POOL PROGRESS

Plans for construction of an aquatic facility at the Fond du Lac County Park continue to move forward. Upon recommendation by the Aquatic Design Sub-Committee, a final design has been selected. Survey work

on the identified site, located on the south side of County Park Road, is in process. Preparation of the final plans, project specifications, and bidding documents will begin soon. Construction of the facility is anticipated

to take place in 2013, with plans for the pool to open for use in 2014. Our thanks goes out to Fond du Lac County for their continued support of this project, both financial and administrative.

TACO BELL GROUNDBREAKING

A groundbreaking ceremony was held on Monday, March 4 at the site of the new Taco Bell Restaurant on the corner of Shaler Drive and E. Jefferson Street. Excavators plan to get to work on the project right away. Plan to see them out and about as soon as Monday, March 11th.

ONLINE LEARNING FOR WAUPUN'S 6TH GRADERS

All 6th grade students at Rock River Intermediate School participate in an online transition class to prepare them for the junior high, and more importantly for learning in 21st century environments.

According to K-12 Media Specialist Katie Eickelman, the course is designed to allow students to understand themselves, others, and their surroundings at a deeper level.

Students learn how to have an online class discussion and the appropriate etiquette. The class also aims to ease the anxiety of moving to the 7th grade. The curriculum helps students be successful anywhere and also exposes them to the specifics of the Waupun Jr/Sr High School. They get a virtual tour of the building, meet junior high teachers via videos, and learn about grading policies.

Students use My Big

Campus as the platform for the course and collect their work in a portfolio put together in a Prezi presentation. In their course evaluations, students report that they liked "helping me get to seventh grade," "you had fun incorporated with learning," "how we get to use My Big Campus and Prezi," and "the discussions on My Big Campus when we could talk about things with our classmates."

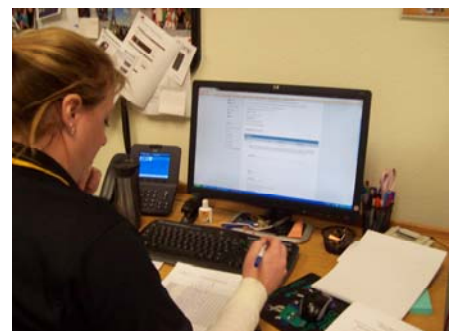

Daylight Saving Time begins Sunday, March 10th. Don't forget to set your clocks ahead 1 hour!

School Board meetings are the 1st and 3rd Mondays of the month at 7:00pm at the Education Service Center, 950 Wilcox Street

Waupun 6th graders are having an online discussion about bullying on My Big Campus.

K-12 Media Specialist Katie Eickelman reviews the online discussion and scores students on their participation and use of appropriate online etiquette.
