Andrew Soodsma was present to discuss his grant application for 1-7 W. Main Street. Project includes installation of black top in the north half of the Goose Shot parking lot. Estimated cost is \$16,400. \$8,200 in grant funding is requested. Lines will be painted and handicap stalls will be marked. Mr. Soodsma has not received grant funds for cleaning/tuck-pointing/painting that other downtown properties have received.

Motion VandeBerg, second by Karsten to approve the grant application for Andrew Soodsma for his project at 1-7 W. Main Street, up to 50% of expenses, not to exceed \$8,200. Motion carried unanimously.

Kast presented the financial reports for March 2015. A grant for an awning at Club Fitness was paid out. YTD expenses exceed revenues by about \$218.

Motion N. Vanderkin, second J. Vanderkin to approve the financial reports. Motion carried unanimously.

Discussion on 2015 projects. Mr. Awve (corner restaurant) contacted staff to inform them of plans to get started on the trim around the windows and complete the project before the grant deadline. Karsten informed members of discussion with Accel Automotive on plans for signage, windows and improvements to the front of the building.

They will apply to BID and the CDA. A bar may submit an application to the BID/CDA for rear improvements. Ken Liebenow is interested in improvements to the dance studio-windows/awning/front façade improvements. Does not look like façade improvements to the Golden Cup are planned for this year.
