School History on Display September 20

In Celebration of Waupun's 175th Anniversary, Zac Dickhut, a Senior at Waupun Area High School, has put together a historical collection of memorabilia of the Waupun Schools from the early 1800's to the present. Waupun High School came into being when one student enrolled for the general course in 1876. The collection includes yearbooks from 1916 to the present with the exception of 1919-1923 & 1932. Zac stands next to the 1926 50th Anniversary Milestone year trophy won by the Waupun High School football team. The letter sweater was worn by Argyle Zimmerman, who played the right tackle that year. When Waupun joined the Little Ten Conference in football, they claimed the Conference Championship the first two seasons. The collection includes trophies, jerseys, uniforms, photos, banners and many other items from the Waupun Historical Society, the Schools, and from private parties. The immense collection will be displayed on Sept. 20 in the Rock River Intermediate School gym, and again on Oct. 10 during Waupun's Homecoming event.
