RESOLUTION #03-11-14-01

A RESOLUTION ADOPTING THE DODGE COUNTY ALL HAZARDS MITIGATION PLAN

WHEREAS, the City of Waupun recognizes the threat that natural hazards pose to people and property; and

WHEREAS, undertaking hazard mitigation actions before disasters occur will reduce the potential for harm to people and property and save tax payer dollars; and

WHEREAS, an adopted all hazards mitigation plan is required by FEMA as a condition of future grant funding for mitigation projects; and

WHEREAS, the City of Waupun participated jointly in the planning process with Dodge County and the other local units of government within the County to update the All Hazards Mitigation Plan, which was made available for review via a Legal Notice and a copy of which will reside permanently in the Dodge County Emergency Management Office;

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Waupun, hereby adopts the updated Dodge County All Hazards Mitigation Plan as an official plan; and

BE IT FURTHER RESOLVED, that the Dodge County Emergency Management Department will submit, on behalf of the City, the adopted All Hazards Mitigation Plan to Wisconsin Emergency Management and Federal Emergency Management Agency officials for final review and approval. Minor changes been made upon advice from Wisconsin Emergency Management and Federal Emergency Management Agency will not require re-adopting this resolution.

Emergency
Management

Dear Town, Village, or City Leader;

Planning

As you are aware, Dodge County, like the rest of the State of Wisconsin, is vulnerable to a variety of disasters. Wisconsin has incurred disaster-related damages totaling \$3 billion in the last three decades, but future losses can be reduced through mitigation activities. It is estimated that for every dollar spent on mitigation, \$2 to \$3 in future damages can be avoided.

Response

Recovery

Hazard mitigation breaks the cycle of damage and repair by reducing or eliminating the long-term risk to human life and property from hazards. These preventative actions can be simple; such as elevating a furnace in a basement that sometimes has water on the floor. Mitigation can also take a comprehensive approach; such as relocating buildings out of the floodplain or strengthening critical facilities to prevent wind damage and provide stronger shelter.

Mitigation

Emergency Planning &
Community Right-to-
Know Act

In an effort to better prepare Dodge County to manage its vulnerability to disasters, Dodge County Emergency Management, applied for, received and has completed a Pre-Disaster Mitigation (PDM) update planning grant. This plan update will serve as a roadmap that outlines potential cost-effective hazard mitigation activities, some of which might be available for future grant funding. The updated plan highlights the risks and vulnerabilities that the county faces from natural disaster and highlights mitigation strategies that might reduce future losses.

Local Emergency
Planning Committee

We are sending a draft resolution for you to use for the re-adoption of the plan. Please include adoption of this resolution on your next meeting agenda and **send a copy of the final passed resolution to Dodge County Emergency Management, 124 West Street, Juneau, WI.** Once all the adoptions have been received, our office will send each municipality a final, printed plan.

Citizen Corps

If you have any questions or comments regarding the plan update or would like to provide input into the plan, please feel free to contact either one of us:

It is important to note two things:

- **Adoption of this plan will not cost your community anything.** You will not be committing to completing any of the projects listed; instead it is a list of triaged ideas that can be accomplished should the funding to complete them become available.
- **If you do not adopt this plan, your community will not be eligible to apply for and receive mitigation project funding in the future.**

Thank you in advance for the assistance that you are providing. This small investment of your time will help make our community a safer, healthier and more resilient community for years to come.

Sincerely,

Amy B. Nehls
