

Helpful Service

Our drivers may help carry a load of groceries to your front-door. If you're feeling a little unsteady, and if you ask, our drivers may offer you an arm and walk alongside you.

For insurance reasons, we cannot go inside your home.

Wheelchair Ramp

We have wheelchair ramps available. If you will need this service just let us know when you book your ride at www.browncab.net.

Shared-Ride Service

Shared-Ride Service means you might be required to share your cab ride with another customer who is going roughly the same direction at the same time. This allows us to offer the best price for a trip.

About Our Program

Our Shared Ride program is administered by the City of Waupun in partnership with Brown Cab, Inc. The city is responsible for determining the fares, hours of service, areas of service and how the service is operated. The city contracts with a private transit company to provide the service. This company is selected through a competitive bidding process and the City must solicit these bids every five years.

Funding for this service is provided by four sources:

- Federal Transit Administration
- State of Wisconsin
- City of Waupun
- And - You, the rider through your patronage.
