### NEW HOTEL

In 2014 Waupun will welcome a new hotel to town. Standing at the site of the soon-to-be-built 61 bed AmericInn are (left to right) Ryan Sawall from Consolidated Construction, owner Andy Glewen, and City Administrator Kyle Clark. The three have been working over the past year to make this project a reality.

Below, the site is

*POOL PROGRESS*

There has been a flurry of activity at the site of the new pool. Curb, gutter and a layer of asphalt has been laid for the parking area; another section of the pool floor has been poured; and the mechanical building and bath house (at right) are being constructed.

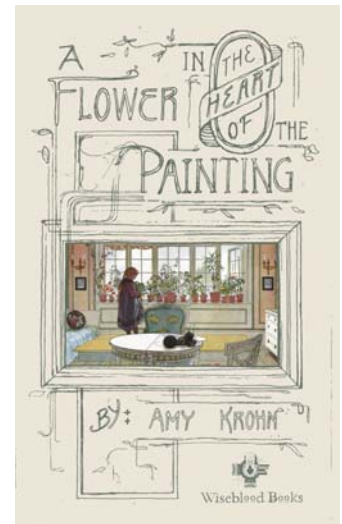

*AUTHOR PROGRAM AT LIBRARY*

Amy Krohn, local author, will be speaking on her newly published book, "A Flower in the Heart of the Painting", on Tuesday, December 10 at 6:30pm at the Waupun Public Library. Books will also be available for sale and refreshments served. The book is a collection of short stories set primarily in the Midwest and include the subject of art or artists. This collection includes a

novella entitled "A Portrait of Happiness and Love" which is inspired by Leo Tolstoy's novella "Family Happiness". This is the first book by the award-winning author. Amy has lived in the Waupun/Brandon area her entire life. She currently lives on a dairy farm near Brandon with her husband and children. This event is hosted by the Waupun Public

Library and Friends of Waupun Library.

*WINTER WEATHER RELATED ORDINANCES*

Just in time for Thanksgiving, snowy weather is here. Now is a good time to refresh our memories on city ordinances relating to winter parking and snow and ice removal.

**Winter parking regulations** state that on any day that we

receive 2 or more inches of snow, and the day after, vehicles cannot park on city streets or alleys between the hours of 2:00am and 6:00am. Snowfall is measured at the Waupun Safety Building. During these early morning

hours the Public Works Department is out cleaning the streets. If cars are parked on the streets during this time City staff has the authority to have the vehicle removed and stored at the owners expense. For further information

### WINTER WEATHER RELATED ORDINANCES (Continued)

regarding winter parking regulations please visit the city website [www.cityofwaupun.org](http://www.cityofwaupun.org), select the Municipal Code link (on left-hand side), and review Chapter 6, Traffic Code section 6.05(4).

**Snow and ice removal** is addressed in Chapter 7 of our municipal code. Property owners are given 24 hours after

the end of a snowfall to remove snow and ice from sidewalks. Failure to do so is cause for the city to clean up the area and will result in a minimum fee of \$100.00. The City does notice these winter rules in the local paper and will put door hangers on any property they have to clean up. Pictures of the property are taken before the property

is cleaned for verification of violation. Visit the city website, select the municipal code link, and review Chapter 7, sections 7.07 and 7.08 for additional information on snow and ice removal requirements. You can also call City Hall or the Police Department for further clarification.
