If you are experiencing symptoms or worry you may have been exposed to the coronavirus, Dodge County residents are to call 1-877-998-0022 and Fond du Lac County residents are to call 1-844-225-0147 for more direction from health officials before going to a healthcare facility.

Please remember that 9-1-1 is for emergency use only. First Responders throughout Fond du Lac County would like to remind everyone that calling 9-1-1 for assistance should be reserved for life-threatening emergencies only. Please do not call 9-1-1 for “flu-like” symptoms. Calling 9-1-1 for non-emergencies will put an unnecessary burden on an already-strained Emergency Medical System. If you have a true medical emergency, calling 9-1-1 is the right thing to do. If you have “flu-like” symptoms, please call a health care provider to discuss treatment options over the phone. Health care providers will give you recommendations for treating your symptoms without unnecessarily tying up an ambulance and overcrowding the emergency department and hospital.

The City of Waupun continues to follow recommendations from local, state, and federal agencies to establish preemptive measures to assist in reducing the spread of COVID-19.
