

# ELECTRONICS RECYCLING

## Reduce, Reuse, Recycle

Wisconsin's electronics recycling law, 2009 Wisconsin Act 50, changes the way electronics can be disposed of. Electronics covered under this law include: Computers, desktop printers, printer/fax/copier/scanner combinations, video display devices including televisions, laptop computers, computer peripherals (including keyboards, mice, hard drives, and other devices), fax machines, DVD players, VCR's and other video players. Starting September 1, 2010, it will be illegal to landfill or incinerate the above products. For more information on the new electronic recycling program, please visit: <http://dnr.wi.gov/ecyclewisconsin>.
