tho it's fenced off. Take the fence down.
- The quiet drive. Especially in the autumn.
- concerts
- Because it is right by my home, has horseshoe pits, good parking and lighting.
- Swimming
- Concerts in the Park and the Art Show
- Music in the park, and visits with my grandson for the playground
- I like to walk thru the park and campgrounds in summer and winter. Nice to see the families camping, very peaceful in fall/winter/spring. I like to see/hear the wildlife.
- like to walk the dog on the trails and bike ride. Also golf their sometimes.
- shoot baskets
- It is in our back yard.
- We spend many nights down there watching our children play baseball. It is very nice to have the playground there for our younger children as well
- I walk around it
- It is close to where I live and I enjoy watching the girls play ball.
- See 6 above
- My grandkids are involved in sports.
- see #6
- It has the best playground that is within walking distance of our house
- Playground equipment for my child
- Close
- Live close by
- It is convenient because of its location to our home
- see # 6
- favorite
- With kids in those sports, I am there all the time.
- Closest park to our house.
- Due to it's variety of activities offered
- Softball
- Its close to my home.
- Watch activities held there
- Softball
- Reasons above
- shaded and updated playground
- It's great except parking is always an issue!!!
- Closest to home and where most of the festivals are held, which we love.
- Kids in softball
- Softball
- It's closest to our home
- Girls softball for my daughter
- More events held there
- Swim aerobics/time with grandkids at pool
- Kids play baseball
- Close to home
- Close to home
- We live close
- Close to home, walking trails and fishing
- Close to home with tennis courts
- Swimming
- Trail access/nature
- To watch softball
- Equipment
- Close to home, nice to walk through, fishing
- Camping
- Softball
- Nice park
- I run through it.
- I use the walking trail to the county park from Pine St. park
- A safe, open space for our pets to get exercise.
- Music in the park
- location next to home; we can do what we 'want' in it...i.e. Frisbee, kites, soccer field, baseball/softball, kickball, etc.
- Pool
- It's on my bike route.
- softball games
- Close to home
- Proximity to home
- Softball and volleyball
- West end because it offers the most
- Closest to our house
- "It also offers music in summer, bathrooms, and a unique kids playground. Often times we appreciate the shade in summer, and pretty colors in fall.
- Softball
- closest to our house
- Music on the park.
- Love baseball and Legion baseball and watch my cousins in Little League.
- Softball
- Closest to home.
- I live right by there, but it could definitely use some improvements.
- Parties
- Nice playground
- Most things to do there. Basketball, tennis, horseshoes, playground. It is nice to have multiple things for all ages in one location.
- Beautiful park, clean, shelter, trails!!
- Swim lessons and swimming.
- Softball
- Close to home
- That seems to be where the events I go to are held.
- Kids like the playground and tennis courts.
- ?
- Closest to our home
- Same as above
- Close to our home. We live equal distance from Dodge and Wilcox Park and we prefer to go to Dodge Park.
- Swim
- Baseball complex
- Baseball

- baseball games
- Close to home
- Because it hooks up to a walking trail
- Our Strollerobics group meets there once a month
- Involved with WLL
- Love to swim!!!
- Kids ask to go every day in the summer
- Near my house
- I walk the trail to help get my 10,000 steps in each day.
- Because my 2 daughters play softball and it is a great facility.
- n/a
- Park shelter activities.
- Most of the events I attend are held at this park -- probably due to the shelter/restroom space combined with the tennis courts, horse shoe pits and play area.
- The trails and wildlife viewing
- Near walking trails
- Kids like to swim
- Walking trails
- Close to home
- Board Walk for walking/biking. Green area that's a bit on the wild growth side. Outdoors environment area.
- close
- running path
- The kids can bike there and we enjoy taking the bike trail over there. Probably spend 3-4 days a week in the summer over there
- Close to home
- Close to home and playground equipment
- close to the grandkids house
- We've got swim lessons each summer and enjoy playing and swimming at the aquatic center.
- The pool
- Closest to home
- Close to my parents and like driving through in the fall for the colors.
- Festivals and Farmer's Market.
- Pokemon go
- Closest to my house.
- same answer as #6
- it's close when grandkids come over
- Disc golf and play ground
- Nice skating facility
- It is the only park dogs are allowed
- It is close to home and has many options for my kids. Love the ball diamond to practice.
- It is near to where we live
- We have small children and this park has the best playground equipment in the area for the kids to enjoy.
- To exercise my dogs
- proximity
- Swimming
- Proximity to the mill pond and Shaler Park, access to trails
- Location nearest to our home
- "Concerts in the Park
- It's a beautiful park (except for the women's rest room)."
- Swimming
- Equipment
- I play volleyball and my husband plays softball there.
- Kids love basketball courts and playground
- Within walking distance of our house.
- It's closest to our home.
- Location
- Family lives near then park
- Proximity to my home
- We live right by it
- Close to home
- It is a few blocks from our home.
- Close
- I like to walk my dog there.
- Close by my house
- Most of the festivities are held here
- Close to home & walking distance
- Location
- Closer to home. Decent playground, but lots can be added to it.
- Close to home
- Son loves to swim & hang out with friends.
- My kids ask to go there the most!
- Coach girls softball
- Running and biking
- For my dog
- Close to home
- Most activities
- I grew up there. It is the biggest.
- Due to swimming.
- Close to our house
- Walking
- Softball and baseball, soccer
- Close to home, centrally located, clean bathrooms, great toys
- Water
- It's around the corner from our house
- We live very close by. It would be great to have some updated playground equipment though as one of the slides was broken and never replaced.
- Close to home
- Close to home
- We live close to it.
- Near my home. Swings for my child.
- Location
- Live close to it
- Close to home
- swimming
- scenery/ walking and biking options
- Close to our house
- We picnic there. Go for a walk and then play. Feel safe there
- We don't go to this park much. Sad to see pool run down. Old equipment.
- Disc golf course
- youth sports
- It's closest to my house
- Proximity to our house
- Basketball courts
- closer to home....nice playground, needs more shade and more benches though...one or two by the swings would be nice. enjoy the summer concerts
- Fishing
- Watch ball games
- Close to home
- Woods, space.
- Great disc golf course.
- closest
- Great area to relax
- The proximity to my home and the calm feel of it.
- Close to my home and a beautiful peaceful park with great shelters, a fountain, and gazebo.
- Girls softball
- Close to school
- Watch a lot of baseball and softball
- Swimming for the kids
- Larger than the ready
- It's scenic and nice to eat lunch under the shelter
- Closest to home
- I have three daughters all in different softball leagues.
- Camping
- Kids. Swimming.
- Same as previous answer
- It's close and used to have a pool
- "It's right across from our house.
- Pretty
- Closest to our house
- Just because of varsity softball being there the most
- It is close to our house and we like the playground equipment.
- close to home. summer swim pass
- Nice location on River- close to our house-kids enjoy it- close to bike trail
- More annual activities held there.
- Disc golf.
- Kids can do more then just swing on swings
- Softball
- Best playground, easy parking, shade, close to home
- Camping, golf, swimming
- Disc golf course
- Closest to home
- Kids use summer park program there.
- "Girls play softball.
- "
- We don't go to too many parks very often
- Softball
- Across from my daughter's house for my grandson
- Wildlife viewing
- Close to home and the equipment is nice
- We use the walking paths.
- That is where the festivals take place
- The amazing disc golf course
- Nearby home
- This is the park down the road from my house.
- We love to swim :) And we don't have a pool in our own backyard so we go there.
- one reason is the concerts, also the craft show.
- Disc golf course
- The pool
- tennis
- open space
- Close to home
- Closest to family get togethers
- Tball games
- Closest to home and enjoy all the festivals held there.
- Location
- Do my walking g with my dog there
- Disc golf
- Close to my house
- Because its the only place in town to ride my bike
- We walk by it on the trails
- to relax
- We live very close.
- swimming
- walking the board walk/sight seeing

- Disc Golf!
- Biking, swimming, camping, river
- Same as before
- Mc Cune
- Closest to home. Also enjoy all the festivals held there. Wish there was more seating all year long.
- Closest park with safest equipment
- Softball games

#### Q14 DO YOU OR MEMBERS OF YOUR HOUSEHOLD COMMONLY (AN AVERAGE OF AT LEAST ONCE PER MONTH) DRIVE SOMEWHERE OUTSIDE OF WAUPUN TO USE SPECIFIC RECREATIONAL FACILITIES?

- State parks, for hiking and beaches
- To use the State bike trails (Sparta, 400 hundred, Door Cty, Minnesota City loop etc) - to bike
- State bike trails (Sparta, 400 hundred, Door Cty, Minnesota bike loop, etc) - to bike
- ATV Trails by Tomahawk and Camping by Wautoma/Mecan River Tubing
- hiking and boating
- Green lake park
- horicon marsh bike trail
- Fond du Lac Aquatic Center for swimming, Taylor Park in Fondy for swimming, Center Court for tennis (however they closed for good in May), Fond du Lac YMCA for the pool and exercise equipment. Indoor pools are great for year-round physical therapy.
- Do to the lack of space at the pool we won't stay in town. It needs to be bigger before I will bring my family
- Ice rinks, YMCA for indoor swimming
- Ymca
- Beaver Dam ymca for swimming lessons
- Camping
- Lakeside park
- Adult exercise program in BVD
- Biking trails.
- Kolher Andre and Devils Zlxke
- We travel to Fox Lake to use the outdoor pool. We also like to go to Beaver Dam to Water Works Park near the lake. We also like to use the outdoor ice skating rink on the lake in Beaver Dam.
- Clear lake state park in Vilias county to water ski
- Sheboygan to Kohler Andre State Park for beach, Pike Lake in Hartford for beach, picnic area and kayaking, Horicon Marsh on north and south ends to hike and go birding, Mayville City Park for events, Lake Geneva for beach, Green Lake to fish and swim and picnic.
- State parks and trails for hiking

- Door County- shops"
- Baseball
- Fond du lac for the skatepark
- Playground
- YMCA
- Green Lake. Boating and fishing
- Find du lac / Oshkosh soccer
- Fox lake golf course
- Walking marathons
- "Lakeside park, Fond Du Lac
- Menominee Park In Oshkosh
- horicon marsh trails
- I do not live in city, only member of service organization in Waupun.
- Horicon Marsh, hiking trails, state parks. All for hiking and walking
- "I drive to the YMCA in fdl ....using Silver Sneakers to take swimming fitness classes....
- and yoga
- State Parks.
- Door cty biking and birding
- Fondys sports complex, monkey joes,etc. Family friendly indoor activities
- Beach in green lake, Devils lake hiking and swimming
- Hockey facilities
- YMCA TO SWIM
- Door County State park
- State campgrounds
- Yes only if you are including state parks for hiking or kayaking
- State parks fishing
- Camping
- PICNIC, OR FESTIVALS.
- Menominee park
- Falk sports
- Bike trails, Elroy Sparta REEDSBURG
- Beaver dam for the ice rink in the summer, fond du lac for the fondy sports park as well as their new aqua park because we like the beach better
- During the summer, we like Devils Lake, Tuttle Lake, High Cliff, and Peninsula State Park
- Softball fields at Lakeside Park in

- FDI
- Beach, picnics, canoe facilities
- movie theaters, zoos, lakeside park, beaches,
- Indoor Swimming Pool - Beaver Dam
- state parks
- The dells to Devils Lake, or other lakes to kayak and boat. We may also go to other state parks in and out of Wisconsin to sight see.
- Lakeside Park in Beaver Dam
- Archery club in Fond du Lac.
- Camping and fishing
- Lakeside park find du lac
- Lakeside park in fond du lac, and waterworks park in Beaver dam frequently, other parks around the state to explore.
- up north
- We go camping in many different state parks
- Fox Lake pool
- Fond du Lac County Pool swimming or Elkart Lake
- Beaver Dam Waterworks Park and Lakeside Park in FDL . Visit with friends outside of Waupun.
- We travel all over the state for camping. We go camping in parks that offer fishing, trails and swimming.
- Just for softball
- We go to fond du lac to practice on their soccer fields. Nice even playing fields
- Waterworks park in Beaver Dam and Brandon spark for softball league
- We go to Wautoma where we camp because it has a dog friendly swimming area.
- AROUND THE STATE, VARIES DEPENDING ON WHAT IS PLANNED, COULD BE A DIFFERENT CITY PARK OR A STATE PARK
- Horicon water park, Columbus Aquatic Center
- Soccer, swimming, gymnastics, movies, lake and beach play
- FDL parks, Winneconne parks, Green Lake Cty. --Boating, picnics
- We use the YMCA in Fond du Lac because I am a member there. We swim and use the child watch so I can workout/teach classes while my kids are in the child watch since I stay at home in the summer.
- Horicon Marsh--photography, bird watching, animal watching, walking.
- Beaver dam ymca
- State parks, Hobbs woods, Mayville trail, wild goose trail, the marsh. All for hiking with our dog.
- state parks for camping
- private land/pond
- Horicon Marsh - Waupun side.
- Drive to various rail-to-trail bike trails in the state - Mascoutin Trail, Fox River Trail, Eisenbahn Trail, Wiowash Trail, Glacial Drumlin Trail
- Just for car rides
- YMCA Beaver Dam for deep water aqua jog
- 3 times per week
- Take Kids to Horicon Marsh Bowmen
- Went to Mayville for swimming and also Beaver Dam
- Lakes with beaches and boat access for swimming, hiking trails - Devil's Lake, Green Lake
- We love waterworks park in Beaver dam for our little one.
- YMCA in Beaver Dam
- We go for rides to see our beautiful State Parks.

- Various parks
- Indoor pool at ymca. And bmx parks
- Multiple cities that have indoor rec centers for basketball/volleyball tournaments
- All over softball and baseball
- Green Lake- swimming, Lakeside Park- kids rides, Devils Lake- hiking, Sheboygan- beaches
- Fishing
- Beaver dam ice rink
- Winneconne to fish
- Devils lake-Beach, Fond du Lac lakeside park-outdoor fitness equipment, green lake- kayak rental
- Beach fishing hiking
- Fond du Lac for soccer
- Lakeside park for rides, lake and wild goose trail for running/walking and horizon marsh for running/walking
- Hobbs woods
- The ice rink in Beaver dam
- "Tomahawk WI Pickle ball
- Kettle Moraine & Devil's Lake to hike and run.
- Ymca Beaver dam for indoor swimming and basketball
- I'd prefer not to share.
- "BD -- Waterworks Park - all inclusive
- Fox Lake -- Pool
- Horicon Marsh Center, Riversedge (Saukville)
- many state parks within 1hr drive, i.e. Kohler-Andre"
- Prairie Athletic Club - fitness equipment/ activities
- Waterworks park- Beaver Dam
- Beaver Dam to the YMCA for swimming
- Horicon marsh
- We visit different beaches around the state
- Beaver Dam YMCA for indoor swimming.
- Swimming, camping, softball, quarry beach
- City of La Crosse for hiking and boating plus city festivals.
- State parks and beaches
- Tag center or ymca to use water
- Fondy Sports Complex, ATV trails up north, various lakes and beaches
- Ymca
- Hiking and swimming and fishing
- To take their kayaks.
- Other communities for sports.
- baseball complexes
- Waterpark,
- Beaver Dam water works park, Lakeside Park on Fond du Lac
- Baseball tournaments
- Ymca
- State parks or recreation areas.
- lakes
- we like to visit other state parks and trails to see something different, and to be able to walk 3-6 miles round trip
- Oshkosh Y for indoor soccer and Fond du Lac Soccer Complex.
- Lakeside Park in Fond du Lac.
- golf
- Green lake for disc golf and swimming
- Golf courses
- Beaver Dam and Fond du Lac YMCAs
- I answered no, but this fall our family is planning to get a YMCA membership in

- Beaver Dam to take use of the indoor pool facilities.
- The French Creek Recreation area to bicycle or to let my dogs run
- Maryville TAG Center swimming fitness
- Museum tours, farmers markets, antique shops
- State parks
- YMCA in Beaver Dam or Fond du Lac for swimming, TAG center in Mayville for swimming
- Indoor swimming for triathlon training and bike paths
- Love going to beaver dam to waterworks park, stuff for all ages there
- We drive to Beaver Dam to use the indoor pool at the YMCA of Dodge County.
- Swimming, mini golf, beaches, sporting activities for children
- YMCA Oshkosh. To play hockey
- Better parks, trails
- State parks, lakes for swimming etc.
- Multiple parks for geocaching.
- Canoes, kayaking, nature trails, boating, swimming at beach
- During summer, area ice skating rinks. During the winter, indoor soccer fields.
- Indoor baseball facility
- Sporting events
- The YMCA in Oshkosh and Fond Du Lac skating rink for practices. It would be amazing to have a year round rink and would be a huge benefit to the community.
- Beaver dam waterworks park
- Splash pad
- Private campgrounds
- YMCA. To walk the river walk.
- Biking/Walking Paths
- To walk in the Horicon Marsh
- Hiking at devils lake state park and parfreys glen. Swimming and camping at kohler andrae state park. Beaver dam waterworkS park. Beaver dam for year round ice skating
- Fondy Sports Complex -- miniature golfing and some of the other attractions; Lakeside park -- access to the lake
- Golf driving ranges
- Fondy Sports Complex....mini golf
- Other golf courses and other city parks
- YMCA
- The waterworks park in beaver dam wi.
- Press box for sand volleyball
- we like to visit the Lake Michigan shoreline
- Movie theater
- Brandon for co-Ed softball league. Various places for archery range. Beaver Dam/ Columbus for adult vball.
- Just to go. All over the place.
- "Wi dell's - just a game field house , chula vista dome
- Fond du Lac - do it all
- "In the summer, we go to Lakeside Park in Fond du Lac for the train/carousel and playground equipment.
- Primarily for canoeing- various places used.
- BD wsterworks, YMCA swimming in winter,
- National Parks all across the country.
- Oshkosh South Park. They are accessible to everyone and also have a great splash pad :)
- Ymca activities, pool in Beaver

- Dam
- Horicon marsh, marsh haven
- Camping all over and water aerobics Beaver Dam or Fond du Lac
- Disc golf courses for traveling disc golf league; canoeing and kayaking
- Little green lake boat launch for boating and fishing
- We have gone all over for track meets.
- Is the Horicon marsh outside of Waupun? We love to get an ice cream cone and then drive the auto trail while we eat it. We also like Lakeside Park in Fond du Lac because of the train ride and petting zoo. They also have more equipment with a softer base and snacks available for purchase when we are there (and in the winter they have the lights all through the park)
- all over the state to play disc golf
- camping and swimming
- Ymca for aquatic therapy
- Lakeside Park in FDL
- I go to fdl to ride on the loop bike trail. I also visit singletrack bike trails around the state
- go to the dells for the waterslides and go carts once a week
- Green lake for boating and fishing and beach
- Fondy aquatic center
- Arcades, do it all sports, fondy sports complex, water parks
- Area lakes to fish

### Q17 ARE THERE ANY PARKS IN WAUPUN THAT YOU CAN'T SAFELY REACH BY BIKE OR FOOT (PLEASE IDENTIFY NAME OF PARK AND CONCERN)

- None
- Tanner Park is too far from our home and Fond du Lac and Madison streets are both too busy to let our kids on them.
- Waupun's Fond du Lac County Park. There isn't any bike or walking path that leads to the Park or Pool besides the short jot along the parks river.
- Dodge County parks in Waupun
- No

- No
- No
- No
- No
- West end, traffic by hospital is high.
- No
- No
- No
- No
- None
- None
- All are unsafe as there aren't any bike trails that take you to the parks
- I wouldn't attempt getting to Horicon Marsh from town.
- Dodge Park -- traffic on Madison Street is a concern
- No
- No
- Na
- Not sure
- No
- Fond du lac county park
- Can't think of any.
- Unknown.
- No
- No
- "Fond Du Lax county park
- Rock River Trail
- Pine street park"
- No
- County Park, because it is too far away, and too much traffic.
- None
- No
- No
- No
- County park road has no bike lane
- Dodge park for concerts in the park. too busy of streets around it

**Q18 NAME A SPECIFIC LOCATION IN WAUPUN THAT NEEDS TO BE IMPROVED FOR BICYCLE OR PEDESTRIAN SAFETY.**

- Unsure
- "Connecting the existing paths to each other would be the best.
- Better way to get to the goose trail bike path"
- Fond du Lac and Madison streets, Watertown near Wilcox Park
- Through the County Park. It would be nice to see a designated bike path along the winding park road and from the south.
- County Road MM and Savage Road
- School routes could have better bike trail options as this might help parents feel safer to let kids bike.
- Highway 26 from Buwalda ace north into town
- N/A
- Everywhere
- None
- West End. One side of the block has parked cars from the hospital. The opposite side of

- the block sometimes has parked cars for horseshoe night & Beaver Dam St is a busier street - this only leaving one side of the block safest for pedestrian safety
- no
- City streets
- None
- ldk
- Main st.
- Educate public on proper biking etiquette ie. Lane changes/turns, where to bike, traffic
- put in a sidewalk where woodland drive and edgewood meet. the sidewalk ends for a little bit and you have to ride on the street for a bit. that road is very busy.
- Fond du lac st
- West End
- unsure
- Waupun County Park - designation for runners/bikers etc. through the paved road, wooded area.
- I wish there was a trail near or on highway 49 from Tom Dooley's into town. It would be nice to have a walking/bike trail into town.
- Bargains galore parking on south side of main. See problems all the time.
- South Grove Street
- Cross walks with better marking at busy intersections and near schools and parks. Reduced speeds by all schools (wee care cars come flying over the tracks and there are always kids present along with a bus stop there)
- None
- Park on 26 by the bus department
- N/A
- NA
- County Park Rd south of where the sidewalk ends
- Mill pond
- Rock River is always a concern with school traffic flow.
- Whooley Road/ Savage Road
- none
- no
- Wilcox park
- Na
- Main Street
- Citco, on main St. My daughter has been almost hit by a car riding her bike to school.
- ?
- County Park Rd between Main and Oriole
- Both entrances to waupun county park.
- Main street!
- Beaver Dam Street going South out of town. It is within city limits and there should be wider shoulders or sidewalks.
- From city bike trails to Wild Goose Trail
- Edgewood area walking trail
- Simply getting around Waupun. Fond du lac has an amazing system of bike trails!
- Johnson West End Park area due to the hospital parking and during the school year additional traffic.
- Waupun county park
- Lincoln st
- Lincoln street, count park road
- The stretch of road on Hwy 26 from apartments to the new road by Brittain House
- County park roads
- Main Street
- sidewalks that connect S. Madison St. to Waupun Utilities (by Libby St.)

- County Park needs a bike / walk lane added
- Through the county park woods
- Aquatic area
- The connection from out by Buwalda dr (etc.) to the center of town. There are no sidewalks on 26 at first and the other connection is gravel.
- East end of waupun
- South east side to the trail
- East side of town along frontage road to rock river
- Na
- None
- County park
- I am not sure
- N/a
- sthy 49/ushy 151
- Brandon and meadow view street
- N/A
- Pool parking on roadside is unsafe
- MOST AREAS OF WAUPUN CAN BE IMPROVED FOR BICYCLE OR PEDESTRIAN SAFETY, BUT OF MOST CONCERN ARE NEAR SCHOOLS AND NEAR PARKS WHERE YOU HAVE BIKE AND PEDESTRIAN TRAFFIC
- West Jefferson street and tracks. Road is in disrepair and bikes easily tip. Have to walk over tracks and extra caution pay factory there as road is in bad shape and really bumpy.
- the self serve cross walk buttons need to work at ever intersection and all the time. They Do NOT.
- The crosswalk on main st / Watertown street was not working when I pushed the button on the one side. I tried it a couple of times and finally had to walk when it was orange. This is unsafe to me. Maybe just make sure all buttons are working.
- Lincoln street could be safer
- Brush/grass cutting along Rock River Trail and along river to County Park.
- path from town to Horicon Marsh parking lot
- Bike lanes downtown.
- NA
- Not sure don't bike
- Main Street
- From Waupun to the wild goose trail (but that is not in town)
- I feel it is very dangerous to cross main street with my children, regardless of whether I'm doing so at an intersection with traffic lights or stop signs. Parking is allowed too close to the intersections - parked cars obscure pedestrians and make crossing more treacherous.
- Savage road could use a bike lane
- Main Street . No one stops for people on bikes or walking
- Main St. Intersections are scary to cross.
- No
- All
- unknown
- All of Waupun roads. Usually you see kids riding their bikes on the sidewalk. They are not taught correct bicycle etiquette & safety.
- A paved path between Shaler Dr. And the High school would improve safety for our kids as well as increased usage.
- Main St.
- RR Intermediate School. There is no sidewalk area on Spring St. on the school side of the street off Madison St. It is a blind corner

when cars turn off Madison St. and any kids walking or biking cannot be seen until cars are fully around the corner.

- Main st
- County park rd from main to oriole st.
- By the hospital
- County park road from main street to blacktopped trail that begins by oriole street
- County Park
- I don't know.
- The crosswalk by hospital. NO ONE STOPS!!!!
- West main from pizza ranch to Helens kitchen
- N/A
- Harris Mill Park-cemetery could really use new pavement. Very poor condition.
- All of the major intersections -- especially Hwy 49 & Gateway Dr by McDonalds -- but Hwy 49 & Watertown, Madison, Beaver Dam/ Brandon streets. And, I've also seen a need for something by Hwy 49 & West St down by Mike's Wild Boar Liquor Store. Also, for what it's worth but something to consider, while not recommended, I bike AGAINST traffic on the outskirts of town due to the increase in idiotic drivers looking down and texting while driving -- this way I can see the cars approaching me and if they're swerving into the bike lane. In town, I feel a bit safer biking WITH traffic lanes because there is extra space on the road but I appreciate the bike paths because then you don't have to worry about the crazy car drivers not paying attention!
- By the hospital, very dangerous using crosswalks, traffic doesn't stop on beaver dam street.
- All of it, excluding the existing bike trails. Main street is a hot mess, but side roads are
- southeast corner
- not sure
- None
- Main street
- The Fond du Lac Street bridge over the Rock River
- Bike trail crossing 151 to marsh trail and bike lanes on bike trail streets
- Down town,
- West end park
- Main street
- Jefferson st
- Along Main Street by 151
- Edgewood street
- "County park
- Most of them need alot of work
- South of main street, the bike path only runs in Fond du Lack county.
- County park not black top trail but along roads
- West main down by farm and home
- Corner of elm and grace. Corner visser and elm
- In the town, not many areas to bike. The roads I don't feel safe for my kids.
- Ball fields
- Lincoln street and Watertown street. When school is in secession
- Main Street.
- Would love to see the bike path hook up to the Wild Goose Trail somehow.
- All areas..Let's get the bike trail finished
- aquatic center
- county park
- Would be amazing to get to marsh from town
- We need safe routes to school -- other

communities that invest in young families are making strides to create separate bike paths to/from school. Currently we have a lot of traffic congestion around our schools and this needs to be addressed to keep our kids safe.

- Franklin Street, especially between Mill Street and Brandon Street. The street lighting isn't the best and there is quite a bit of foot traffic. I don't always feel safe walking on Franklin Street after 7 or 8pm
- "Fond du Lac St Madison St Main St Watertown St
- The roads with more traffic"
- Madison st....traffic and full of cars trying to ride to the park past the prison area. Please put a couple bike racks in the downtown area when we are stopping in to those businesses..
- Edgewood road
- Around the high school. It is horrible when the baseball fields are used and cars are parked on the road it becomes a very dangerous area.
- Na
- county park road
- STREETS, DRIVERS WAY TO FAST
- Between the dedicated trails..ie, Savavage Road could be widened
- Main st.
- Can't think of any.
- County park road from Main Street to oriole street- biking on road is only option- and is difficult on this busy road with kids!
- The whole city!!!
- County Park in Waupun.
- Stop sign at carrington and main should just be a light. Need a stoplight at main and fox lake road. Also, Lincoln and Watertown after high school gets out.
- Waupun park side walks to it
- None
- Waupun County
- Walker street
- Main Street and any street by a school
- Main Street should have a bicycle path.
- I would like to see bike lanes and/or trails be connected to the downtown and parks
- Main Street, over by the High School
- Dodge Park
- County Park
- Waupun County Park along the river
- Highway 49 to get to the marsh/ wild Foose trails
- Madison street by Waupun utilites
- Around Medema Fields
- brandon street/savage road north and south of hwy 49
- County park road and MMM
- South Madison street
- Downtown area

## Q20 WHERE WOULD YOU PRIORITIZE THE LOCATION OF NEW BIKE FACILITIES, ROUTES OR TRAILS?

- To connect with the wild goose trail, or be a part of the gold star trail
- connecting with the existing trails

- On the east side of town.
- designate a bike roadway through the park, behind Pamida's old bldg., cross 49, pass the storage bldgs., another designated bike roadway back into town from 68 or through the field before Ballweg, etc. connect it with the path along Shaler drive than continue that path down gateway and connect to the path by the Community Center, have it across the road and continue pass the Mill pond and somehow get it connected to the path by Edgewood church.
- County road MM and Savage Rd
- Bike routes leading to schools
- Thru the county park
- not sure
- South side of town
- To go somehow from Waupun to horicon marsh safely..... On bike or foot
- McCune Park area
- All over
- Not sure
- ?
- Between waupun and fox lake
- From Waupun to Marsh trails.
- Anywhere
- Yes
- Close to river.
- Home
- near the east side of town
- 3
- Around the school
- Main st. To cwc
- extend the bike trail on county park road. you have to ride on the road for a bit to get to the road by farm and home. that is also a very busy road.
- West End
- Routes
- Walking trail by mill pond
- Expense
- Connect current trail to wild goose trail
- 8
- County park
- Scale 1-10----6
- Dodge county side of town.
- More near the suburbs.
- Towards the soccer fields at MVP. Lots of kids bike to their games.
- North side of town.
- In forests
- Either near the high school or out towards county park.
- Indicated above
- none
- By Central WI School
- Southwest side of town (CWC/Medema Park connector to other trail
- Near high school or east side of Waupun
- Na
- Waupun County Park
- No idea....
- Wilcox Park Or the county park by the aquatic Center!
- County park
- The County Park
- A trail leading out to the marsh from waupun. Or more trails in the waupun county park for biking walking.
- Beaver Dam Street.
- County park
- East side of town
- "In a wooded area where bikes can enjoy the nature.
- City to Wild Goose Trail
- Connecting out to Horicon Marsh Trails
- It would be important for our smaller town to put these at a higher priority.
- Would be nice to have a loop around Waupun
- Brandon street to Waupun county park
- Routes to schools
- County park to wild goose trail
- Leading to county park
- A trail from town to Horicon Marsh trails w/o risk of Hwy 151.
- moderate need
- If it goes to schools then higher priority otherwise lower
- Not sure
- either on the south end of town where there is maybe more room or by the trail on the north end of town
- not sure
- Through new subdivisions on the edges of town
- Minimum
- Expanding outward to the wild goose trail so people can bike from the city to the trail safely.
- From town out to the marsh trails.
- Into the South side of the city wrapping around Lincoln Street, and then back to County park would be great--one small portion at a time.
- No
- from the bike trail by the marsh into town (waupun)
- East end of waupun
- Horican Marsh
- Close to HWY 151
- Na
- County Park
- From east side of city out to horicon marsh
- South side of town
- Not very high because the bike trails seem to be in good shape but I do only use them a few times
- N/a
- join city of Waupun via sth 49 to the horicon marsh
- Not very important
- To and from schools.
- I'd like to see a path or sidewalk past the prison out to the nursery so then you can head back into town by the nursery toward the utility office. And a path out to county park. It's currently hard to stay out of path of cars.
- A better route through Forest Mound Cemetery
- County park
- We do not need more at all. very low use for the expense .
- Cty M, MM, Fond du Lac County Park
- Maybe upgrade Mccune park as this is the closest to me just run down. That would be great for the business/ busy side of town. The closest park for me is Tanner which is nice but a 15 minute walk.
- Extend the bike/walk path that goes from Pine street to the Waupun County park.
- to the pool and the Horicon marsh
- connecting to Wild Goose Trail.
- from town to Horicon Marsh
- unknown
- NA
- Off road bike trail out to Wild Goose Trail
- trails to get from Waupun to the Horicon Marsh
- Connect all the City Trails even thru county park with paved or boardwalks
- Not familiar with bike trails
- Gateway drive to the high school
- along the river
- Don't understand?
- rock river corridor
- See above
- Along the river going East out of town, this would have to go under 151 to the Marsh
- By the high school
- more along the river.
- Near Rock River
- from east end of Waupun to west end of Waupun
- "update McCune
- connect city trails to Horicon Marsh trail"
- Safe (dedicated bike lane or trail) connection from city of Waupun to Horicon Marsh Auto Route and Wild Goose Trail.
- schools
- East
- Within the town
- New bike trail should go to the high school and I would love to see it go to the marsh!
- Better connection to the marsh.
- Mc Cune
- I would say it would be nice but not a must.
- Near Meadowview school and the baseball facility for safety reasons of bikers. Traffic around Meadowview school is awful during drop-off and pick-up and the city needs to work with the school to improve this.
- Continue building them to link into the Waupun Aquatic Center. We live near there and there seems to be a lot of kids biking around there.
- I would love to see the Horicon Marsh connected through County Park
- Yes.
- No sure
- High
- County park and near the high school.
- One from Waupun to Horicon Marsh Auto Tour would be amazing
- To have the boardwalk in town to be connected to the wild goose trail.
- Two fold: create a hub on the edge of town where rural residents can park their cars and hop on a bike trail (by the community center maybe?) and then also improve bike "parking" downtown / in heavy business areas so that people can bike to local establishments and have a safe place to "park" their bikes. It'd also be super cool to have better / safer bike access from Waupun to the Horicon Marsh entrance on 49. And a path from Alto to Waupun so rural residents could make use of the trails in town.
- Hook up with the Wild Goose trail to the east of Waupun near the Horicon Marsh.
- County Park
- Would love to have McCune Beach renovated into something beautiful again. It's a great location but it's too dark and too many "shady" characters hang out there now. Would love to see the bike trail continue so it was a full loop.
- Connecting all the parks in town, or at least the major ones, near the hospital, Madison St for concerts in the park, and the park on Watertown Street. There are very few safe paths. This is exacerbated by construction on Main St, but is a constant concern when I'm biking.
- medium

- humm, not sure
- Safety
- Watertown St
- "a trail thru the county park would be nice.
- a trail not on the highway to reach the wild goose trail "
- South and north of waupun
- 1. See 18 above 2. Although it would be expensive and therefore likely long range, a safer connection to the bike trail East of the City would be great, riding on or along HWY 49 is dangerous
- From Waupun to the Horicon Marsh
- With new development
- County park rd. Better but still a problem
- Down town
- trails
- Do not bike
- Outskirts of town, from town to town.
- Dodge county side of Waupun
- Dont kno
- Outskirts of town
- Out to the Marsh and Wild Goose Trail!
- Around the outskirts of town
- Low priority
- South East side of town near bawald park
- Dodge County, between the schools
- Medium
- Along highway 49 toward the Wild Goose Trail
- Schools
- Around the city would be nice . I would use any trail away from traffic
- I can get there but hard for my kids.
- 4
- designate routes in town.
- Would like to ride bike safely from one side of town to the other East to west.
- High Priority
- To the schools and out to the Marsh Trail
- west side
- bike route out to Horicon Marsh
- Biking doesn't appeal to me or my family
- SouthEast side
- Connecting bike path from Waupun to the Wild Goose State Trail; would help us promote the Rock River Trail and promote tourism.
- I wouldn't prioritize a certain location. I'd really be happy with anything within town or a few minutes drive
- County park area
- Fond du Lac County side of the city
- "if possible, along the river would be nice....
- the perimeter of the city, out to Rens nursery area and back onto Madison st...maybe behind the hockey rink and back over to the county park"
- Around and too the high school
- Around the high school
- Trail from the East end of town to the Wild Goose Trail or Horicon Marsh
- "I would like to see a bike trail from the East edge of town to the Horicon Marsh/Wild Goose Trail.
- Thank you"
- Around the south side of town
- Middle
- south of the high school and finish trails

- along river
- A dedicated trail from the Wild Goose Trail through to FdL county park
- Shaker/Mayfair area
- Any place longer biking trails can be put in.
- Connecting to the wild goose state trail. Riding a bike on hwy 49 is not so safe. And then bike lanes on Main, Madison, Watertown Edgewood/woodland, beaver dam st. Lincoln st.
- Where they are lacking and the area allows for them. The trails/routes added in the past have really added to the community in a positive way.
- ? Is there anything on south side of town? I would like a bike path to connect to wild goose trail too.
- All over the city!!!
- Should be easier to bike to both horicon marsh and waupun county park.
- 4
- Unsure
- I don't know
- Fond Du Lax county park
- By schools
- Main Street for a bicycle path.
- "Connect to Wild Goose State trail and Horicon Marsh
- For a track, over by the High School, for water actives, by the middle school.
- connecting the wild goose trail to the "boardwalk" trail that runs through waupun. There is no "safe" way to get to it with my 6 year old.
- The Marsh
- this is a poorly worded question.
- A trail that runs thru the county park by the frisbe golf course would be ideal!
- Easily getting to the marsh and wild goose trails.
- yes
- Fairly high
- County park / Edgewood area
- Highway 49 into town. That way the wild goose trail is close
- Middle of the list

**Q22 PLEASE USE THE SPACE PROVIDED BELOW TO IDENTIFY A TYPE OF NEW RECREATION PROGRAM OR SERVICE THAT THE CITY SHOULD CONSIDER OFFERING.**

- After school clubs that are not entirely sports related, us has science based activities (robotics or rocketry), and arts activities such as drama/theatre arts
- turning McCune park into a fishing pond
- I really wish we had outdoor basketball courts and baseball (hard ball) areas for the kids to practice in at their regular parks. We are not close enough to Medema Fields to let the kids go on their own and the neighbors at Wilcox harass the kids for playing there.
- I would like to see a new location for the senior center with better parking and availability. Would like to see a new facility center that is available for other Fall & Winter events or for indoor courts (like basketball, pickleball, tennis, baseball cages) which is not available at the current community center because it is exclusive for hockey use only.
- Learn-to-play la crosse program for kids/

- adults. La cross is one of the fastest growing sports and nearby cities are currently looking at starting programs
- ATV Trails or Tubing in the Rock River
- Soccer complex
- New soccer fields
- more soccer fields, there are over 500 children enrolled in Waupun youth soccer and not enough space for fields
- An athletic complex for our youth..... And for our community
- Bocce Ball Court
- Indoor pool, indoor soccer facility would be amazing!
- I love everything we have and feel like it is kept very clean and are nicely kept up.
- Soccer
- Soccer fields
- Sports leagues for adults
- Better bands at concerts in the park. Ripon has a very booming summer concert series. We go there often
- Indoor pool
- Winter activities
- "Soccer and football facilities
- Tennis league
- New soccer fields
- Fitness in the park
- Soccer complex, please.
- Soccer fields
- Sports
- lacrosse league
- Splash pad
- "Runners Club - for all ages
- Biking Club - for all ages
- McCune beach cleaned up and use again. Sad waste it sitting there. Very nice thing to hv in town
- Soccer complex
- More space for soccer
- Indoor pool for all ages
- Soccer fields that work
- More pools and indoor facilities
- Soccer field
- Equine trails
- FDL has outdoor park with some workout equipment. My wife and I enjoyed that
- Indoor pool
- Frisbee Golf.
- Indoor track and pool for diving and swimming. Speed skating.
- Summer soccer league
- A soccer facility
- "An indoor sport facility that is accessible to other sports. Basketball monopolizes a majority of gym space from October-March.
- It would be nice to have an multi-sport indoor facility for racquetball/handball, pickle ball, volleyball, flag football, 9-square and soccer.
- Indoor soccer, indoor pool
- Air conditioning in city hall
- Soccer
- Ball room dance lessons for adults"
- Play 60 obstacle Course!
- Possibly another pool option because with only one pool in town, finding parking and places to sit once inside the aquatic center is hard, especially on hot days.
- Community dance evenings would be fun!
- Silver Sneaker programs for Seniors at Aquatic Center.
- ATV Trails at country park
- Kayaking rentals, launches.
- Some kind of indoor activity center for

- kids
- Groomed CC ski trails in county park.
- Atv trail
- "Consistent evening Taxi Service
- Ice skating other than the community center that is tied up with hockey"
- Fishing tournaments, hunting tournaments etc, that way it can bring out town closer and not have to many issues
- Archery/Shooting
- An actually gun range for handguns rifles and a clay range.
- Walking trails
- City exercise classes
- Soccer complex
- Expand parking at McCune. National Guard drills consume all parking, develop the end East of the Armory.
- Kayak group
- Does the park and rec dept offer a program for kids in the summer?
- More handicapped paths in parks so wheelchair bound folks can move around easier.
- I am very interested in the development of McCune Park. An open water space would be wonderful. PLEASE continue it as some sort of park. If we give up space, it won't be regained.
- New playground equipment in the county park
- Yoga in the park
- Archery
- Paintball or laser arena.
- Large castle type playground at county park. Mini golf.
- Tree planting with kids in parks as activities. Give them the opportunity to supply or pick the trees and locations help with care.
- Flood one of the tennis courts in winter for outdoor lighted skating, and provide a small temporary warming shelter.
- Update the playground area at McCune. Do something with McCune beach.... It's an eyesore!!!!
- "more winter shows
- Evening activities for kids and adults (a lot of people work during the day)
- Indoor facility for sports programs
- Exercise equipment in parks
- Bike Trails from Waupun to the Horicon Marsh, would be great for all! It might bring more people to the area.
- Indoor sports complex
- Na
- Handicap Accessible children's playground equipment and/or splash pad.
- Soccer/sports complex
- drone obstacle course
- Soccer complex. Need soccer all in one spot
- Soccer complex
- Outdoor Archery lanes
- Campground activity director to offer a program theme per month for campers, grow our campground, it brings money to our community.
- Yoga in the park something relaxing to get people outside. Also more options for things to do with your animals to get them socializing.
- Splash pad
- INDOOR POOL, CLASSES TO USE IT
- Indoor recplex
- 1)Dedicated, consistent HOURS for public ice skating. Not just for hockey. 2) a

- sledding hill that isn't the joke of surrounding towns.
- Community garden
- Indoor facilities
- "private run Mc Cune
- dog park on both ends of town
- Yoga / aerobics in the park
- Archery range
- neighborhood ice skating ponds like we used to have.
- yoga (not just yoga stretch)
- unknown.
- I feel the present is adequate
- Youth Archery in a secure, Safe Setting, to be used only under direction of an Adult or instructor. Must be Locked so there are no accidents. You can sign up for a Key at Senior Center....See Rachel
- Aquatic center
- Splash pad closer to downtown Waupun
- SkatePark ie fond du lac skatepark
- a walking and biking trail along the river
- Adult fitness equipment would be nice, but not sure how much it would be used.
- It's not exactly a reaction program and this would be a longer-term project, but I would love a more pedestrian-friendly downtown with room for something like sidewalk dining in front of restaurants. I imagine this would involve moving parking off of main street to side streets and expanding the sidewalks.
- Indoor facility
- Make the sports we offer more affordable!! It cost \$200+ to sign my sign my son for baseball because volunteer hours are filled so fast. I work second shift so if I get a night off I want time with family and watch my children play their sport activities
- I think something should be done with McCune beach
- I am unsure of what but I feel like this town needs to attract out of towners to help our economy.
- Indoor activity center for kids to have something to do in winter
- Soccer fields
- No recommendations except improvement of bicycle lanes.
- Better senior center with more attention towards health and wellness
- Improving the softball diamonds and McCune beach
- quarry beach where mccune beach used to be.
- Evening activities for adults in their 40's and above. Some of the senior center activities offered during the day could be offered at night. Yoga and zumba in the early evening (after 5:00) would be nice.
- A soccer complex or something indoor for winter activities
- Corn Hole League, In-town basketball league (something other then the Hoopsters which is lots of travel and weekends), bike park,
- "Kayaking.
- Not sure
- Ice rinks in parks again
- N/A
- Indoor pool
- I lead the Strollerobics group in town where mother/nanny's are able to get out of the house with their children and exercise while walking outside of using the Immanuel Lutheran Church in town which is donated to us. Someone once reached out to me for

- info to be added to the Rec. guide, but I have no idea where the info went and what was exactly put onto it, or who I even talked to. It was through email. So not sure if we are ever added to the events or calendar ever or not.
- I run the Strollerobics group in town for mothers/nanny's that want to get in some exercise with those children. The city has never contacted us about being added to anything other than their guide. So not sure if that means we are added.
- Would be of interest for a Shooting sports facility for trap, sporting clays, rifle/pistol range. Waupun has very little for this outdoors activity available to the public. DNR is looking for a partner and location for this activity and has grant funding available for development. Keith Warnke from the DNR is a contact persons out of the Madison office.
- "Community Exercise programs -- so folks don't travel to the Y for classes. Partner with Club Fitness / create an outdoor/indoor group exercise space.
- \*\*Biking clubs / meet ups
- \*\*Walking clubs / meet ups
- \*\*Family Activities at the parks"
- Archery
- "Outdoor ice rink/Pond hockey rink
- Year round ice at the community center"
- Indoor pool facility for year around use. Swimming is good for ALL age groups. Older citizens don't have the same opportunities at the outdoor facility.
- Bike club for kids to keep them active in the summer. One for adults would be nice too.
- Rock climbing, indoor or outdoor.
- All abilities playground
- Unknown taking trees down where sidewalks are coming up
- Flag football for adults and bean bag toss
- A pamphlet or website that maps out and explains points of interest for a bike/walking tour or tours of the City's trails & attractions
- None desired, just maintenance/expansion of existing.
- Out door integrative and historical walking bike tours or sculpture garden
- Maintain what is here already. Take sometime to view places already. Someone needs to come up with weed management. Statute areas as well as ball diamonds. WOW embarrassing!
- sports complex for high school
- Outdoor skating rink in winter
- I think a small park should be put by the mill pond near the picnic shelters, would be nice for people that live near it. The school is close but that equipment is to big for smaller kids
- Maybe a park like the Water Works park in Beaver Dam. Parks like such are very beneficial to children. Or an outdoors workout area/facility
- Sports facility
- N/a
- Pond hockey
- Dog parks
- Community activities for kids
- Kayak launch areas
- Skating rinks
- Planting trees in the terrace with more tree types allowed. Nothing like a tree lined street says welcome

- Soccer complex
- Year round skating and indoor soccer fields
- There should be a way to get from town to the wild goose trail
- Yoga in the park for summer.
- I really like how you have engaged our senior citizens with multiple opportunities to exercise and visit places.
- Wellness center
- Bring McCune beach back
- Indoor pool? Active sporting building year round. Splash pad or wet park by McCune
- The City should consider expanding arts and community education programming as part of a total recreation plan. Additionally, a community-wide wellness initiative would help to connect living here with some of our great outdoor rec opportunities.
- An indoor pool would be wonderful
- Children's dance
- "Mini golf...please maintain it better than the last one
- shuffleboard courts
- bocce ball areas"
- "Kayaking and river clean up out to wayside
- Fishing platforms along river"
- Ymca
- Raquet ball.
- Splash pad and indoor pool
- Splash pad
- Remote control airfield for model airplanes
- An archery range/ program would be awesome!
- Chickens and bee keeping. Alternative Energy usage and programs to educate and help home owners get alternative energy. Did I mention Chickens!
- Added support for soccer fields/complex.
- If you are gonna plant trees, plant fruit trees that people can freely harvest from, or that food pantry can use. Outdoor movies would be fun. Need more dog friendly places, maybe a dog obstacle course.
- Movie theater, indoor pool, sidewalks that actually go all the way to Waupun Park.
- More emphasis on the rock river
- Kickball
- Get back into the summer programs for the kids
- It would be nice to have an indoor pool.
- Enhance what we have
- Kayak
- A big sister programs after school to the younger kids, who don't have many friends
- A mom and me swim class would be nice. Also the senior center has some classes during the day, but evening classes would be nice for working parents.
- I would like to have more freedom with the use of harris mill park for activities-such as overnight use for organization (buck skinkers encampments-outdoor activity rendezvous-outdoor skills events)
- Kayaking, beach area
- I like the direction that the senior center is going

## Q23 PLEASE USE THIS SPACE TO PROVIDE ANY OTHER COMMENTS RELATING TO THE PEDESTRIAN, BICYCLE, PARK AND RECREATION SERVICES OR FACILITIES IN WAUPUN.

- None for now
- Perhaps new shelters at the 3 main parks in town, Wilcox and Dodge especially. The bathrooms are in need of updating and I find them scary for kids to go in.
- A Multi purpose facility for indoor use during the fall and winter months when it's too cold to be outdoors. There isn't anything available to stay fit during the cold season without joining a fitness center. Would like indoor pickleball courts
- FDL County should update county park playgrounds and amenities (not City).
- Trail connecting to horicon marsh trail would be nice.
- I LOVE THE board walk trail that was put in, and would love to see more of those types of areas. I love being in nature.
- Expand continue Rock River trail
- Walking trails are great and can be used by many. Keep them safe areas please.
- We would really like to see a dedicated area for the soccer program. It continues to grow and it would be wonderful for the program to have facilities to benefit those kids.
- None
- i love the new walking/bike trails we have
- Indoor rec fields
- Enough with the soccer push.
- new playground equipment at the county park
- None
- we need a soccer complex
- It would be nice to have a child safe walking/ bike path from meadow view to rock river since busing is not offered and 2nd graders through 4th graders are expected to walk to school without crossing guards.
- None
- No further comment
- It would be nice to replace wood chips with a solid recycled rubber flooring. Examples would be lakeside park in Beaver Dam...or Fond du Lac. Wood chips stick to clothes, leave splinters...all kids do is kick them around or pick them up and throw them in slides or other kids.
- NA
- "Feel the town has done a fabulous job the last few years in updating facilities (restroom / pavilion roofs, paving walkways, etc.) The one thing I feel all the parks really need is recycling bins. Every time I go to a park I look for them and only are garbage cans. It kills me. I hate throwing recyclables into the trash, and feel we need to place much more emphasis on recycling. Not just in the parks but as a city as well, but the parks would be a great place to start.
- 
- Could bathrooms be opened earlier in the year? There's been a few beautiful April / May days where we've gone to the park and had to leave early for a potty break.
- Lastly, I have noticed that county park has

seemed to be overgrown / not well taken care of 'landscaping' wise- at least compared to the other parks. I went there with my kids about a month or so ago, the sand vb court was a disaster (I pulled a few very large weeds from the middle of the court, it was that bad). Should either be removed or totally redone. The old plastic playset in the middle of the park is falling apart and missing pieces, and the sand around it needed to be refilled / raked, etc. there were multiple large branches down and lots of overgrowth / weeds / dead leaves still disintegrating from last fall. I know the pavilions have been updated, but it still needs some major love.

- Keep up the great work!"
- Soccer fields
- None
- The parks are actually quite awesome and we appreciate both the safety and maintenance of the parks.
- ?
- We have a beautiful boardwalk bike/walking trail, but it is becoming overgrown with grass/ weeds. This needs to be a priority to trim things back from the edges and certainly of the plants growing through the bottom. This is a huge treasure that gets tons of use--now let's keep it sparkling. Lots of people come to town to use it!!
- Love the bike trails. The boardwalk needs to be better maintained by cutting back or weed wacking the plants along the edge. They are taking over the trail.
- Revitalize, restore downtown. Do something aesthetic with empty lots.
- I believe Waupun is a beautiful city. I came from beaver dam, a city that has terrible parks and no biking/ walking trails. So I believe Waupun is right on track
- Bike lanes or paths. More development for the dog park to include a walking path or biking path.
- Expand bike/walk trails within the city and to the Goose Trail
- Need safer bike route to schools
- I think bike travel is getting to be a huge priority around the whole country
- Wouldn't hurt to have parks supervised more for child watchers
- None
- County park needs new equipment and repairs to concrete steps and clearing out broken cement under bridge.
- Get rid of the McCune Beach and put something else in place of the nasty beach!
- Only update if necessary
- We need a new track and soccer fields as well as indoor complex or sports will suffer
- Na
- "Waupun County Park's equipment is very dangerous. It is falling apart and the monkey bars turn, causing the kids to fall.
- The bathrooms at the parks have been very clean for us this year! "
- Soccer is a frowning sport and it does not have its own land. Softball football and baseball all do. Why can't soccer? Why make parents choose which child they should watch play and not see another child because driving across town isn't an option
- Would like to see more money spent towards softball facilities like the ball diamonds. Could definitely bring the city of Waupun more revenue during to tournaments cos people would want to come and play here and stay in our hotels.
- Bathrooms in parks need to be repaired in a

- more timely manner.
- KEEP UP THE GOOD WORK!
- I think lighting on the city streets and park facilities needs to be re evaluated. There are some dark areas in town I avoid even worth my dog. Speeding needs to be nipped and so does people running thru stop signs. This town is notorious for that.
- We are very pleased with the beautiful parks our city maintains.
- I think it would be wise to maintain and spruce up the already existing parks that are run down like McCune. There are a lot of really nice parks in Waupun!
- take the fence down and turn McCune beach into a picnic area w benches to use for ice skating and Winter events.. also add lighting
- Appreciate your asking for resident input!
- unknown.
- Would like to see McCune Beach become a natural wetland area with walking/biking trails around it
- Waupun County Park should have more play equipment.
- the courts at Wilcox have been failing for number of years and nothing has been done to upgrade it,there are weeds growing in our playground, sandbox has not been maintained
- I love the board walk and paved trails along the river
- The new director of the senior center is doing a fantastic job getting new activities going for the seniors. Proven by the increase in attendance!!!
- I think you have done a good job of the walking trails.
- fortunate to have good facilities
- Thank you, to WARP for the wonderful addition of trails along the river. We love them!
- Do not feel safe form kids not having better places to ride their bikes. Main Street crossing is a moms worst nightmare. Sports are expensive!!! And find a way to do it without raising out city taxes. Instead fundraisers ,golf outings, an event with local businesses donations to raise incentive for this town to be more affordable and attractive.
- Overall I am satisfied with the parks/recs but the restrooms are my biggest thing that needs to be cleaned up.
- Waupun needs adequate room for soccer and a new track would be beneficial to the school district and community.
- The windmill on Brandon St, should be working more often, it is a tourist attraction! I enjoy seeing it turning!
- "thank you for asking for input
- wish we had an indoor rec facility to use in winter months
- please consider toddler tumble class
- need more dedicated baseball and softball fields for kids and soccer fields
- See # 22
- I feel the bike and walking trails should be the one thing we make sure happens soon!!!!
- "I would like to see the community center utilized more in the months when there is no ice. Formal activities, maybe family game night where different activities are held in the space during the time period and parents whose kids are too small for summer sports or offer things done at the parks that working parents can't attend with their kids. There also used to be bands there on Saturday nights once or twice a month through the summer months and the crowds were huge. Keeps people and their money in town. Offer food as well. That building is totally underutilized.
- I would like to see the tractor pulls held a different time than Celebrate Waupun. It takes away from the festival because of the noise, tractor fumes and the parking and traffic problems it creates. Otherwise help them find another location."
- I have friends who walk the new trails every day and they just love it.
- More police enforced viewings of crosswalk by hospital on beaver dam street. Working there you wait, wait, wait for someone to stop or have to actually risk walking into crosswalk to get across
- N/A
- We at time can have up to 10-12 moms with strollers and 5-7 young bikers. We always enforce helmets and bike safety, but I wish I knew about the bikers safety program they had awhile ago. That would have benefitted us greatly. We always have them on the sidewalks when possible. The Horicon marsh auto tour is the most dangerous. Vehicles just do not slow down or pull to the side when they see our parade.
- Our group can have 10-15 moms someone's pushing strollers. Then 5-7 bicycles ahead of us. We try to enforce safety and keep them on the sidewalks. The most dangerous place is waking the Horicon Marsh Auto Tour, drivers out there just do not slow down. It can be very scary. I wish I would have known about the police departments bicycle safety program. I would have loved to have my group participate.
- Parking at the swimming pool
- Our current boardwalk is a great well used type of activity that we need more of related to hiking/biking trails for the public.
- Waupun is such a wonderful community and I'm thrilled that it is exploring improving the recreation options available to its residents. Let's partner with downtown to create a walk/bike/auto friendly hub to support local businesses and encourage physical activity!
- Waupun has done an excellent job with walking trails and their parks.
- Overall, I believe our city has done a good job with our facilities.
- bike lanes would be great for the kids who bike to school. It would keep them safe and allow parents to trust the kids to bike alone.
- The city has been doing great work, it would be great to see it continue in the coming years.
- None
- We need fun group activities and post them at every store in town so everyone knows about them and have a place to sign up that everyone knows about
- This survey was a good idea
- Recreation of Hotel Waupun, the classic theater for live plays, an active community theater, drive theater, drive in restaurant, a couple good quality supper clubs. A tour company that specializes in historical tours
- See 22 above
- cleaner bathrooms at parks, fix doors on McCune bathroom stalls
- Flashing lights when driving to cross main street neat shell and the other Bar. No one ever stops to let people cross the street
- Update bathrooms
- Mileage markers on trails would be nice
- We have a lot of great parks in our city!
- Safety around schools
- More picnic tables at celebrate Waupun. Maybe benches along main street so walkers could rest.
- More bike trails/lanes would be beneficial
- Year round skating and indoor soccer fields
- I walk often and see people on the trails all the time. This was money well spent in my opinion.
- Finish the bike trail
- A playground at Harris mill park. It has a great place to have an outdoor get together but nothing for kids to do.
- Generally Waupun has great outdoor rec facilities/amenities. We should commit to maintaining what with have and make improvements that complement those things.
- improve the BB courts at McCune...add bike racks to downtown.....need a LOT more parking at the aquatic center...more benches near playgrounds...benches downtown.. benches along the river (ie...across from hockey rink)
- Waupun is doing a great job with this. There just needs to be more parent involvement and education.
- None
- Watch kids on bikes better,
- Really, for a town this size, we are doing quite well. Thank u for offering this survey!
- We should focus on quality of parks and not quantity of parks. We have several parks that are borderline useless.
- More bicycle path options would be nice.
- "It would be safer to start moving crosswalks to the middle of the st. Why? When u stop for pedestrians in the middle cars stop rather than at an intersection they think you are turning and go to the right and don't see the people in the crosswalk.
- Can't say enough how much we love the pool; needs increased parking though. Also, this year swimming lessons have seemed to become very popular--maybe there's a way to increase swimming lesson offerings?
- I was disappointed that family passes at the pool is only for 4 people- but glad additional people are not a lot more. Dislike the height requirement for slide at pool- rather a swim test. Sad to see high dive go- replacement? Maybe a shoot slide or medium height diving board? More swings at pine street park. Not sure improvements at pine street park will be noticed- still no bathroom- and picnic shelter only fits one table (we did use it already) I love the park program in the summer- I can't wait to irises this more as my kids are getting older. Love the bike paths we have- like to see more.
- I wish they would keep Waupun Park up better like mowing the lawn
- More info on where to canoe or kayak. It's a great river but not many people know where to launch from
- I don't think we need a bike lane on main street
- All the parks in Waupun are great. I know we are a small city, so putting in designated bike and walking paths are a great expense. Overall, very happy with Waupun.

- Have painted or designated walk and bike paths that connect the parks, downtown, and sculpture.
- Make more bike trails
- Bike trails would be great, but it would be nice to see some fund raising efforts and not just leave it all up to the city to budget in... A board/wine painting night or 10 (hahaha) might raise some money, or "buy a brick" for a paved area of the bike trail, or buy a bench with your business name on it along the trail? Just some ideas.
- Parking on both sides of many streets can make biking safety very difficult for drivers and cyclists.
- More bike lanes and bike racks. Update playground at County park. More parking for aquatic center.
- The John Howard Gun Club would bring in additional people if it were expanded to accommodate more shooters. Would need larger clubhouse with plumbing and bathroom facilities. This could be used for other activities as well when shoots are not taking place, i.e. meeting place, receptions, etc. Expansion of facilities could also incorporate an outdoor archery range and 2 or 3 more trap houses to facilitate having tournaments and expanding youth program to enable participation in the state school leagues.
- Just an all around great city for all ages

## Q28 WHERE DO YOU LIVE?

- Town of Fox Lake
- Illinois
- Mackford. On Cty Rd E.
- De Pere
- Kansas
- Town of fox lake
- near markesan
- township of Alto,
- Beaver dam, frequently come to waupun. Will probably move back soon.
- Town of Oakfield
- Fox Lake Township
- Brandon
- O
- Florida 6-7 months of the year; Wisconsin 5-6 months of the year (WI locations vary between Dodge and FdL counties).
- 12 miles away

## Chapter 4:

# ANALYSIS OF NEEDS & DEMANDS

### 4.1 Quantitative Analysis

### 4.2 Geographic Analysis

### 4.3 Qualitative Analysis

### 4.4 Regional & State Trends

This chapter presents an analysis of how well the City's existing park and recreational facilities satisfy current needs in the community. The adequacy of the City's existing park and recreation system are evaluated using the following methods:

» Quantitative Analysis – a comparison of existing parkland acreage and population projections versus park and recreational facility service guidelines, including a review of the types and amount of parkland available to City residents.

» Geographic Analysis – an analysis of the geographic distribution and accessibility of park facilities in the City.

» Qualitative Analysis – a summary of public input regarding City parks and recreational facilities gathered through the community survey.

» Regional & State Trends – a summary of the demand or trends in recreational amenities at the county and state level.

## 4.1 QUANTITATIVE ANALYSIS

An analysis of existing recreational land area is provided to determine if the recreational needs of residents are being met. This analysis is limited to an evaluation of the space, or land, devoted to recreational use.

It should be noted that the calculations below **exclude** Waupun’s prison population. Waupun is in a unique situation where a large portion of its population is institutionalized. There are three state prisons in Waupun: Burke Center, Dodge Correctional and Waupun Correctional. The 2014 estimated prison population in Waupun is 2,433 (2014 ACS estimate for the population living in group quarters).

Currently the City is providing approximately 61 acres of parkland, not counting school facilities, county facilities, or private facilities. This translates to .007 acres of parkland per person, or 7.0 acres per 1,000 residents, the same as in the year 2010.

Table 4.1 City Park Acreage Existing and Projected Surplus/Deficit

Total Park Acreage Surplus/Deficit (in acres)					
	Year	2014	2020	2030	2040
Population		8,903	9,377	10,012	9,897
Total Supply (acres)		60.9	60.9	60.9	60.9
Demand (10.5 acres/1,000)		93.5	98.5	105.1	103.9
Demand (15 acres/1,000)		133.5	140.7	150.2	148.5
Surplus (10.5 acres/1,000)		-32.6	-37.5	-44.2	-43.0
Surplus (15 acres/1,000)		-72.6	-79.7	-89.3	-87.5

Table 4.2 City Park Acreage Existing and Projected Surplus/Deficit by Park Type

Park Acreage Surplus/Deficit by Type (in acres)					
	Year	2014	2020	2030	2040
<b>Population</b>		8,903	9,377	10,012	9,897
<b>Mini-Park</b>					
Low Standard (0.5 acres/1,000)		-1.8	-2.0	-2.4	-2.3
High Standard (0.5 acres/1,000)		-1.8	-2.0	-2.4	-2.3
<b>Neighborhood Playgrounds/Parks</b>					
Low Standard (2.0 acres/1,000)		-0.3	-1.3	-2.6	-2.3
High Standard (3.5 acres/1,000)		-13.7	-15.3	-17.6	-17.2
<b>Community Playfields/Parks</b>					
Low Standard (8.0 acres/1,000)		-43.4	-47.2	-52.3	-51.4
High Standard (11.0 acres/1,000)		-70.1	-75.3	-82.3	-81.1
<b>Special Purpose Park</b>		No Standard Applicable			
<b>Nature Preserve</b>		No Standard Applicable			

Table 4.1 summarizes the current and projected supply and demand for total parkland acreage based on City population. For the purpose of calculating anticipated parkland demand, a level of service of 10.5 and 15 acres per 1,000 residents was assumed. A loose target traditionally provided by National Recreation and Park Association (NRPA) is 10.5 acres of parkland per 1,000 residents (0.5 acres for Mini-Parks, 2.0 acres for Neighborhood Parks, and 8.0 acres for Community Parks). Since year 2010 it has been the policy of the City to strive for 10.5 acres of parkland per 1,000 residents.

Using a level of service standard of 15 acres of parkland per 1,000 residents the City currently has a deficit of 72.6 acres. Assuming the population projections are correct, and the City does not add additional parkland, the total deficit will grow to 87.5 acres by the year 2040.

Table 4.2 summarizes the current and projected supply and demand for parkland acreage by park types, using the lowest traditional service guidelines provided by the NRPA and a modified high standard of 0.5 acres of Mini-Parks, 3.5 acres of Neighborhood Playgrounds/Parks, and 11 acres of Community Playfields/Parks per 1,000 residents. It should be noted that the information in Table 4.2 groups neighborhood playgrounds within the neighborhood parks classification and community playfields within the community park classification in order to provide comparisons with the NRPA guidelines.

The results of Table 4.2 indicate a projected deficit for all types of parks through 2040. It is important to note that school-owned properties are not included in this analysis. The school-owned properties do indeed play a vital role in filling the community playfield needs of the residents of Waupun; however, because access and maintenance are not regulated by the City these facilities were not included in the analysis in Table 4.1 and 4.2 nor were County or private recreational facilities mentioned previously.

Although the total acreage of park and recreation lands is an easy indicator of the presence of parks and recreation space, it is not the only indicator of whether a community is able to meet the park and recreation needs of its residents. The NRPA advocates that the location of parkland,

and the types of recreational facilities offered on that land, are just as important as the total acres of parkland. A community with a lot of parkland, but few recreational facilities, is less likely to meet the needs of its residents than a community which has a lesser amount of parkland, but has a larger variety of recreational opportunities.

## 4.2 GEOGRAPHIC ANALYSIS

The location of park and open space facilities in relation to the City's residents is an important indicator of how well existing facilities are dispersed throughout the community. The National Recreation and Park Association advocates that all residents should live within a 1/4 - 1/2 mile of some type of public park or open space. The Park Service Areas Map in Appendix C indicates areas of the City that are not currently served by a City park; that is, they do not fall within a 1/3-mile service area of any City park. The map also illustrates service areas based on park type, including 1.5-miles for community parks and 1/3-mile for all other park types. Areas currently zoned for residential uses that fall outside of these service areas are also highlighted.

The map indicates the following deficiencies in the location of parkland:

» A portion of the residential neighborhood north of Edgewood Drive and east of Savage Road is underserved by all park types with the exception of Community Parks. Also in this area, to the east of the railroad tracks and just outside of City limits, there are several residences that are outside of the City Park service area but within the Community Parks service area.

» The residential area south of W Jefferson Street, between Walker St and S Division St and north of W Lincoln St is underserved by all park types except Community Parks.

» The neighborhood north of Waupun Junior/Senior High, roughly bounded by E Lincoln St, Carrington St, W Jefferson St and the eastern boundary of the City, is underserved by all park types with the exception of Community Parks. Waupun Junior/Senior High does offer a baseball field, soccer field/football field, storage shed, outdoor high/low ropes challenge course and an open playfield.

An analysis of the distribution of specific amenities within the parks was also performed. The Park Facilities Distribution Map in Appendix C shows that parks with the greatest number of amenities are currently located near the edges of the City. The greatest number of City parks are located north of Main Street near the Rock River. Other highlights from the map include:

» The neighborhood to the south of Industrial Drive is currently served by Buwalda park which offers limited facilities including playground equipment, a basketball court, shelter, restrooms and drinking water.

» The northwest portion of the City has access to playgrounds and recreation equipment at Waupun County Park, while City Parks in the area primarily offer facilities primarily focused on river recreation (e.g. fishing, hiking, swimming).

» There are opportunities for biking/walking along the Rock River (Rock River Trail) in the northern portion of the community and along US 151 on the east side of the City where the Rock River Trail heads south.

## 4.3 QUALITATIVE ANALYSIS

As part of the update to this plan, the Parks and Recreation Department administered an on-line community survey to gather residents' opinions regarding City park facilities and recreational programs. The survey was available online and hosted on Survey Monkey. A total of 651 people started the survey and 540 responded to questions through the end of the survey. The following is a summary of responses to key questions. Refer to Appendix A for the complete results.

### PARK ACTIVITIES

»50% or more of survey respondents or members of their household commonly participate in biking/walking, using playground equipment, swimming and using the ball diamonds.

»89% of respondents indicated they do not have any safety concerns with City parks. Of those that had concerns, primary topics included outdated playground equipment, poor lighting, proximity of park facilities to waterways and the accessibility of restrooms.

»The top five amenities respondents would like to see added, improved or expanded in Waupun include an indoor pool, indoor athletic complex canoe/kayak facilities, off-road walking/biking trails, and soccer fields. Other common open-ended responses included more recreational activities for youth and adults, ice rink, walking/biking trails and ATV trails.

### GENERAL USE - PARKS & OPEN SPACE

»The most common responses when asked what respondents' favorite park was included Waupun County Park, Waupun Family Aquatic Center and Dodge Park.

»The most common responses when asked which park respondents frequent most often included Dodge Park, Waupun County Park and Johnson's West End Park.

»53% of respondents' households participated in City-sponsored recreation programming in the last year.

»62% of respondents' households visited/used the Community Center in the past year.

»18% of respondents' households visited/used the Senior Center in the past year.

»73% of respondents' households visited/used the Aquatic Center in the past year.

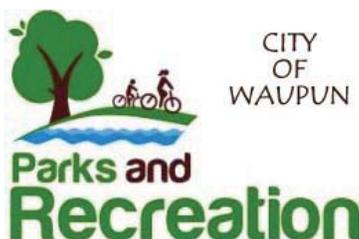

»55% of respondents' households visit City parks one or more times per week.

»46% of respondents' households commonly travel to other communities to use specific park and recreation facilities. Respondents are travelling to Beaver Dam, Fond du Lac and several nearby lakes.

### GENERAL USE - BIKE & PEDESTRIAN

»82% of respondents walk for exercise at least once per week and 37% bike for exercise at least once per week.

»70% of respondents feel safe using a paved off-road trail. 44% feel safe used a dedicated bike lane with no barrier from cars.

## 4.4 REGIONAL & STATE TRENDS

### INSIGHTS FROM THE WISCONSIN STATEWIDE OUTDOOR COMPREHENSIVE RECREATION PLAN (SCORP), 2011-2016.

According to the 2011-2016 Wisconsin Statewide Outdoor Comprehensive Outdoor Recreation Plan (SCORP), approximately 88% of Wisconsin residents walk for pleasure. In addition to walking for pleasure, attending outdoor sports events and family gatherings are some of the top recreation activities Wisconsin residents participate in. Ensuring existing and future parks offer amenities conducive to these activities is important as the high rates of participation in these activities are not projected to change.

The goals listed below are recommended by the Wisconsin SCORP to help provide Wisconsin residents better access/awareness to outdoor recreation opportunities and to help improve public health and wellness:

**Public Access to Land and Water** – One part of this goal is awareness; there is access to land and water, but many times people don't know about it. Maps and signage that are easily readable would help increase public awareness. The other part of this goal can be realized by providing additional sites with access to the water for boating, fishing, and swimming.

**Promote Outdoor Recreation as a “Get Fit” Initiative** – Educate the public about the health benefits of walking, biking, nature study, etc. and develop programming and recreation facilities with health agencies.

**Create Urban Parks and Community Green Space** – Create connected urban parks and community green spaces to improve quality of life and increase opportunities for recreation in urban areas.

According to the SCORP, in Wisconsin there is a projected **stable future demand for low-intensity recreational activities such as walking, gardening, viewing nature centers, sightseeing, bicycling, and picnicking (listed in order of popularity)**. Since these activities should experience stable growth in the future, opportunities to engage in these activities should be created and maintained.

Due to changing demographics, social trends, and other movements, the SCORP is projecting **increased demand for (generally) high-intensity recreational activities in the future such as kayaking, visiting dog parks, climbing, paddle boarding, playing outdoor soccer, RV camping, and BMX biking.**

*Activities such as hunting, inline skating, skateboarding, softball and downhill skiing are projected to have a decreased demand in Wisconsin in the future also due to the changing demographics' preferences.*

### INSIGHTS FROM THE DODGE COUNTY PARK, OUTDOOR RECREATION AND OPEN SPACE PLAN, 2015.

According to the Plan, in 2013 Beaver Dam Community Hospitals, Inc. assessed the health of the area and identified the challenges to wellness as part of the Dodge and Jefferson Healthier Community Partnership's Community Health Assessment. In February 2014 “Healthy Communities, Healthy Lives” kicked off as leaders from public health, health care, local schools, health clubs, businesses, government and the media met and identified four initial projects they will focus on as a team, each aimed at working together to find ways to make it easier for people living in the region to live healthier lives. Running, Walking and Biking Trails was identified as one of the four initial projects. Additional focus on expanding, improving and publicizing trails throughout the existing parks is one way the City of Waupun can address the challenges to health and wellness in the area.

## Survey Comments related to McCune Park

*Q2 Do you have any concerns about safety or accessibility in any of our parks?*

- The park by the camp grounds and pool is not little kid friendly and the metal slide burns (same as the park at McCune)
- Safety at McCune
- McCune playground equipment. Wood.
- McCune park is going downhill would be nice to have some safer kid friendly of all ages equipment :)
- McCune- Very out dated playground equipment
- Please do something about McCune Beach
- McCune beach park needs to be cleaned up and re-made into a family friendly park. It has been part of Waupun for so long we cannot let it just sit
- McCune as well as county park have old playground equipment that I don't feel is safe for my two and five year old
- McCune Beach-Young children do not feel safe here. Older children bullying issues and cigarette and drug use issues seem to be a problem.
- McCune park needs playground upgrade. Would be nice to have old beach converted to fishing hole.

*Q3 Which of the following amenities would you like to be added, improved or expanded in Waupun either by public or private entities? Mark up to 6 preferences.*

- Open McCune beach back up
- McCune beach missed by many
- Access to McCune again
- Give McCune Park "new" purpose! Beach=fishing pond (no swimming allowed), Bath House=Event facility, etc. Beautiful area being wasted!
- change McCune beach to softball diamond
- update BB courts at McCune Park add things to do
- Dog swimming area. McCune would be perfect for that.

*Q4 Referring back to question 3, please indicate your number one desired park amenity to be added, improved or expanded in Waupun either by public or private entities. Why is this your top choice?*

- Taking McCune Park and turning it into a fish pond
- Beach. My kids miss McCune.
- McCune. We live in that area. We used to go to McCune alot. Now if we want to go swimming we have to drive or ride our bikes across town to the over crowded smaller pool
- McCune opened back up cause the sand beach is missed by many many people
- Beach access. i really miss McCune beach and being able to lay out in the sand. There is just something about a beach compared to a cement pool that makes it feel more like summer.
- More swimming. Re open McCune or something. That waterpark sucks. There is no parking and it's so packed it's not even fun. I live in Waupun and have for 10 years. We used to go to

McCune once a week. I went to that waterpark twice and never will again. I couldn't even get a chair. I drive to Fond du Lac or Beaver Dam to utilize their facilities.

- Beaches. A smaller McCune beach would be nice instead of the current eye sore. Less than half the size would control cost and give the sand lovers a place to go.
- Beach access.. take the fence down at McCune and treat as pond with sand beach.. when frozen can use for ice skating as the community center is over run with HOCKEY
- I would like to see McCune park be reopened with a pool and beach
- Changing McCune beach pool to a softball diamond, because it is currently a waste of space and Waupun could host tournaments and possible move Women's league on Thursdays next to the Men's league.
- McCune Beach!!!!
- Girls bathroom at McCune softball diamonds. No door on one toilet and no lock on the other one. Have not been in them this year yet soooo if this issue is fixed....I thank you..
- Wild animal Park. I would like to see McCune used more. It could be similar to what they have at Lakeside Park in Fond du Lac.
- McCune was unique and special. I truly wish something could be done with that park. If not a pool then maybe a slash pad or something beautiful to look at with some equipment and activities.
- Natural areas like converting McCune into a place to enjoy in peace
- Bathroom at McCune park was in very bad shape for the girls side. Would be fun to be able to rent canoes
- Outdoor mountain biking park along the east end of McCune.

*Q8 Why do you frequent this park the most in Waupun?*

- McCune

*Q20 Where would you prioritize the location of new bike facilities, routes or trails?*

- McCune Park area
- Maybe upgrade McCune park as this is the closest to me just run down. That would be great for the business/ busy side of town. The closest park for me is Tanner which is nice but a 15 minute walk.
- update McCune
- McCune
- Would love to have McCune Beach renovated into something beautiful again. It's a great location but it's too dark and too many "shady" characters hang out there now. Would love to see the bike trail continue so it was a full loop.

*Q22 Please use the space provided below to identify a type of new recreation program or service that the City should consider offering.*

- turning McCune park into a fishing pond
- McCune beach cleaned up and use again. Sad waste it sitting there. Very nice thing to have in town
- Expand parking at McCune. National Guard drills consume all parking, develop the end East of the Armory.

- I am very interested in the development of McCune Park. An open water space would be wonderful. PLEASE continue it as some sort of park. If we give up space, it won't be regained.
- Update the playground area at McCune. Do something with McCune beach.... It's an eyesore!!!!
- private run McCune
- I think something should be done with McCune beach
- Improving the softball diamonds and McCune beach
- Quarry beach where McCune beach used to be.
- Bring McCune beach back
- Indoor pool? Active sporting building year round. Splash pad or wet park by McCune

*Q23 Please use this space to provide any other comments relating to pedestrian, bicycle, park and recreation services or facilities in Waupun.*

- Get rid of the McCune Beach and put something else in place of the nasty beach!
- I think it would be wise to maintain and spruce up the already existing parks that are run down like McCune. There are a lot of really nice parks in Waupun!
- Take the fence down and turn McCune beach into a picnic area with benches to use for ice skating and Winter events.. also add lighting
- Would like to see McCune Beach become a natural wetland area with walking/biking trails around it
- fix doors on McCune bathroom stalls
- improve the BB courts at McCune
