## Background

This report is written to satisfy the requirements as outlined in Section 66.10014 of the Wisconsin Statutes. Section 66.10014 reads as follows:

- (1) In this section, “municipality” means a city or village with a population of 10,000 or more.
- (2) Not later than January 1, 2020, a municipality shall prepare a report of the municipality's residential development fees. The report shall contain all of the following:
  - (a) Whether the municipality imposes any of the following fees or other requirements for purposes related to residential construction, remodeling, or development and, if so, the amount of each fee:
    1. Building permit fee.
    2. Impact fee.
    3. Park fee.
    4. Land dedication or fee in lieu of land dedication requirement.
    5. Plat approval fee.
    6. Storm water management fee.
    7. Water or sewer hook-up fee.
  - (b) The total amount of fees under par. (a) that the municipality imposed for purposes related to residential construction, remodeling, or development in the prior year and an amount calculated by dividing the total amount of fees under this paragraph by the number of new residential dwelling units approved in the municipality in the prior year.
- (3)
  - (a) A municipality shall post the report under sub. (2) on the municipality's Internet site on a web page dedicated solely to the report and titled “New Housing Fee Report.” If a municipality does not have an Internet site, the county in which the municipality is located shall post the information under this paragraph on its Internet site on a web page dedicated solely to development fee information for the municipality.
  - (b) A municipality shall provide a copy of the report under sub. (2) to each member of the governing body of the municipality.
- (4) If a fee or the amount of a fee under sub. (2) (a) is not properly posted as required under sub. (3) (a), the municipality may not charge the fee.

## Process and Data Sources

Community & Economic Development staff prepared this report for the calendar year ending December 31, 2019 using the adopted City of Waupun Fee Schedule, permit/development records maintained by the Building Inspector and the Department of Public Works, and adopted City of Waupun Ordinances. This report has been posted on the City's website ([www.cityofwaupun.org](http://www.cityofwaupun.org)) and has been shared with the City of Waupun City Council. For record keeping purposes, projects are reported in the year in which they were permitted (approved). Projects approved in prior calendar years but completed and occupied in 2019 are not included in this report.

## Residential Fee List

The City of Waupun imposes the following fees or other requirements for purposes related to residential construction, remodeling, or development. Only fees the City sets/collects are included in this report. Fees set by others, such as sanitary and utility districts, county, etc., are not included in this report. A complete copy of the municipal fee schedule is included in Appendix A. Table 1 lists the residential development fees collected for 2019.

**Calculations**

Section 66.10014(2)(b) states, “The total amount of fees under par. (a) that the municipality imposed for purposes related to residential construction, remodeling, or development in the prior year and an amount calculated by dividing the total amount of fees under this paragraph by the number of new residential dwelling units approved in the municipality in the prior year.”

The total amount of fees that the City of Waupun imposed for residential construction, remodeling, or development in 2019 is listed in Table 2. The average fee collected per permit has been calculated by dividing the total amount of fees collected by the number of permits issued. A full listing of all permits issued in 2019 can be found in Appendix B.
