New Acquisition and Development Recommendations

- Linear Parks-Pedestrian and Bicycle Trail System. Goal: Increase amount of pedestrian and bike trails within the City and provide connections to regional trail systems.
 - In 2011 Waupun will be developing design plans to provide a safe route to school for 2012.
 - A paved shoulder will extend from the Rock River to the Waupun Goose Trail along Hwy 49 in conjunction to a paving project that the DOT will be completing in 2013.
 - Develop a long-term bike and pedestrian transportation plan to help identify routes and facilities for multimodal transportation options. Consider extensions of the proposed system to future locales within the planning area.
 - Develop a bike/walk path from Waupun to Beaver Dam on the Hwy 151 corridor.
 - Develop a bike/walk path along the railroad corridor throughout the City of Waupun.
 - Develop bicycle paths on streets.
 - Develop a multi-purpose bike/walk trail along the Rock River from the County Park to Tanner Park and eventually to the Wild Goose State Trail offset from vehicle traffic.
 - Develop a bike/walk trail either over or under Hwy 151 to connect to the Wild Goose State trail south of the City of Waupun.
 - Acquire right-of-ways or easements where necessary or appropriate.
 - Install appropriate signs and trail markers.
 - Paved, hard surface trail and/or boardwalk.
 - Produce information guide to trail, which includes a map and educational plaques.
 - Apply for funding through grants, foundations and other fundraising mechanisms.
 - Phase this project with combined efforts of local municipalities.
 - This trail will be sensitive to ADA and environmental requirements and permits.
- Canoe Route on the Rock River
 - Develop a canoe route through the City along the Rock River.
 - Develop a series of canoe launches and dam portage sites to facilitate canoeing in the City.
 - Department of Corrections (DOC) walk-in boat launches.
- Fond du Lac County Park and Rock River Country Club
 - The City of Waupun and the Waupun Area Chamber of Commerce/Waupun Area Recreation Project are working with the Rock River Country Club to develop cross country ski trails.
 - The City of Waupun and the Waupun Area chamber of Commerce/Waupun Area Recreation Project are also looking into developing a water park facility.
 - These two groups are also looking into developing a community building to hold concessions, rentals (canoe/kayak/bike/cc skis) and meeting rooms.

- Area South of W. Brown and N. of 68 and W. of West Street
 - Develop an area presently owned by the City of Waupun/Utilities for a neighborhood park.
- 903 North Madison Street north of the City Garage
 - Research the possibilities of developing recreational facilities on the former landfill site.
 - Use of old landfill for sledding/tobogganing to enhance winter activities.
 - Develop a dog park at the old landfill at the Public Works Garage.
- Storm Water Detention Pond
 - Develop a pond on City land located between HWY 151 and County I, south of the DOC.
 - Develop areas to be used for hiking, observation, cross country skiing, walking.
 - This land was put into the North American Wetland Conservation Act (NAWCA).
- Develop appropriate facilities if it is determined to be feasible.
- Incorporate with new businesses in the Business Park to enhance or develop pedestrian bike/walk trails.

PARK ASSESSMENT FORM

During July MSA encourages members of the Recreation Board to take some time to tour local parks to observe and document potential park improvements to incorporate into the update of the City's CORP. Tours can be completed individually or as a mobile meeting. This form is intended to guide your visit.

The second page of this form includes a space to enter a park name followed by a box to indicate desired improvements considered a *need* versus a *want*. Needs generally address maintenance, access or safety items but can include installation of new or replacement equipment or facilities. Wants generally address something you would like to add to a park but may not be as essential in the short term.

As you tour each park consider the following:

- External access to the park (sidewalks, trails, bike routes etc.)
- Signage (including wayfinding to the park and onsite signage)
- Parking & circulation (vehicular, pedestrian and bicycle)
- Internal access to the park (accessible paths to play equipment, shelters or ball fields)
- Shelters and restrooms
- Support facilities (benches, picnic tables, water fountains, grills, etc.)
- Lighting
- Diversity of play equipment or recreational facilities
- Condition of play equipment or recreational facilities
- Location of play equipment or recreational facilities
- The size of the park and any opportunities for expansion
- The main users of the park and opportunities to increase their enjoyment of the park
- Opportunities to attract other users to the park
- Use of the park for special events and special event needs
- The demographics of the surrounding neighborhood and their potential needs
- How the park fits within the entire Park System

If you identify more than one want or one need for each park feel free to number each based on your determination of priority (one being the highest).

Waupun Comprehensive Outdoor Recreation Plan Survey

Introduction

The City of Waupun is updating its Comprehensive Outdoor Recreation Plan (CORP). This plan serves to guide the continual improvement of the City's parks, open space, bicycle and pedestrian facilities. The CORP also maintains the City's eligibility for state and federal recreation grants. The City realizes the importance and benefits of parks, open space, bicycle and pedestrian facilities and are committed to meeting the needs of its current and future residents. By participating in this survey you are helping to shape the future of Waupun!
