Waupun Board of Public Works  
Minutes of Regular Meeting – **October 13, 2015**  
*Approved November 10, 2015*

The Waupun Board of Public Works met in regular session on Tuesday, October 13, 2015 at the Waupun City Hall located at 201 E Main Street, Waupun with Chairman Bastian presiding.

Chairman Bastian called the meeting to order at 4:30pm.

Members present Chairman Steve Bastian, Alderman Mike Johnson, Alderman Pete Kaczmarek, Public Works Director Dick Flynn, City Clerk Angie Hull, and Deputy Scott Loudon. No members are absent.

No City staff is present.

Audience present is Dimitrios Kardaris, Jeff Homan, Rich Dary, Dan Prey, and Diane Prey.

Motion Kaczmarek, second Loudon to approve the minutes from the July 14, 2015 meeting of the Board of Public Works. Motion carried.

Dimitrios Kardaris of 820 E Main Street, appeared before the Board in discussion of the crosswalk on Main Street that connects with his driveway. Kardaris states that there was a crosswalk sign placed at this crosswalk and is now removed. He believes with the high traffic flow and safety factors of children traveling to school, this sign should be replaced. Flynn states that the State regulations do not permit a crosswalk other than at an intersection so it was removed. Discussion of the standup crosswalk signs was heard. Loudon feels this would be favorable. Loudon will review the intersections of Main and Moore Streets and Main and Young Streets and report to the Board at its next month's meeting. Kardaris requests to be informed of the meeting. Flynn will check with ordinance and if permits, will temporarily place a crosswalk sign and paint the cross walk lines that intersect with Kardaris driveway so pedestrians do not use it.

Discussion from Jeff Homan, Richard Dary, Dan Prey, and Diane Prey was heard regarding the 2015 Sidewalk Replacement Program. Alene Heeringa provided a written statement that Chairman Bastian read aloud. The City provided estimates for sidewalk replacement which residents made the choice of hiring their own contractor or having the City's contractor complete the work. For those who selected the City's contractor, the work was completed and final invoices were issued. Nine (9) residents have contested their invoice amount. Flynn explains that there was an error in the unit pricing with the 2015 and 2013 rates. Individuals contest that the estimate did not provide information of sawing costs. Prey's comment their invoice increased 52% from the estimate; Homan 42%; Heeringa 42%; and Rich Dary 25%.

Motion Kaczmarek to revise the invoice to the correct unit price, plus sawing fees, to these nine (9) residents contesting. Discussion continued and motion failed.

Board members did not feel it should be corrected for only the few that contested. Sawing fees were questioned. Flynn states that with the past sidewalk replacement programs, the sawing fees have not been a part of the estimate as it's not known what the fee could be or if there would be one until the contractor is on sight doing the work.

Motion Kaczmarek, second Hull to revise all invoices calculated for all residential households in the 2015 Sidewalk Replacement Program with the correct unit price plus the sawing fee. Flynn is to verify that the sawing fee has been consistent with prior years. If not, the sawing fee is to be eliminated. Motion carried 6-0 on roll call.

Flynn updates the Board on ADA projects: Library parking stalls are painted and shelving has been brought down to a suitable level, and the Senior Center will be receiving an automatic door and railings on the back entrance.

No public comments are heard.

Bastian requests for discussion of the ordinance which is in place for sidewalk replacement and speed limit changes on S. Madison Street on the next meeting of the Board of Public Works.

Motion Loudon, second Johnson to duly call the meeting adjourned at 5:37pm. Motion carried 6-0.

Angie Hull, City Clerk
