BUDGET MESSAGE

To the citizens of Waupun,

The 2018 budget saw the first significant increase in our property tax levy in nearly a decade with a majority of the increase being directed to support capital needs for road improvements. This resulted in reconstruction of Walker Street and a resurfacing of a portion of Franklin Street. That move also set us up for future improvements, though our capital requirements continue to grow. While the city maintained a fairly flat operating budget, we were able to make key investments in economic development that brought about private investment and job creation to the city.

Looking forward, our 2019 budget outlined in this document is balanced, operates within expenditure restraints, and supports our strategic priorities as defined in our 2018-2020 strategic plan, while meeting citizen needs and positioning the city for a sound financial future. Our annual audit confirms the soundness of our internal controls and protects our strong A1 bond rating.

The following list highlights the key elements of this budget document:

- The total City property tax levy will increase by 3.0%, or \$90,071, compared to 2018. A majority of the increase supports capital improvement and equipment replacement.
- Overall revenues are down 2.6%, excluding library transfers explained in this document, while expenditures increase 1.9%.
- The City's property tax rate is estimated to decrease 3.5% due to the revaluation project completed in 2018.
- The plan utilizes tax increment financing to support further economic development in key areas of the city.
- The 2019 budget continues to fund recurring capital improvement projects with operating revenues. However, looking forward, the plan relies on long-term borrowing to fully fund proposed capital projects.

The 2019 budget includes no reduction or elimination of existing services. Overall, I am very optimistic about the positive things happening within the City of Waupun and our ability to deliver services with excellence in 2019.

Sincerely,
Mayor Julie Nickel

BUDGET OVERVIEW

The details of our 2019 budget which follow will provide an overview of how we intend to maintain service levels in the context of revenue constraints. While debt service drops in the proposed budget, longer-term there is a shift in debt service requirements to support community needs which will result in more levy dollars being directed to long-term debt service payments in future budgets.

GENERAL REVENUES:

Total combined general fund revenues available to support general fund operations and services for 2019 decreased by a total of \$711,941 or 10.8%. A bulk of that reduction is due to a decision to move the library's levy to a separate fund to improve financial oversight of the library system. Excluding the library transfer, the overall operating budget for the city decreased 2.6%. Other factors impacting revenue include:

A net revenue increase of \$64,900 in four primary areas:

- \$40K - Police School Liaison Officer renegotiated with WASD for full cost recovery.
- \$24K - WASD payment for utilities at the ball complexes and the community center during hockey season.
- \$20K – Utility Payment in Lieu of Tax increase based on plant investments made over the last several years.
- \$9K – estimate of additional interest income from higher interest rates.

Decreases in revenue include the loss of expenditure restraint as a result of the 2018 budget not qualifying for expenditure restraint revenue in 2019. This was a one-time adjustment to increase capital expenditures specific to road improvements. Looking ahead, the 2019 budget does meet expenditure restraints and we expect to recapture this revenue in the 2020 budget, but will shift our strategy so that we are no longer dependent on this funding to support operating expenses. We will instead direct future expenditure restraint dollars to the capital improvement fund. Additional reduction factors include:

- \$34,500 reduction in Transportation Aid. This aid is based in part on how much the City spends on transportation using a rolling 6-year average. This loss reflects that the City has spent less on transportation in the past 6 years.
- \$16,500 reduction in interest on TID advances as the advances are being repaid.

EXPENSES:

The proposed general operating budget, excluding transfers and library fund, is projected to increase \$107,256 or 1.9% from prior year. As a government entity, we provide services to the public which is labor intensive. Consequently, a large percent of the operating budget is comprised of wages and benefits. The total budget for wages and benefits increased \$56K within the general fund. The city participates in the State of WI ETF local health insurance plan. The local health insurance plan used excess cash reserves to buy down health plan costs, yielding an overall premium reduction of \$43K or a 6% decrease for 2019. The budget as proposed provides for a 2.5% wage increase for all non-represented staff.. Adjustments to collective bargaining unit wage scales are as negotiated in the collective bargaining agreements. Other noted increases in expenditures include:

- A new position request for a part-time Police Administrative Assistant budgeted at \$16,793.
- A \$10,800 increase in expense moving an Economic Development contracted position to a part position. This amount is offset by a reduction in total Economic Development operational spending with proposed work being handled in-house.
- Reduction in our contract with the YMCA for wages to support pool operation based on changes in hours of operation for 2019.
- Staff time for storm water management increased slightly, resulting in \$9K of wage and benefit expenses being allocated to storm water.

Overall staffing levels remain fairly constant with the exception of the two changes noted above. The following table shows staffing levels by department from 2018 to 2019.

Department	2018		2019		Increase / (Decrease)	
	Full Time	Part Time/Seasonal	Full Time	Part Time/Seasonal	Full Time	Part Time/Seasonal
City Clerk	2	1	2	1	0	0
Finance	0	2	0	2	0	0
DPW	13	7	13	7	0	0
Administration/ED	1		1	1	0	1
Senior Center/Parks	1	5	1	5	0	0
Police	18	2	18	3	0	1
Fire	2	30	2	30	0	0
Library	5	11	5	11	0	0
TOTAL	42	58	42	60	0	2

All non-wage and benefit expense increased \$51,400. Notable increases include:

- Increase to ambulances services of \$24K after a six-year rate freeze with our current ambulance provider.
- General Liability and Auto insurance increased \$17K.
- Worker's compensation insurance increased \$7,500.
- As part of a long-term talent management strategy, \$12,000 will be spent to conduct a compensation study to ensure competitiveness of our compensation package.
- \$17,360 increase in Dept. of Public Works expenses related to anticipated increases in fuel and salt costs.
- An increase in building inspection fees due to a strong economic development forecast. This is a net neutral impact to the budget as revenues equal expenses for this service.

As part of our focus on continuous improvement, we are working to address gaps in revenues and will be holding a series of intergovernmental meetings with surrounding townships to address increasing costs related to ambulance service delivery. We plan to develop a cost share model for delivery of those services to offset to increased

expenses related to service delivery. Furthermore, in response to trends of increasing healthcare premiums, in 2018 we formed an insurance taskforce that mapped a strategic plan to evaluate future benefit solutions. While costs did not increase for 2019, the work of this group will continue in anticipation of uncertainty around healthcare costs and future plan design.

CAPITAL PLAN:

The fund balance for capital improvements at the end of 2018 is projected to be \$428K. The levy for capital improvements for 2019 is \$536,799. A majority of the fund balance and 2019 levy will be applied towards reconstructing North and South Madison Streets at a cost of \$3.4M. This budget relies on borrowing \$2.95M (\$2.3M streets and \$600K storm water) to support this project. We have received a grant (\$263K) to apply to the North Madison portion of the project and there is still an outstanding grant award pending that could further support this project. The projected ending fund balance after the 2019 plan implementation is projected to be \$77K. As levy dollars are shifted from the capital budget to debt service, the city will have less funds available for projects moving forward and will rely more on borrowing and/or will need to diversify revenue sources to pay for future capital improvements.

Other capital projects include:

INFRASTRUCTURE:

- Facility Planning & Design: We completed a facility review in 2018 and the Council commissioned a study committee to review findings and determine how to move forward with facility repairs and improvements (\$50K).
- Installation of Fiber between city facilities, setting us up for longer-term cost savings through the reduction of network configurations and software licensing (\$27,500).
- Planned and routine maintenance of sculpture assets (\$19K).
- Park bathroom automatic door locks for operational efficiency (\$20K).
- Park ADA upgrades at Wilcox Park (\$15,100).
- TID 5: Final paving and curb/gutter work on Seymour St installation which began in 2018 (\$125,000).
- Storm water improvements for Madison Street reconstruction project (\$1.1M) and to work toward compliance on storm water management Monroe St Pond (\$222K).

EQUIPMENT REPLACEMENT:

- Replacement of a dump truck and attachments (\$210K)
- Replacement of a police squad (\$32K)
- Replacement of fire turnout gear (\$30K)

PROPERTY VALUATION:

The City completed a full revaluation of all property in 2018 to bring assessed values closer to the equalized value (or fair market value). Waupun's equalized values for residential properties increased 10.4% in Fond du Lac County and 6.0% in Dodge County. The assessment to equalized value ratio is currently at ~99.8%. Commercial property stayed essentially the same for Fond du Lac County but increased by 8.4% in Dodge County.

There is a wide range in assessed value changes, making it difficult to project impact based on averages this year. The proposed increase will result in a \$0.33 per \$1,000 reduction in mill rate for Fond du Lac County homes and a \$ 0.22 per \$1,000 for reduction for Dodge homeowners. The following chart adjusts for averages and provides a snapshot of what the mill rate decreases mean for the average homeowner in both counties.

In 2018, local machinery, tools, and patterns were exempted from personal property tax. The State in return is providing some personal property aid in 2019 to local municipalities; however the City is not being made whole for the loss in revenue. The League of WI Municipalities is working with legislators to resolve this issue for 2020; however, this is a factor that is negatively impacting the budget at this time.

OVERALL BUDGETARY IMPACT:

The proposed budget calls for an increase of \$90,071 or 3% with a majority of the increase being directed to capital improvements and equipment replacement.

- The 2019 budget complies with the state-mandated property tax levy limit. The property tax levy limit is allowed to increase by the percentage increase in equalized value from net new construction, plus any increase in general debt service principal and interest payments.
- Intergovernmental aid revenues are projected to decrease \$87,165 or 2.7% from the 2018 budget. Most of this decrease can be attributed to reductions in State transportation aids and the loss of expenditure restraint revenue for 2019.

TAX HISTORY AND COMPARISONS:

Excluding pool referendum, City of Waupun's net increase in general tax levy over the last ten years totals \$480,141, or an average annual increase of \$48,014 or 1.68% annually

Year	Tax Levy	Levy Change	% Change

2017	2,681,136	93,000	3.6%
2018	3,002,363	321,227	12.0%

The bar graph that follows shows a comparison of local tax for cities and villages in Dodge and Fond du Lac counties. This bar graph contains five years of historical data for the equalized value tax rate per \$1,000. With the proposed 2019 tax levy increase, the equalized value tax rate is expected to increase only \$0.05 per \$1,000. When compared with other surrounding communities, Waupun maintains the second lowest tax rate. This is further validated through a study from SmartAssets which, for the second year in a row, ranked Waupun as the #10 most affordable place to live in Wisconsin based on property taxes, homeowner's insurance fees and mortgage payments.

UNASSIGNED FUND BALANCE:

The City's financial policy requires us to maintain a fund balance between 30% and 40% of annual general fund revenues. The budget as proposed results in a projected unassigned fund balance of \$2,314,443 or 40.8%, which falls just outside our policy guidelines.

LEVY LIMITS:

We anticipate that tax levy limits will remain in effect for the foreseeable future. The levy limit is allowed to increase by the rate of growth in net new construction, in addition to any increases necessary to cover increasing debt principal and interest payments. The city is approaching their levy limit for 2019 which is the year we will also begin incurring new debt to support major capital needs. By 2020, we will see scheduled increases in the city's general obligation debt principal and interest payments which could result in increases in the property tax levy to pay for increasing debt payments.

	Factors	2018	2019	2020	2021	2022	2023
Total Levy	3.0%	3,002,363	3,092,434	3,185,207	3,280,763	3,589,186	3,696,862
Debt Levy		637,216	625,000	900,000	900,000	1,200,000	1,200,000
Levy Excluding Debt		2,365,147	2,467,434	2,285,207	2,380,763	2,389,186	2,496,862
Levy Limit	0.75%	2,466,572	2,485,174	2,503,915	2,522,796	2,541,820	2,560,985
Levy Capacity		101,425	17,740	218,708	142,033	152,633	64,124

Assumptions

- 1) Debt levy increases in 2020 from the Madison St project
- 2) Total levy and debt levy increases in 2022 based on 2021 capital projects
- 3) Levy limit increase of 0.75% annually based on net new construction

BUDGET ALLOCATIONS:

A majority of municipal expenditures support our public safety needs. 2019 expenditures held fairly consistent across departments. The following graphs show a reduction in library funding, however, that is due to the transfer of library funds to a dedicated fund (previously accounted in two separate funds) to improve management oversight of the library budget. Library funding remains unchanged from 2018 levels.

LOOKING AHEAD:

As we look to the future, we see continued challenges for funding road and infrastructure repairs. We also have identified long-term facility needs that will need to be addressed and are facing unfunded mandates from the State as it relates to water quality requirements. Like most Wisconsin communities, we are seeing increased demands on public safety services and are facing increases in our older population as baby boomers continue to age. Continuous improvement work will continue across all city departments to identify and eliminate waste and to find ways to enhance service delivery for our citizens.
